November 4, 2025 General and Special Election

King County

Official Local Voters' Pamphlet

A letter from the

Director

Dear Voters and Future Voters,

Whatever it is that you care about, this November's election will have an impact for years to come. You're voting on your representatives for everything from State Senator to Water District Commissioner. There are also several measures on the ballot, where you get the chance to directly decide the law.

No matter the issue or the viewpoint that gets you moving – go vote.

Watch for your ballot in the mail and then fill in your ovals, sign, and return it right away. Drop it in your local drop box (there are 85 across King County). Election Day is November 4 but there is no need to wait. Go vote as soon as you can.

Sign up for ballot alerts to get text or email alerts about when your ballot's received back at Elections HQ, and when it's ready to be counted.

As you get ready to vote, take a few moments to fill out the vote plan on page 11, and then help your friends and family make their own plan to vote and make their voices heard.

Give us a call at 206-296-VOTE (8683) if you need help getting registered, getting your ballot, or need other accessible voting options. As always, we're here to help.

Happy voting,

Juli Wise

Everyone's Voice Matters

If you are awaiting trial, serving a sentence for a misdemeanor, or are no longer incarcerated for a felony, you can vote.

1. Get registered.

Register to vote online at **VoteWA.gov** or call King County Elections at **206-296-VOTE** (8683) to request a voter registration form. Fill out the form and mail it to **King County Elections**, **919 SW Grady Way**, **Renton**, **WA 98057**.

The right to vote is automatically restored after you serve your sentence, **but you must register!**

2. Get your ballot.

You can list the detention center address as your mailing address, or have a loved one forward your ballot to you.

If you need help getting your ballot, call us at **206-296-VOTE** (**8683**). We will work with you and the detention center to get your ballot to you.

3. Return your ballot.

You do not need a stamp to return your ballot. A postmark on or before Election Day is required, so we recommend voting as early as possible to ensure it can make it to USPS in time for a postmark.

King County Elections accepts calls from detention centers. Call us at **206-296-VOTE** (8683) and trained staff will assist you. We're here to help!

About Washington's November General

If a primary election was held for an office, the two candidates who received the most votes in the Primary advanced to the General Election.

Each candidate for partisan office may state a political party that the candidate prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.

Executive

Girmay Zahilay

campaign@electgirmay.com electgirmay.com

Occupation: Chair, King County Council; Sound Transit Board; Former Attorney, PerkinsCoie

Statement: I'm proud to be endorsed by Governor Bob Ferguson, Congresswoman Pramila Jayapal, Congressman Adam Smith, Attorney General Nick Brown, Planned Parenthood Alliance Advocates, Alliance for Gun Responsibility, King County Democrats, business leaders and the most labor unions. I have earned their support because of my unmatched track record and clear vision for the future of King County.

Too many people are doing everything right and still falling behind. After decades of failed promises and business as usual, we are all frustrated. We can do better. As Executive, I'll focus relentlessly on accountability. Every tax dollar must deliver safer, healthier, and more affordable communities.

I know how hard it is to make ends meet. I was raised in South Seattle by a single mother after our family arrived as refugees. We experienced homelessness, lived in public housing, and relied on food stamps. Today, I'm a husband and father raising my own family here. That's what drives me to make government work better for everyone.

That experience also led me to a life of service. I clerked in the Obama White House, practiced business law at top national firms, and founded and ran a national youth education nonprofit. I've spent my career expanding opportunity and delivering results.

As Council Chair, I led the work to fund new addiction recovery centers, fund our first responder system for public safety, pass eviction prevention laws to keep people housed, advance King County's gun violence prevention strategy, increase the minimum wage, and invest in thousands of new affordable homes.

These are real solutions. As Executive, I'll tackle our urgent challenges head-on—ending homelessness, improving public safety, defending reproductive rights, expanding addiction care, addressing climate change, and helping small businesses thrive. If you're ready for a new leader who delivers, I'd be honored to earn your vote.

