

Brightwater Center

The Education & Community Center at the Brightwater Clean-Water Treatment Facility

The Brightwater Center does not provide catering for renters and does not require the use of a specific caterer on-site. Use of the Center kitchen is included in the rental fees; it is a 'catering kitchen' for basic preparation and heating of food. The Center kitchen is equipped with the following for renter use:

- 4 burner gas stove and oven
- 1 microwave
- 2 large refrigerators, 1 Small freezer
- 1 small icemaker (for large events is it recommended to bring ice)
- 1 large percolating coffee maker (100 cups), 1 large automatic drip coffee maker
- 4 2.2L coffee/tea air pots
- 1 tea kettle
- 6 pitchers
- 50 Coffee mugs, 50 Glasses
- 5 serving platters
- Basic serving utensils
- Trash and recycling bins
- *we do not provide plates, silverware, linens or paper products

The following is a list of local catering companies that have been used at the Center; please go online and search for additional catering options in the area.
