RFA Summary

Summary Description

This Request for Application (RFA) is released by Public Health – Seattle & King County (PHSKC) for Ryan White Part A (RWPA) program funds. PHSKC is seeking applications from agencies interested in using these funds to provide HIV-related care services to low-income people living with HIV in the Seattle Transitional Grant Area (TGA) of King, Snohomish, and Island counties.

The purpose of this RFA is to:

- Improve health outcomes for Ryan White clients as indicated by the achievement of viral load suppression.
- Reduce and/or eliminate Ryan White clients' barriers to access and maintenance in care.
- Increase treatment adherence.
- Reduce disparities in health outcomes in minority communities in the TGA that are disproportionately affected by HIV.
- Re-engage lost to care clients and enrollment into Ryan White programs and services.

RFA Goals

Every year, the Seattle TGA HIV Planning Council prioritizes and allocates resources for how Ryan White Part A service category funds are to be spent in the TGA. The Planning Council determines what resources are available to low-income people living with HIV, where there are gaps in the HIV system of services, and what clients have indicated are services that they need but have not received.

To meet these needs, PHSKC seeks to fund the listed service categories through multiple strategies and contract with a varied group of providers capable of serving diverse communities and geographic areas. The goal is to improve health outcomes for low-income PLWH by ensuring that 90% of clients in funded serviced demonstrate engagement and retention in HIV medical care and 95% of clients achieve viral suppression. For MAI – Early Intervention Services the goal is that 100% of those who test positive are linked to HIV care within 30 days of diagnosis. Funded applicants will be expected to report progress in meeting these benchmarks.

Pre-Application Conference

Public Health – Seattle & King County (PHSKC) will conduct one pre-Application conference for this RFA. This conference will be an opportunity for interested organizations to hear more about the program and to ask questions about the program and/or the application process.

Selection Process

This RFA process is competitive. ***An applicant must meet the following threshold requirements for their applications to be forwarded to the Objective Review Committee (ORC), reviewed by the ORC, and be considered for possible funding:***

- The Applicant meets eligibility requirements in Section 1.2.
- **The application is submitted on time. Applications received after the deadline will be returned without review. There are no exceptions.**
- The application is complete and satisfactorily (per the ORC) addresses each of the required elements including all elements outlined in the RFA.
- The application does not exceed page limitations and follows the instructions for margins, spacing, and font size.
- The proposed use of funds meets the service category and funding requirements.

Incomplete applications will not be forwarded to the Objective Review Committee (ORC). May change based on technical review revisions.

Both Ryan White Part A program staff and an Objective Review Committee will review all responsive applications. All applications that are complete and deemed Responsive and Responsible (please refer to Section 2.2 for additional details) are reviewed and individually scored by members of the Objective Review Committee (ORC). **Simply meeting the threshold requirements is not sufficient to receive an award.** Evaluation of the applications will have a possible maximum of 100 points. Points will be awarded based on how clearly and completely the applicant responds to the information requested. Applications will be ranked according to score. The Objective Review Committee will base funding recommendations on these rankings, within allocation and service priority guidelines.

However, the Objective Review Committee and/or PHSKC reserve the right to recommend funding to lower scoring applicants to obtain a specialized service or otherwise meet a specified need not effectively addressed by the applications received. The RWPA Program Manager will forward the Objective Review Committee's funding recommendations to the Prevention Division Director. The Division Director will review all recommendations for conformity to rating criteria standards, established priorities, and funding principles.

Following the Division Director's approval, agencies will be notified of their awards. If funds awarded differ from the amount requested in the application or if contingencies are placed on the award, revised scopes of work (including estimated service unit forms) and budgets must be provided by the subrecipient agency within ten (10) business days of receipt of award letter.

PHSKC reserves the right to make awards without further discussion of the proposal submitted. If the application is selected for funding, applicants should be prepared to accept the proposed terms for incorporation into a contract resulting from this RFA.

PHSKC also reserves all rights not expressly stated in the RFA, including making no awards or awarding partial funding and negotiating with any proposer regarding the funding amount and other terms of any contract resulting from this RFA.

If Selected, what are the next steps?