Claudia Balducci

info@claudiabalducci.com

Education: J.D., Columbia University; B.A., Providence College; NW Women's Law Center (Legal Voice)

Occupation: County Councilmember (Chair 2020-2023); Sound Transit Vice-Chair; Former Bellevue Mayor

Statement: King County is at a crossroads — and business as usual isn't working. Too many neighbors are being priced out. Homelessness remains a crisis. Rollbacks of rights threaten our safety and economy. These uncertain times require the decades of proven leadership that I bring. I'm the only candidate with executive experience leading a large agency and a record of fixing broken systems. As Executive, I'll ensure every dollar delivers real, measurable results. The Seattle Times called me "best suited to lead the region to better days."

Committed to being King County's "Housing Executive," I've delivered thousands of new homes and laid the foundation for hundreds of thousands more, as well as emergency shelter and supportive housing. The Urbanist endorses my plan to build 44,000 more, calling it "ambitious and achievable."

A former countywide safety leader, I'll balance accountability and compassion to keep communities safe. Moms Demand Action gave me a "Candidate Distinction" for reducing gun violence and former Sheriff Sue Rahr endorses my "understanding of the system, ability to drive change, and consistent work toward safer communities."

I overcame fierce opposition to expand light rail to the Eastside and am delivering South County service ahead of schedule, in addition to transit and pedestrian/bike improvements. *Transportation4WA calls me "the region's undisputed leader on light rail expansion, transit safety, & building trails across the county."*

I'll use my legal experience to fight federal overreach, from reproductive justice to immigrant and LGBTQ+ rights. The Progressive Voters Guide praises my "vision of an inclusive, vibrant, and climate-friendly county where all residents can thrive."

My promise to you: proven leadership to deliver bold *and* achievable results. *Endorsed: The Seattle Times; Firefighters; King County Democrats; Affordable Housing Council; Transportation4WA; Snoqualmie Tribe; Win With Women; Eastside Business Alliance; Unions; 18 Mayors; over 100 elected and community leaders.*

Council District No. 3

Sarah Perry

(206) 228-0505 sarah@electsarahperry.org electsarahperry.org

Education: Seattle University and Ohio State studying transformational leadership, political science

Occupation: King County Council Member, former small business owner, non-profit executive

Statement: After holding over 700 meetings with neighbors, small business owners, first responders, and more in her first term, and receiving thousands of responses to her annual district-wide survey, Sarah is deeply aware of the priorities of our district, and has a track record of delivering for us, including over \$275 million in District 3 investments.

With infrastructure investments and safety a top priority in our district, Sarah has prioritized safety on our roads and bridges, expanded access to reliable transit, secured federal funding for the new Eastrail bike trail, prepared for light rail expansion, and supported funding for Snoqualmie Valley Transit. She also increased investments in our Sheriff's Deputies for more patrols throughout our unincorporated areas.

An environmental champion, Sarah prioritizes clean water, healthy habitats, and open spaces. Committed to housing affordability for all income levels, she is creating zoning incentives to build more housing units and dedicated more than \$166 million for affordable and supportive housing. A mom and former small business owner, Sarah understands the financial pressures we face and the need to remove unnecessary barriers to success for all. She is a champion for our urban and rural economies, supporting small businesses and farms.

In the face of federal uncertainty, Sarah is steadfast in her support of health clinics and emergency services. With our vote, she'll build on her record of thoughtful and results-focused leadership, protecting the health, rights, and prosperity of the hard working people who call our region home.

Endorsed by the Snoqualmie Indian Tribe; Congressmembers Schrier, DelBene, Smith; Governor Ferguson; Public Lands Commissioner Upthegrove; nine local mayors; Washington Conservation Action; Eastside and Redmond Firefighters; MLK Labor and Construction Trades Council; Affordable Housing Council; Planned Parenthood; King County Democrats; 1st, 5th, 12th, 41st, 45th, and 48th LD Democrats; and over 200 elected and local leaders.

