King County tests the water at many popular public swimming beaches on Lake Washington, Lake Sammamish, Green Lake, and other lakes. Public Health – Seattle & King County reviews the water test results to see if there is too high a chance of people getting sick from swimming or playing in the water. For a map and list of the beaches where we test the water, see www.kingcounty.gov/swimbeach

*Weekdays = Monday-Friday; Weekends = Saturday and Sunday