A representative of the PHSKC program will reach out to the awarded Applicant to begin negotiations on the program elements of the Agreement. The Applicant shall submit within five (5) Days of notification from the County the following:

SECTION 1 PROJECT SPECIFICATIONS AND SCOPE OF WORK

1.1 - Introduction

This Request for Application (RFA) is released by Public Health – Seattle & King County (PHSKC) for Ryan White Part A (RWPA) program funds. PHSKC is seeking applications from agencies interested in using these funds to provide HIV-related care services to low-income people living with HIV in the Seattle Transitional Grant Area (TGA) of King, Snohomish, and Island counties. PHSKC seeks to fund multiple strategies and contract with a varied group of providers capable of serving diverse communities and geographic areas within the TGA.

The purpose of this RFA is to:

- Improve health outcomes for Ryan White clients as indicated by the achievement of viral load suppression.
- Reduce and/or eliminate Ryan White clients' barriers to access and engagement in care.
- Increase treatment adherence.
- Reduce disparities in health outcomes for minority communities in the TGA that are disproportionately affected by HIV.
- Re-engage clients that are not in care and return them to care services.

There is approximately \$5,605,412 available for a 12-month period. Of this amount, \$5,195,560 is for Part A funded services and \$409,852 is Minority AIDS Initiative (MAI) funding. MAI funds must be used to provide services to disproportionately affected minority populations (see table in section 1.3 for more details).

Services funded by this RFA must fall into one of the categories listed on the table in section 1.3. These categories are defined by the Health Resources and Services Administration (HRSA) and prioritized for funding by the Seattle TGA HIV Planning Council, a body made up of Ryan White clients and service providers. More information on these service categories can be found in each Service Category Packet.

Successful applicants selected through this competitive process will receive contracts with PHSKC for the contract period of March 1, 2025, through February 29, 2026. **Future funding is contingent on applicant's performance in achieving deliverables and meeting objectives, funding made available from HRSA to PHSKC, and the Planning Council allocations.**

This RFA does not obligate PHSKC to complete the RFA process or to enter into any agreement. Agencies and/or individuals responding to the RFA assume all risk and costs associated with the submission of their applications.

1.2 - Agency Eligibility Requirements

An agency must meet all of the following qualifications to be eligible to compete for the funds through this RFA:

- Agencies must be public or nonprofit and public corporations, commissions, or authorities.
- Agencies must comply with the Americans with Disability Act (ADA) and service locations must be accessible by public transportation.
- Both the applying agency and any partner agency(ies) must meet the eligibility criteria. **For-profit agencies are not eligible for funding through this RFA.** HRSA regulations prohibit not-for-profit agencies from serving as

conduits that pass awards to for-profit corporations. Subcontracting with governmental agencies is not allowed.

- Agencies must ensure the confidentiality of all client records including any records of HIV/AIDS status. Pursuant to federal Health Insurance Portability and Accountability Act (HIPAA) requirements, agencies must agree to maintain the data on individuals received or to which the agency has access according to the statutory provisions applicable to the data.
- All agencies must comply with the federal Uniform Guidance, as applicable. All sub-recipients expending \$750,000 or more of federal assistance in a fiscal year shall obtain a financial and compliance audit made in accordance with the Single Audit Act. Failure to comply with these requirements could result in forfeiture of federal funds.
- Applicants must be willing to meet all other standard contract requirements outlined in the King County Terms and Conditions (see Attachment 2).
- Applicants must demonstrate the ability to provide services specifically for HIV-positive persons. The only exception to this is in the Early Intervention Services category where the goal is to find those who do not know their HIV status and provide testing, as well as provide referrals and linkages to HIV care services for those who test positive. Successful applicants will be required to ensure that staff members have knowledge of HIV, training, and cultural sensitivity appropriate to the populations that they serve. **Successful applicants must have the capacity to provide services in the languages spoken by the populations served.**

1.3 - Client Eligibility Requirements

Based on federal and local decisions, individuals are eligible for all Ryan White Part A services (except Early Intervention Services – see below) if the client is a resident of King, Snohomish, or Island counties, are living with HIV, and are below 500% of the Federal Poverty Level. Eligibility must be processed through the client-level database, Provide Enterprise, with supporting documentation and renewed annually, except for interventions that are intended to be short-term such as Emergency Financial Assistance. **Note:** Eligibility for MAI – NMCM includes the requirement that the client be member of a racial/ethnic community that is disproportionately affected by HIV.

Eligibility for Early Intervention Services is limited to residence unless there is an HIV-positive test result.