Education: MBA, Pacific Lutheran University; BA, Business Administration and Political Science, University of Puget Sound

Occupation: Community Banker; Snoqualmie City Councilmember

Statement: I'm running to create a stronger, safer, and more affordable King County. Our county is full of potential, but we need leadership that prioritizes what matters most. I will ensure your tax dollars are used wisely, with a focus on public safety, housing affordability, and economic opportunity.

As a local business leader, nonprofit board leader, and city councilmember, I've built a track record of solving problems within existing financial constraints. I have helped organizations overcome some of their toughest challenges. I lead by *listening deeply*, acting boldly, and delivering lasting change.

Public safety is paramount. As Chair of Public Safety in my city and a member of the Regional Law, Safety, and Justice Committee, I will continue to advocate for keeping essential facilities open with smart, compassionate solutions, like expanding access to mental health and addiction treatment. We can protect our communities while addressing root causes with dignity.

Housing affordability is personal. I want my kids—and yours—to have the choice to live here. For over a decade, I've brought together community leaders, housing experts, and funders to create real solutions. We've made progress, and I'm ready to take that work countywide to preserve and expand affordable housing.

I also champion local jobs and innovation. I founded the SnoValley Innovation Center to provide free resources to startups and businesses. When COVID forced businesses to close, I helped scores of businesses get the help they needed to survive and bring over \$3 million in aid to our local economy. Then, when they needed help filling positions, I created, managed, and self-funded SnoValleyJobs. com, connecting over 50,000 job seekers with 150 employers.

I bring *energy, experience*, and a *results-driven approach*. Together, we can build a King County that works for everyone. Let's move forward—together. I'd be honored to earn your vote.

Council District No. 9

Jude Anthony

(425) 437-4014 jude@electjude.com electjude.com

Education: BS in Computer Science from the University of Central Florida

Occupation: Amazon Senior Development Engineer, retired

Statement: I'm running for King County Council to give our community a voice and solve the problems we've all faced since before I moved here: unaffordable housing, congested commutes, an unbalanced property tax system, and public safety fears. We can fix these issues, but it will take a vision, action, and persistence. I bring all three.

We need open minds that seek input from the people affected by their decisions. At Amazon, I built a successful software developer training program for underrepresented employees by proactively seeking input from struggling learners. In my campaign, I'm building connections with local aid groups and community members. As Councilmember, I will ensure your voice is heard by holding community meetings before voting on legislation.

We need representatives who take action. I've spent my campaign volunteering at food banks, organizing charity drives, and participating in cleanup projects. Investing in social services saves us money by reducing the need for emergency medical care and criminal justice services. As Councilmember, I'll prioritize funding the essential groups that are already doing the work to keep us fed, sheltered, and safe.

We need problem-solvers with new ideas. I have thirty years of career experience solving complex problems with evidence-based solutions. I plan to replace our broken property and sales tax systems with fair, sustainable revenue streams. With the political will, we can enact the changes our community desperately needs.

I am proud to be endorsed by 314 Action, King County Democrats, Covington Arts Commission Chair Riley Reed, and others on the growing list at ElectJude.com. If you give me the chance, I will leverage the funding and weight of King County to secure food, housing, healthcare, and an opportunity for success - for *all* of us.

Reagan Dunn

Education: University of Washington School of Law, Order of Barristers; Arizona State University, Magna Cum Laude

Occupation: County Councilman; Former Federal Prosecutor; National Coordinator, Project Safe Neighborhoods

Statement: It has been my privilege to be your advocate on the King County Council. I am running for re-election to fight against new and unnecessary taxes, higher fees, and government spending at all levels that are making it harder for working families to be able to afford to live here in King County.

I'm proud to have earned the endorsement of all nine nonpartisan mayors in the district, in addition to numerous police, firefighter and first-responder organizations, and many prominent Democrats and Republicans. I have also been honored as Washington State's Outstanding Local Elected Official of the Year.

