

## Dental providers accepting WASHINGTON APPLE HEALTH (Medicaid) for CHILDREN living in King County

*For additional King County Dental Resource Lists, visit our websites*

*COVID-19 pandemic has required dental offices and clinics to change the way they provide care. You may see some changes at your child's next appointment. These changes are to help protect patients and staff following recommendations made by the American Dental Association (ADA), Center for Disease Control (CDC), Occupational Safety, Health Administration (OSHA), and the Washington Department of Health. All dental offices and community clinics are practicing social distancing, and requiring face masks, as required by the Governor until further notice.*