1.5 – Additional Requirements

The following are required of all agencies who contract with PHSKC as a result of a successful award of funds connected to this RFA:

A. Partnership and Collaboration with other agencies

A strong continuum of HIV services and funding partnerships has existed for many years in our service area. Funded agencies are expected to provide services that complement and expand existing resources through collaboration and partnerships that enhance service quality, minimize duplication, and bring other resources into the system.

B. Diversity and Culturally Appropriate Services

The agencies that receive funding are expected to honor and respect the diversity of experiences, backgrounds, beliefs, language, interpersonal styles, and behaviors of individuals and families. In the service area, members of certain racial and ethnic groups are disproportionately affected by HIV/AIDS including men who have sex with men (MSM) and people from communities of color. In addition, disparities in access to health care and social services exist among populations affected by HIV/AIDS because of cultural, linguistic, economic and geographic barriers.

PHSKC expects agencies responding to this RFA to provide services in a culturally appropriate manner to increase access to health care and supportive services.

Clinical Quality Management

HRSA mandates that all programs receiving Ryan White funding establish a Clinical Quality Management (CQM) program to ensure services provided meet established standards, improve care, client satisfaction, and health outcomes. Additionally, the CQM program must use data to measure performance and develop quality improvement initiatives.

In response to this mandate, PHSKC requires that all funded programs develop an annual QM Plan. The QM Plan must include at least one annual quality improvement goal, and two quality measures determined by PHSKC. The plan must also describe how the agency will involve clients in their QM programs and outline how the agency will measure and address issues of client satisfaction.

Funded programs must agree to participate in an annual programmatic and QM site visit to assess their performance on the General and Categorical Standards of Care as well as verify progress on implementing their annual QM Plan and achieving their annual Quality Improvement (QI) goal.

Programs are expected to participate in TGA-wide quality management activities, including but not limited to defining, measuring, and reporting on quality measures and engaging in projects to improve on TGA-wide improvement goals.

Data Requirements

All agencies will be required to collect and report client-level data on services provided throughout the year.

Provide Enterprise is a state-wide, centralized data system to be used by funded applicants. Provide is used to collect demographic and service utilization information about clients. Agencies will be required to routinely enter participant data so PHSKC may generate monthly service reports.

C. Invoices for reimbursement

Specific reimbursement formats and requirements will be detailed in contract agreements. Please note:

1. Invoices must be submitted monthly on the Invoice Form as provided in the contract within fifteen (15) working days after the end of each month.
2. With all monthly invoices, agency must provide source documentation that supports expenditures of Ryan White Part A program funds. The purpose of the review of source documentation is threefold: (1) to match the expenditures appearing on the invoice with the source documents; (2) to ensure that expenditures meet contractual and programmatic requirements; and (3) to determine if the expenditures were properly authorized and properly allocated to the Ryan White grant. Based on the results of the review, PHSKC may request additional documentation. The review may also trigger more extensive monitoring by PHSKC. **Note: Every Ryan White-funded service unit delivered must be able to be tied directly back to a RW-eligible client who received the service.**
3. At a minimum, funded agencies will be required to submit the following with each invoice: (1) signed and approved timesheets indicating full time and effort documentation for staff who work on the Ryan White program; (2) a payroll register; (3) a printout from their agency's General Ledger (GL) documenting each cost that appears on the monthly invoice. The GL printout must demonstrate that the costs billed to Ryan White Part A are posted in a unique cost center and must indicate only costs attributable and billable to the Ryan White Part A grant; and (4) receipts or invoices for all direct expenses incurred. In addition, PHSKC staff will extract client data from the centralized data system to support expenditures included on invoices. Failure to have current data entered into the centralized data system could result in delay of payment and/or requests for additional documentation.
4. Ryan White is considered Payer of Last Resort. Agencies that are awarded agreements through this RFA will be required to document in client files how each client was screened for and enrolled in eligible third-party programs to pay for those services that are billable. Any service or unit of service provided to a client who is eligible for another payer source is not an allowable cost under this contract.

D. Contracts

If the Application outlines services to be provided by different agencies or other organizations, the contract will be solely with the Applicant, who will be required to assume responsibility for all obligations under the contract. Any proposed subcontractors will be subject to the County's approval.

Agencies will be required to consult with PHSKC's Ryan White Part A Program contract management staff on the development and content of all products related to the delivery of the services they are funded to provide. This includes all brochures, educational, and outreach materials. If there are any new developments in the program or budget, agency must request approval from their Ryan White Contract Monitor before their occurrence during the grant period. The funder will conduct at least one programmatic, quality management, and fiscal site visit during the contract period.

