

King County

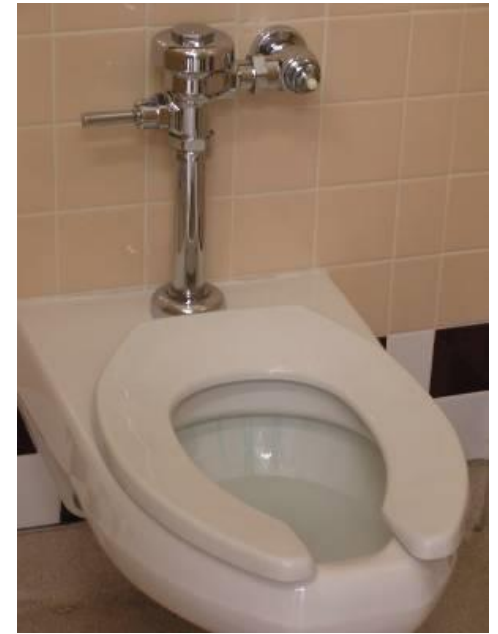

Department of Natural Resources and Parks
Wastewater Treatment Division

The H₂O Cycle

How do you use water?

Wastewater

Stormwater

I know where water goes AFTER I
flush the toilet.

WASTEWATER

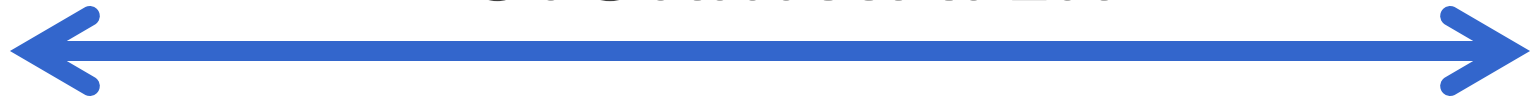

YES

NO

I know where water goes AFTER it rains.

