General Obligation Bonds

The Board of Directors of Riverview School District No. 407 has approved Resolution No. 25-8, concerning a proposition for bonds. This proposition would authorize the District to replace Tolt Middle School and repurpose portions of the campus for flexible community and gym space; make safety and security improvements to school entrances; expand, reconfigure and make systems and other capital improvements to schools and facilities districtwide, by issuing up to $185,500,000 of general obligation bonds maturing within 20 years, and levying annual excess property taxes to repay the bonds, all as described in Resolution No. 25-8.

Should this proposition be:

Approved

Rejected

Requirement passage: 60% yes vote and a minimum turnout of 40% of voters casting ballots in last general election (Washington Constitution, art. VII, sec. 2(b))

Passage of Proposition 3 would enable Riverview School District to Replace Tolt Middle School and repurpose portions of the campus for flexible community and gym space; upgrade HVAC systems and building controls at all schools; replace the roof and Performing Arts Center lighting at Cedarcrest High School; improve fire protection, secure entries, and main office traffic flow; reconfigure and update building spaces at Carnation Elementary School; enhance playfields at all elementary schools; upgrade athletic fields, tracks, and lighting; renovate space for transportation and community use; and make district-wide safety, building, and systems improvements.

These projects will address major facility and program needs, modernize technology and student learning environments, improve safety and security, and improve and expand playfields and athletic facilities for student and community use.

Tax exemptions may be available to homeowners who are 61 or older, or disabled, and who meet certain income requirements. For information regarding exemptions, call the King County Assessor at (206) 296-7300.

Prop. No. 3 will cover *necessary* improvements at every school building in Riverview School District.

Tolt Middle School must be *replaced*, and key existing buildings repurposed for community use. The current Tolt buildings have served their original purpose well but are no longer adequate for today's educational needs. Replacing them with a modern, secure campus will set our students up for a future of success. Creating a new, functional transportation center from some of the existing Tolt buildings and repurposing others for community use creates a win-win scenario for our entire community.

Every elementary school will receive *important safety upgrades* that meet today's standards. These include; secure vestibules, improved surveillance systems, improved fire and freeze protections, and strengthened building structures. The roof; football field lighting and controls; and theater lighting systems at Cedarcrest will be replaced. Your yes vote today delivers *better facilities* at a lower long-term cost.

These are improvements identified by a working committee of Riverview community members, principals, teachers, parents, and students.

Supporting the capital bond means supporting our students, our schools, our future.

Vote Yes for Success.

Proposition No. 1

The complete text of this measure is available at the Elections Office or online at kingcounty.gov/elections.

Replacement Educational Programs Maintenance and Operations Levy

The Board of Directors adopted Resolution No. 25-6 concerning a replacement levy for educational programs. This proposition authorizes the District to replace an expiring levy for educational programs and school operations that are eligible activities and are not state funded by levying the following excess taxes upon all taxable property within the District:

Collection Year	Estimated Levy Rate/$1,000 Assessed Value	Levy Amount
2027	$1.50	$12,882,801
2028	$1.50	$13,268,589
2029	$1.50	$13,665,950
2030	$1.50	$14,075,233

all as provided in Resolution No. 25-6. Should this proposition be approved?

Yes

No

Requirement passage: Simple majority (Wash. Const. art. VII, sec. 2(a))

Passage of Proposition No. 1 would allow Riverview School District No. 407 to renew an expiring levy for educational programs and operations. The proposed levy would authorize collection of supplemental annual excess property taxes of $12,882,801 in 2027, $13,268,589 in 2028, $13,665,950 in 2029, and $14,075,233 in 2030.

If voters approve this proposition, these taxes would be deposited into the District's General Fund and used to pay for day-to-day school operations to meet student needs not funded by the state, including but not limited to: nurses, counselors, safety and security, instructional materials, athletics and extracurricular activities, specialized programs, transportation, instructional staff, maintenance of facilities, and other non-capital expenses necessary in the operation of the District.

Based on projected assessed valuation information, the District estimates a tax rate for this proposed levy of $1.50 per $1,000 of assessed value for each of the four collection years (2027, 2028, 2029, and 2030). A property tax exemption may be available to certain senior or disabled homeowners who meet specified income limits. For information regarding exemptions, call the King County Assessor at (206) 296-7300.

Prop. No. 1 will *renew* the levy that voters passed in 2022 and that expires this year. Levies account for approximately 16% of the Riverview School District's annual general operating budget. This fund pays for *necessary* operational expenses, including staffing (i.e. salaries for teachers, counselors, nurses, safety officers, and custodians). This is not a new tax.

All students in the Riverview School District deserve a quality education. The EP&O Levy helps to create an educational environment that benefits *all* students by funding alternative education options; multi-language programs; and extracurriculars such as athletics, music programs, and theater.

Vote Yes for Quality.

Replacement Technology and Capital Projects Levy

The Board of Directors adopted Resolution No. 25-7 concerning a proposition for a technology and capital projects levy. This proposition authorizes the District to levy the following excess taxes upon all taxable property within the District to acquire technology and equipment, including classroom computers; make repairs to building systems, add portable classroom space and make safety and security upgrades:

Collection Year	Estimated Levy Rate/$1,000 Assessed Value	Levy Amount
2027	$0.56	$4,800,000
2028	$0.54	$4,800,000
2029	$0.53	$4,800,000
2030	$0.51	$4,800,000

all as provided in Resolution No. 25-7. Should this proposition be approved?

Yes

No

Requirement passage: Simple majority (Wash. Const. art. VII, sec. 2(a))

Explanatory statement

Passage of Proposition No. 2 would enable the Riverview School District No. 407 to renew an expiring levy for capital projects and technology needs. The proposed levy would authorize collection of supplemental annual excess property taxes of $4,800,000 in 2027, 2028, 2029, and 2030.

If voters approve this proposition, these taxes would be deposited into the District's Capital Projects Fund and used to modernize its educational facilities through the acquisition and installation, implementation and management of computer technology and technology systems, facilities and projects, including but not limited to software licensing, student devices, classroom upgrades including the acquisition of Career and Technical Education classroom equipment, enhancing school safety and network infrastructure, sustaining necessary technology staffing, and implementing online applications, subscriptions, including upgrades and incidental services, and training related to the installation of the foregoing as an integral part of the District's technology systems, facilities, or projects; and supporting ongoing maintenance and building improvements.

Based on projected assessed valuation information, the District estimates a tax rate for this proposed levy of between $0.51 and $0.56 per $1,000 of assessed value for each of the four collection years (2027, 2028, 2029, and 2030). A property tax exemption may be available to certain senior or disabled homeowners who meet specified income limits. For information regarding exemptions, call the King County Assessor at (206) 296-7300.

Prop. No. 2 will *renew* the levy that voters passed in 2022 and that expires this year. This is not a new tax. The funds provided by the Technology and Capital Projects Levy are crucial for the ongoing maintenance of our schools. Facilities projects such as painting, flooring, electrical and HVAC work, paving, and lighting are paid for by this levy.

This levy ensures that the essential technological tools our students learn from and interact with are modern, safe, and reliable. This includes the larger scale infrastructure and network security that maintains connectivity throughout the district.

In addition to cyber security, there are important upgrades to the *physical* security of our campuses that are covered by the Technology and Capital Projects Levy so families can feel confident that schools are prepared and protected.

Vote Yes for Safety.