County government faces very significant challenges. I will work hard to give law enforcement the tools they need to reduce crime, and I will fight to keep your taxes low. I will continue to prioritize government spending so that critical emergency services and road maintenance are properly funded. Additionally, I am the only member of the King County Council with criminal justice experience, having spent many years working for the Department of Justice. I was appointed by President George Bush and served as a Federal Prosecutor with *Top Secret* clearance. In Seattle, I worked in the Terrorism and Violent Crime Unit of the U.S. Attorney's Office. I also led the Justice Department's national initiative to fight gun violence.

I'm committed to finding real solutions to our regional homelessness crisis and will continue to help those who suffer from drug and alcohol addiction. Environmental stewardship and protecting open space in our region are also key priorities for me.

If re-elected, I will use my knowledge of the district, combined with years of private sector and government experience, to help King County continue its path toward a more efficient and accountable government.

I work for you, and I appreciate your vote.

Education: M.A. International Relations, Yale University; B.A., Willamette University

Occupation: Energy policy advisor, former small business owner, economic development professional

Statement: As your Port Commissioner, I work everyday to make the Port of Seattle the greenest port in North America, to create living-wage careers for local families, and to ensure the best possible experience for our passengers and partners at SEA and the seaport.

I'm running for re-election to continue these efforts and build a Port aligned with our communities' forward-thinking priorities and values.

Our Port is an economic engine for the region, supporting countless jobs and driving economic growth. That's why I have invested in workforce development, supported local businesses, and ensured that the benefits of port activity are shared equitably. With your support, I will continue to prioritize the creation of high-quality, family-sustaining jobs for our community.

We have a responsibility to be a leader in environmental sustainability. Towards that goal, I have led on the transition to zero-emission vessels and equipment, improved efficiency, and worked with airlines, shippers, and fleet owners to transition to sustainable energy. I will continue to decarbonize our operations, clean up legacy contamination, and reduce local air and water pollution.

We strive for SEA to be a world class airport for the millions of passengers and thousands of small businesses who connect with the airport. At the Port, I have advanced improvements in passenger experiences, innovations that expedite the process from the moment you arrive at the airport, and invested in facility improvements. Let's continue to make our seaport best-in-class on the West Coast to build on our history as a maritime region.

Endorsed: King County Democrats; Port & Seattle Firefighters; Washington Conservation Action; MLK Labor, Longshore Workers and over a dozen other unions; FairVote Washington; Congressmembers Larsen & Smith; County Councilmembers Dembowski, Perry, Barón, Balducci, Mosqueda, Zahilay; Mayors of Seattle, Bellevue, Redmond, Shoreline & Bothell; and many more!

Commissioner Position No. 3

Hamdi Mohamed

electhamdi@gmail.com www.electhamdi.com

Education: University of Washington: BA, MA Policy Studies; Harvard Business School Certificate in Global Business

Occupation: Port of Seattle Commissioner and City of Seattle Department Director

Statement: As Port Commissioner since 2021, I have taken on key leadership roles, including Commission President and Audit Committee Chair. Raised in a working-class family by a truck driver and an airport worker, I understand how Port decisions affect daily life, from job access to how goods reach our communities. I remain focused on transparency, results, and putting people first.

Jobs and Training: I have helped double investments in workforce development, including leading Maritime Youth Career Launch, a \$4 million program preparing youth for maritime careers. I also advanced the Maritime Innovation Center, a hub that will drive job training, entrepreneurship, and the blue economy, creating future opportunities for startups and businesses.

Economic Development: I approved a record \$5.6 billion Capital Improvement Plan, creating jobs and boosting contracts for local businesses. I secured \$7.1 million to improve the airport experience for travelers and workers. I remain committed to terminal upgrades, supporting cargo growth, and strengthening the Port's role in regional business development.

