

PHSKC Plumbing & Gas Piping Newsletter Archive Registry

(Updated November 2024)

Notes about the newsletter archive:

1. Special announcements that have expired or are otherwise no longer valid (hiring announcements, survey invitations, etc.) may be periodically removed from this registry.
2. Newsletter articles are provided as a courtesy to the public and are meant to reflect information currently available at the time the article was written. Due to the dynamic nature of Codes, regulations, and the construction industry in general, some of the information contained within past articles may be outdated. Please check with PHSKC directly for current guidelines and enforcement information.
