Washington Medicaid Program covers limited dental services for all adults Washington State residents with Washington Apple Health (ProviderOne / Medicaid) for clients 21 years of age and older. Includes people who already have Medicaid AND people who are eligible for "Expanded Medicaid," part of health care reform (Obamacare). Comprehensive services included for pregnant people plus one year of postpartum coverage. For community-clinic walk-ins, be sure to state "I'm in pain" when seeking emergency treatment, and for those with Medicare, a sliding scale and reduced fees may be available. If a Medicaid provider is charging for services covered under Medicaid, you may call 1-800-562-3022 and register a complaint which will then go through the appropriate process for resolution.