Agencies must adhere to the General Standards of Care and Service Category-specific Standards of Care as outlined in the Service Category Packets. Additionally, Agencies will be required to adhere to HRSA's National Monitoring Standards as required by this fund source.

The failure of an Applicant to comply with the above requirement shall in no way relieve the Applicant from any obligations with respect to its Application or to any Agreement awarded pursuant to this RFA. No claim for additional compensation shall be allowed which is based upon a lack of knowledge or misunderstanding of this RFA.

2.10 Cost of Applications and Samples

The County is not liable for any costs incurred by Applicant in the preparation and evaluation of Applications submitted. Samples of items required must be submitted to location and at time specified. Unless otherwise specified, samples shall be submitted with no expense to the County. All proposed changes shall be tracked in the Agreement using the tracking changes feature in Microsoft Word®. Identifying any exceptions does not affect your score, and does not guarantee that those exceptions will be accepted by the County if your agency is selected.

The project schedule is such that it requires a very efficient Application review and negotiation period. It is very important that any possible roadblocks or issues the Applicant may have with the terms and conditions are identified during the Application process and resolved prior to proceeding with the Agreement negotiations.

SECTION 3 APPLICATION EVALUATION AND AGREEMENT AWARD

3.1 Application Evaluation

- A. The County will evaluate Applications using the criteria set forth in this RFA. If deemed necessary, written and/or oral discussions, site visits or any other type of clarification of Application information may be conducted with those Applicants whose Applications are found to be potentially acceptable. Identified deficiencies, technical requirements, terms and conditions of the RFA, costs or prices, and clarifications may be included among the items for discussion. The discussions are intended to give Applicants a reasonable opportunity to resolve deficiencies, uncertainties and clarifications as requested by the County and to make the cost, pricing or technical revisions required by the resulting changes. In addition, the County may request additional business and administrative information.
- B. The County may find that an Applicant appears fully qualified to perform the Agreement or it may require additional information or actions from an Applicant. In the event the County determines that the Application is not responsive or responsible the County shall eliminate the Application from further consideration.
- C. The County may enter negotiations with one or more Applicants to finalize Agreement terms and conditions. Negotiation of an Agreement shall be in conformance with applicable federal, state and local laws, regulations and procedures. The objective of the negotiations shall be to reach agreement on all provisions of the proposed Agreement. In the event negotiations are not successful, the County may reject Applications.
- D. The County reserves the right to make an award without written and/or oral discussions with the Applicants and without an opportunity to submit Best and Final Offers when deemed to be in the County's best interests. Agreement award, if any, shall be made by the County to the responsible Applicant whose Application best meets the requirements of the RFA, and is most advantageous to the County, taking into consideration price and the other established evaluation factors. The County is not required to award an Agreement to the Applicant offering the lowest price. The County shall have no obligations until an Agreement is signed between the Applicant and the County. The County reserves the right to award one or more agreements as it determines to be in its best interest.

3.2 Responsive and Responsible

- compliance with federal, state and local laws and ordinances relating to public contracts;

Failure of an Applicant to be deemed responsible or responsive may result in the rejection of an Application.

3.3 Financial Resources and Auditing

If requested by the County, prior to the award of an Agreement, the Applicant shall submit proof of adequate financial resources available to carry out the execution and completion of work required by the subsequent Agreement.

King County reserves the right to audit the agency throughout the term of the subsequent Agreement to assure the agency's financial fitness to perform and comply with all terms and conditions contained within the Agreement. King County will be the sole judge in determining the agency's financial fitness in carrying out the terms of the Agreement.

If an Applicant considers any portion of its Application to be protected under the law, the Applicant shall clearly identify each such portion with words such as "CONFIDENTIAL," "PROPRIETARY" or "BUSINESS SECRET." If the County determines that the material is not exempt from public disclosure law, the County will notify the Applicant of the request and allow the Applicant ten (10) Days to take whatever action it deems necessary to protect its interests. If the Applicant does not take such action within said period, the County will release the portions of the Application deemed subject to disclosure. By submitting an Application, the Applicant assents to the procedure outlined in this subsection and shall have no claim against the County on account taken under such procedure.

3.5 Term of the Agreement

If an Agreement is awarded based on this RFA, it may allow for the initial agreement period to be for one (1) year from the start date of the agreement, with an extension for two (2) additional one-year periods for a total agreement duration of three (3) years, in accordance with the County's best interest and at the sole option of the County.
