RFA Summary

Summary Description

PHSKC Jail Health Services currently contracts with an organization to provide methadone continuation medication administration for those coming into jail. Jail Health Services seeks to expand contracted services for methadone continuation treatment, including medication administration for individuals entering the jail who are verified to be receiving methadone treatment in the community.

This solicitation aims to expand methadone dosing, initiation and support services through a partnership between King County Jail Health services (JHS) and an Opioid Treatment Program (OTP) aka the "Contractor". This document outlines the scope of work for this contract with an end goal of establishing a fixed-med unit, which is an embedded, full-service OTP clinic housed on site at each correctional facility staffed by the Contractor and working in coordination with JHS. Services will be rendered within facilities managed by the King County Department of Adult and Juvenile detention (DAJD) on behalf of JHS. Methadone expansion is a sub-project within a larger JHS project to grow Medications for Opioid Use Disorder (MOUD) services and treatment with King County Correctional facilities, King County Correctional Facility (KCCF) and Maleng Regional Justice Center (MRJC).

SECTION 3 APPLICATION EVALUATION AND AGREEMENT AWARD

3.1 Application Evaluation

A. The County will evaluate Applications using the criteria set forth in this RFA. If deemed necessary, written and/or oral discussions, site visits or any other type of clarification of Application information may be conducted with those Applicants whose Applications are found to be potentially acceptable. Identified deficiencies, technical requirements, terms and conditions of the RFA, costs or prices, and clarifications may be included among the items for discussion. The discussions are intended to give Applicants a reasonable opportunity to resolve deficiencies, uncertainties and clarifications as requested by the County and to make the cost, pricing or technical revisions required by the resulting changes. In addition, the County may request additional business and administrative information.

B. The County may find that an Applicant appears fully qualified to perform the Agreement or it may require additional information or actions from an Applicant. In the event the County determines that the Application is not responsive or responsible the County shall eliminate the Application from further consideration.

C. The County may enter negotiations with one or more Applicants to finalize Agreement terms and conditions. Negotiation of an Agreement shall be in conformance with applicable federal, state and local laws, regulations and procedures. The objective of the negotiations shall be to reach agreement on all provisions of the proposed Agreement. In the event negotiations are not successful, the County may reject Applications.

D. The County reserves the right to make an award without written and/or oral discussions with the Applicants and without an opportunity to submit Best and Final Offers when deemed to be in the County's best interests. Agreement award, if any, shall be made by the County to the responsible Applicant whose Application best meets the requirements of the RFA, and is most advantageous to the County, taking into consideration price and the other established evaluation factors. The County is not required to award an Agreement to the Applicant offering the lowest price. The County shall have no obligations until an Agreement is signed between the Applicant and the County. The County reserves the right to award one or more agreements as it determines to be in its best interest.

3.2 Responsive and Responsible

Responsive

The County will consider all the material submitted by the Applicant, and other evidence it may obtain otherwise, to determine whether the Applicant is in compliance with the terms and conditions set forth in this RFA.

Responsible

In determining the responsibility of the Applicant, the County may consider:

- the ability, capacity and skill to perform the Agreement and provide the service required;
- the character, integrity, reputation, judgment and efficiency;
- financial resources to perform the Agreement properly and within the times proposed;
- the quality and timeliness of performance on previous agreements with the County and other agencies, including, but not limited to, the effort necessarily expended by the County and other agencies in securing satisfactory performance and resolving claims;
- compliance with federal, state and local laws and ordinances relating to public contracts;
- other information having a bearing on the decision to award the Agreement.

Failure of an Applicant to be deemed responsible or responsive may result in the rejection of an Application.

3.3 Financial Resources and Auditing

If requested by the County, prior to the award of an Agreement, the Applicant shall submit proof of adequate financial resources available to carry out the execution and completion of work required by the subsequent Agreement.

King County reserves the right to audit the agency throughout the term of the subsequent Agreement to assure the agency's financial fitness to perform and comply with all terms and conditions contained within the Agreement. King County will be the sole judge in determining the agency's financial fitness in carrying out the terms of the Agreement.

3.4 Public Disclosure of Applications

This solicitation is subject to the Washington Public Records Act, RCW (Revised Code of Washington) 42.56 et seq. Applications submitted under this RFA shall be considered public documents unless the documents are exempt under the public disclosure laws. After a decision to award the Agreement has been made, the Applications shall be available for inspection and copying by the public.

If an Applicant considers any portion of its Application to be protected under the law, the Applicant shall clearly identify each such portion with words such as "CONFIDENTIAL," "PROPRIETARY" or "BUSINESS SECRET." If the County determines that the material is not exempt from public disclosure law, the County will notify the Applicant of the request and allow the Applicant ten (10) Days to take whatever action it deems necessary to protect its interests. If the Applicant does not take such action within said period, the County will release the portions of the Application deemed subject to disclosure. By submitting an Application, the Applicant assents to the procedure outlined in this subsection and shall have no claim against the County on account taken under such procedure.

3.5 Term of the Agreement

If an Agreement is awarded based on this RFA, it may allow for the initial agreement period to be for one (1) year from the start date of the agreement, with an extension for ___3___ additional one-year periods for a total agreement duration of ___4____ years, in accordance with the County's best interest and at the sole option of the County. 3. County's receipt or acceptance of Contractor's evidence of insurance without comment or objection, or County's failure to request certified copies of such insurance does not waive, alter, modify or

invalidate any of the insurance requirements set forth above or, consequently, constitute County's acceptance of the adequacy of Contractor's insurance or preclude or prevent any action by County against Contractor for breach of the insurance requirements.

E. Insurance for subcontractors

1. If the Contractor subcontracts any portion of this Contract pursuant to Section XIII, the Contractor shall include all subcontractors as insureds under its policies or shall require reasonable and appropriate insurance coverage and insurance limits to cover each of the subcontractors liabilities given the subcontractor's scope of work and the services being provided herein.