Environmental Justice: I sponsored the directive securing permanent protection for North SeaTac Park's green spaces and cosponsored the first shore power mandate for cruise ships, slashing emissions by 80 percent. I also led a \$5 million home soundproofing program to reduce airport noise. These communities carry the burden of a regional airport and deserve meaningful support, which is why, in partnership with Senator Patty Murray, we secured federal funding to expand this work.

In my next term, I will focus on supporting small businesses, creating family-wage jobs, expanding access to trade and transportation, and holding the Port accountable to the people it serves. I hope to earn your vote!

Endorsements: All Port of Seattle Commissioners, Governor Ferguson, Attorney General Brown, Commissioner Upthegrove, Treasurer Pellicciotti, Members of Congress, local mayors, councilmembers, and unions including SEIU6, IBEW46, and Machinists 751.

Commissioner Position No. 4

Toshiko Grace Hasegawa

(206) 992-7156 toshiko@hasegawaforport.com www.hasegawaforport.com

Education: MA Seattle University; BA Criminal Justice & BA Spanish, Seattle University

Occupation: President, Port of Seattle Commission; WMBE business

Statement: I've drawn on six years as an agency head in the Inslee Administration to promote job creation and operational excellence. While governments statewide face budget shortfalls, the Port of Seattle is in excellent financial condition. We're delivering \$5,300,000,000 in capital projects, creating family-wage jobs, and contracts for local businesses. Under my leadership, we've expanded access to careers for underserved communities through agreements with labor, formal partnerships with three Tribes, investments in education, apprenticeships, and the green jobs initiative. We've improved our contracting processes and policies to increase spend with minority and women-owned businesses.

As a mom, I want all our children to inherit an even brighter future. We must act now. I introduced the Teal New Deal, my plan to decarbonize maritime (blue), and activate industrial lands to manufacture, warehouse, and transport clean energy (green). This coordination promotes sustainability *worldwide*, while creating generational jobs *locally* for the next fifty years. We also remediate contaminated sites, and opened the Duwamish River People's Park where juvenile salmon have since returned!

SEA Airport accommodates the whole state's international travel demands. To attract and retain the workforce operating our airport, I championed free orca passes, free hygiene products, and a childcare navigator program. I'm leading on delivering a brick-and-mortar childcare facility to meet the public's demand for more options.

Airport communities now have assurance that North SeaTac Park is protected, as well as \$14,000,000 in Port grant opportunities. I want robust engagement throughout South King about the Sustainable Airport Master Plan.

I'll meet federal threats to our economy by creating opportunities for people to thrive. Let's ensure communities countywide benefit from the \$929,000,000 economic boom from FIFA 2026.

My approach works: economy, environment, and equity advance together. It's our triple bottom line. I'm honored to represent you.

Education: 13 years City Council through 2009. Mine Safety, L&I Certifications. Enumclaw High School.

Occupation: Manager, Cascade Utilities, 32 years. Municipal Development Experience.

Statement: Addressing Challenges. The status quo isn't working. Generalities and "legacy" talk won't provide the experienced, responsible change we need. We have many wonderful new residents and long-time residents, and both are asking why promises haven't been kept. We face worsening traffic, clear-cut forests, crowded schools, insufficient parks, water pollution, long waits for fire and EMS. The City must stand up for residents and fully enforce and strengthen our development standards.

Experience. My career managing projects working with local governments and developers, and 13 years on City Council plus years of civic involvement, give me the experience to lead. The City has been caught offguard by predictable needs. I won't let that happen again.

Commitments. As your mayor, I will reform City Hall and stop making important decisions behind closed doors, hold the line on taxes and rates to protect affordability, and give residents complete, clear information on planning and spending.

Education: University of Washington

Occupation: Regional Director of Fortune 500 Company

Statement: Black Diamond is a community shaped by change—whether it's the closing of a coal mine, the opening of new businesses, or a new housing development—our town has never stood still, that's why we've never faded like some others have. I'm running for mayor because I believe in building on this legacy of resilience and growth.

