

IN-HOME COVID-19 VACCINATION

Do you or someone you care for have difficulty leaving home? Schedule a NO-COST in-home COVID-19 vaccination!

Who is eligible for in-home vaccination?

You may qualify if you are:

- Eligible for a COVID-19 vaccine and
- Have an acute or chronic illness, limited mobility, injury, developmental disability, or mental health condition that makes it difficult to leave the home.

Most insurance plans are accepted. People who are uninsured can get vaccination at no cost. You will not be asked about citizenship or immigration status.

How can I request an in-home vaccination appointment?

- Call **206-848-0243** or email vaccineinfo@kingcounty.gov.
- If you have a disability and need accommodation, please tell us what you need when connected.
- If you need interpretation, please say your language when connected.
