SECTION 3 APPLICATION EVALUATION AND AGREEMENT AWARD

3.1 Application Evaluation

A. The County will evaluate Applications using the criteria set forth in this RFA. Identified deficiencies, technical requirements, terms and conditions of the RFA, costs or prices, and clarifications may be included among the items for discussion. The discussions are intended to give Applicants a reasonable opportunity to resolve deficiencies, uncertainties and clarifications as requested by the County and to make the cost, pricing or technical revisions required by the resulting changes. In addition, the County may request additional business and administrative information.

B. The County may find that an Applicant appears fully qualified to perform the Agreement or it may require additional information or actions from an Applicant. In the event the County determines that the Application is not responsive or responsible the County shall eliminate the Application from further consideration.

C. The County may enter negotiations with one or more Applicants to finalize Agreement terms and conditions. Negotiation of an Agreement shall be in conformance with applicable federal, state and local laws, regulations and procedures. The objective of the negotiations shall be to reach agreement on all provisions of the proposed Agreement. In the event negotiations are not successful, the County may reject Applications.

D. The County reserves the right to make an award without written and/or oral discussions with the Applicants and without an opportunity to submit Best and Final Offers when deemed to be in the County's best interests. Agreement award, if any, shall be made by the County to the responsible Applicant whose Application best meets the requirements of the RFA, and is most advantageous to the County, taking into consideration price and the other established evaluation factors. The County is not required to award an Agreement to the Applicant offering the lowest price. The County shall have no obligations until an Agreement is signed between the Applicant and the County. The County reserves the right to award one or more agreements as it determines to be in its best interest.

3.2 Responsive and Responsible

Responsive

The County will consider all the material submitted by the Applicant, and other evidence it may obtain otherwise, to determine whether the Applicant is in compliance with the terms and conditions set forth in this RFA.

- compliance with federal, state and local laws and ordinances relating to public contracts;
- other information having a bearing on the decision to award the Agreement.

Failure of an Applicant to be deemed responsible or responsive may result in the rejection of an Application.

3.3 Financial Resources and Auditing

If requested by the County, prior to the award of an Agreement, the Applicant shall submit proof of adequate financial resources available to carry out the execution and completion of work required by the subsequent Agreement.

King County reserves the right to audit the agency throughout the term of the subsequent Agreement to assure the agency's financial fitness to perform and comply with all terms and conditions contained within the Agreement. King County will be the sole judge in determining the agency's financial fitness in carrying out the terms of the Agreement.

If an Applicant considers any portion of its Application to be protected under the law, the Applicant shall clearly identify each such portion with words such as "CONFIDENTIAL," "PROPRIETARY" or "BUSINESS SECRET." If the County determines that the material is not exempt from public disclosure law, the County will notify the Applicant of the request and allow the Applicant ten (10) Days to take whatever action it deems necessary to protect its interests. If the Applicant does not take such action within said period, the County will release the portions of the Application deemed subject to disclosure. By submitting an Application, the Applicant assents to the procedure outlined in this subsection and shall have no claim against the County on account taken under such procedure.