STORMWATER

YES

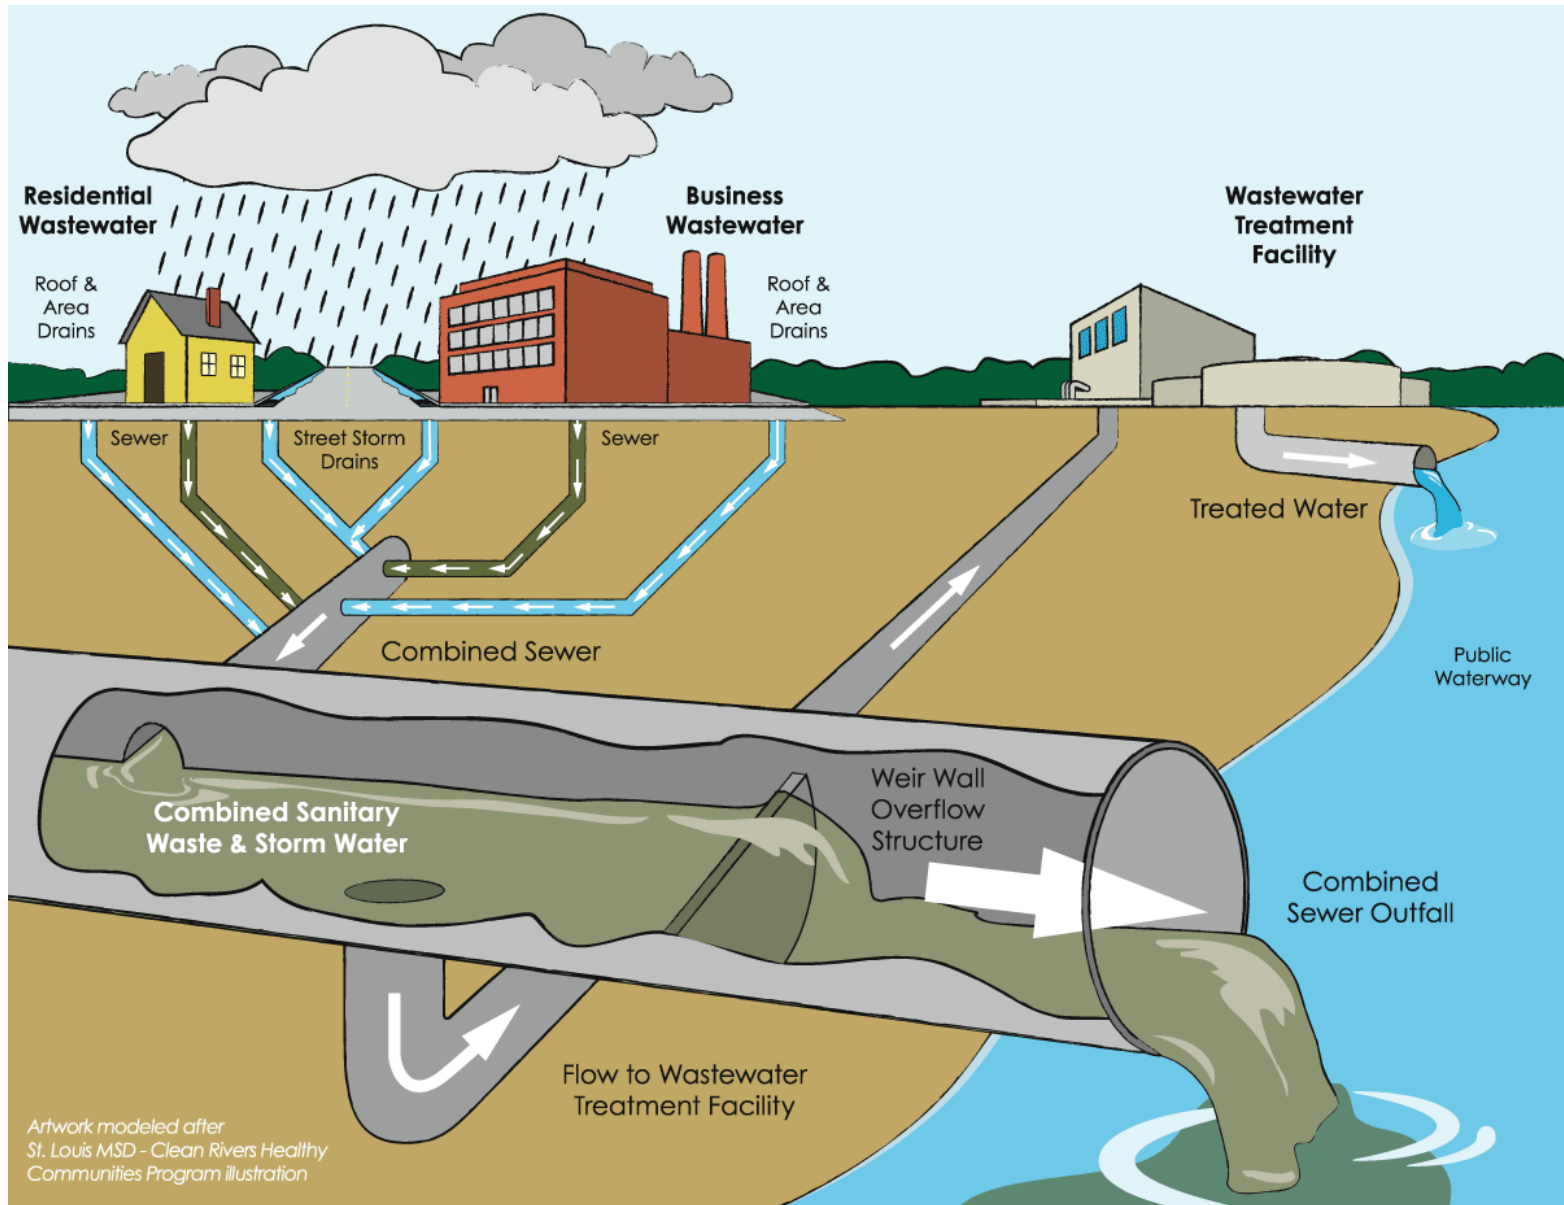

NO

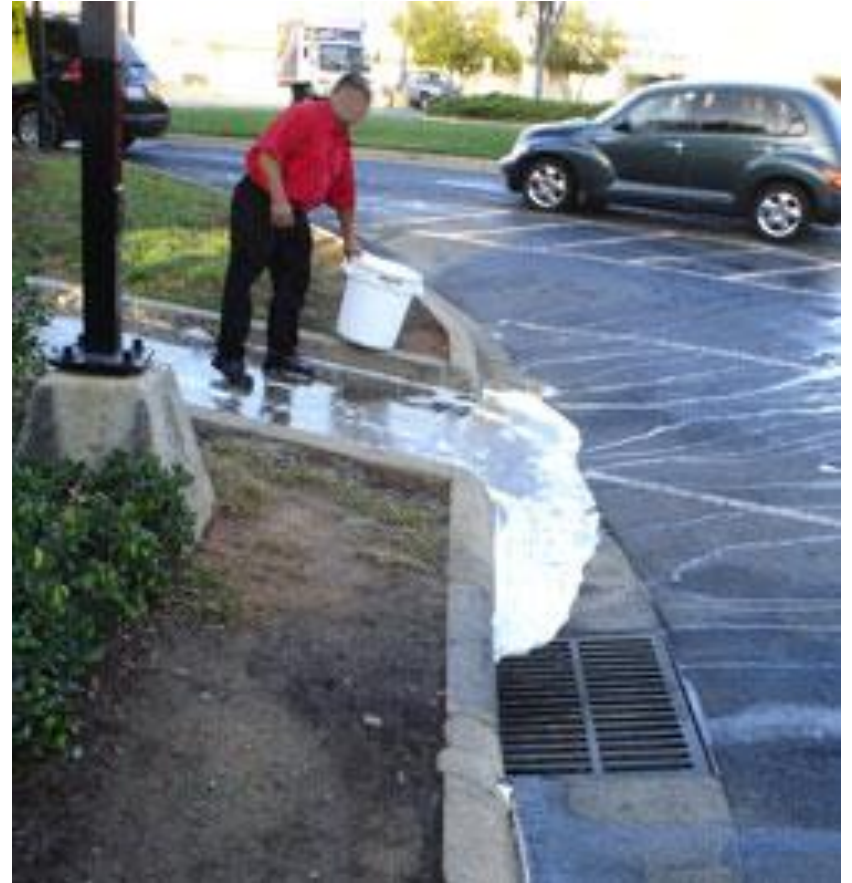

West Point Treatment Plant - Seattle

What does too much water do?

How do we **ALL** help keep our water clean?

Use less water and put less in our water!

Put nothing but the 4 P's in the toilet!

The 4 P's:

Pee

Poop

Puke

Toilet Paper

Pick up trash and pet waste!
Go to the car wash!

Put in a rain garden or rain barrel!

What is King County also doing?

Georgetown Wet Weather Treatment Station