As our town continues to evolve, we need leadership that supports thoughtful development—growth that benefits both longtime residents and new families. With the right planning, we can expand our infrastructure and services to meet future needs while preserving the small-town spirit that makes Black Diamond special.

Change, when managed responsibly, brings opportunity. It energizes our community, supports local businesses, and strengthens our tax base. Elect me as your mayor, and together we'll grow smart, protect what makes our town unique, and build a future we're all proud of.

Occupation: Risk Management Professional- Financial Services Industry Statement: As your current City Councilmember, I've been honored to serve our Black Diamond community. I've actively engaged with residents, listened to your concerns, and supported thoughtful, positive solutions that reflect our shared values and goals. I believe in a future where Black Diamond continues to be a place where families flourish, neighbors support one another, and our unique character is preserved as we grow. My vision is one of unity, sustainability, and opportunity—for all who call this city home.

I remain committed to listening closely, learning continuously, and working hard to understand the needs of our residents. I will keep advocating for solutions that move our city forward—responsibly, transparently, and with the best interests of our community at heart. Together, we can build an even brighter future for Black Diamond.

Occupation: General Manager, King County Water District No. 90

Statement: Since July 2024, I've had the honor of serving as your City Councilmember for Position #3, after a year on the Planning Commission. With 25 years' experience at King County Water District No. 90, including 13 years as Finance Manager and 12 as General Manager, I bring a strong background in finance, local government, and public service. I understand how thoughtful planning and responsible budgeting are key to supporting a strong future.

Black Diamond is changing. I'm committed to making sure that change benefits our entire community: residents, businesses, and visitors alike. That means holding the developer accountable, supporting our police and fire departments, being business-friendly, and expanding recreational opportunities.

I believe in open, honest communication and working together to find common ground. I would be honored to continue serving and to help guide Black Diamond's future while preserving the character we all love. I respectfully ask for your vote.

Education: Bachelor of Science California State Polytechnic University, 18 years on city council through 2007

Occupation: Retired President of AES, a Black Diamond medical equipment manufacturer

Statement: While our city grows, I will support only balanced, responsible development. The City has allowed Developers to exploit loopholes and failed to enforce established agreements. This has resulted in delayed road, retail and park projects and diminished public services like schools, fire and EMS.

I oppose rezones to allow development equivalent to quadrupling the size of the existing Ten Trails without protective conditions. This would be unfair to residents in Ten Trails, and harmful to the whole city. *Let's unite behind a better Quality of Life for Everyone in Black Diamond.*

City leaders must be more practical and focus on priorities that matter to residents. Residents are financially stressed; we must not raise taxes and utility costs to subsidize development. As your Council member I will focus on services like fire & EMS, safety, streets, parks, and utilities. Let's restore fiscal discipline, prioritize essential services, and thoughtfully plan our future.

Education: Bachelor's in Anthropology, Ohio State University **Occupation:** City Councilmember, Public Safety & Parks Committees

Statement: Earlier this year, I had the privilege of being appointed to the Black Diamond City Council. I'm raising my young children here, meeting neighbors at local events, and listening to the people who live and work in our town. Growing up in a rural small town and later living in vibrant urban neighborhoods taught me how to protect what makes a place special while embracing the opportunities that come with thoughtful growth.

Black Diamond's natural beauty, history, and strong relationships make it truly unique. We can preserve those qualities while building a future that serves residents, supports locally owned businesses, welcomes visitors, and invites new neighbors who want to make their lives here.

My priorities are public safety, reliable infrastructure, and creating parks, trails, and gathering places that strengthen connections, inspire pride, and enrich daily life for all who call Black Diamond home. Rooted in tradition, growing with care.

Council Position No. 6

Dan Dal Santo

dandalsanto@yahoo.com

Education: Graduated from Enumclaw High School

Occupation: Retired Utility Superintendent, City of Black Diamond, 26

years

Statement: Black Diamond has a special place in my heart, and I value the people and history here. Until 4 years ago, I served as Utility Superintendent with responsibility for water, streets, sewer, stormwater, parks and cemetery. We need to prioritize direct services to residents, not raise taxes to build a multi-million dollar new city hall.

Our council has a lot of new members and will benifit from the practical municipal experience that I can provide. With rapid development, it is more important than ever for the city to set effective, more enforceable standards, and hold developers to them.

Many city decisions are being made behind close doors. The Council needs to be more open and proactive, especially regarding the budget and land development. Tax and rate increasees should always be the last resort, not a band-aid for poor nplanning. Our Council needs to put residents interests above corporate interests.

Jonathan Englund

Occupation: Local Business Owner, Boost Higher Marketing Agency Statement: My wife and I have proudly called Black Diamond home for the past four years, and we're committed to its future. As our city experiences rapid growth, I believe we can embrace progress while preserving the small-town charm that makes Black Diamond unique.

I am dedicated to ensuring that development is thoughtful and sustainable, addressing infrastructure needs and traffic concerns without compromising our community's character. Projects like the Ten Trails development offer opportunities, but they must be balanced with investments in parks, public safety, and local businesses to serve both new and longtime residents.

Transparency and community engagement are at the heart of my approach. I will actively listen to residents' voices and prioritize decisions that reflect our shared values. Together, we can guide Black Diamond through this pivotal time, honoring our heritage while building a vibrant future.

Rachael Pearson

Occupation: mental health counselor in trauma and equine therapy, professional violinist

Statement: Community First. Unity Always. I'm running for City Council to bring a fresh, collaborative voice to Carnation's leadership—one rooted in compassion, creativity, and connection. My priority is to bring our community together and build on what makes this beloved Valley great.

I have deep roots here with a kid raised in the local schools, a hiking group I founded, a church I'm committed to, and multigenerational family here in town. I understand our city's current, most important issues because I'm invested here. As a mental health counselor and musician, I've spent my life helping people feel heard and supported. Along with mindful planning and environmental stewardship, my collaborative vision includes improving infrastructure & accessibility and supporting our local arts, farms, & small businesses.

Carnation is a gem. I want to bring people together and preserve our rural charm, vibrancy, and sense of community while extending a warm Valley welcome.

Jim Ribail

Education: No information submitted. **Occupation:** Vice President TEGRIS Fire & WorX

Statement: I am honored to serve the people of Carnation, working daily to keep our city safe, vibrant, and financially strong. Over eight years on the City Council, I have fought for community needs while preserving our small-town character.

My proudest accomplishments was convincing the King County Growth Management Council to reduce Carnation's housing target from 799 to 350 units, including those already under construction—protecting our quality of life through realistic growth planning.

I have been a leading voice in holding the City of Seattle accountable for restoring and maintaining the Tolt Dam early warning system, because public safety must remain our highest priority. As chair of the Finance & Operations Committee, I safeguarded essential services, directed COVID relief funds to local small businesses, and kept our budgets balanced. I championed the SR 203 roundabout, downtown renovation, utility bill discounts, and policies that protect housing while encouraging fair, thoughtful development.

Statement: I'm running for City Council to protect what makes Carnation special—our natural beauty, thriving local arts and music, and the inclusive and neighborly spirit that defines us.

With over a decade of experience in operations and incident management, I'll bring the skills to guide sustainable, intentional growth and prepare for challenges like the Tolt Dam threat. We need clear emergency planning and strong coordination to ensure that everyone can be safe.

Carnation is growing, but without the right investment in roads, schools, and local business, we risk losing the charm and livability that make our town unique. I'll advocate for responsible development, support for local businesses, and policies that preserve our rural identity, while using my technical background to ensure a safe, well-planned future. I'm proud to say that my endorsements for this position include Morgan Henley and Councilmember Jessica Merizan. Together, we can take Carnation to the Max.

Statement: I've called Duvall home for 22 years. As current *Planning Commissioner* and member of the *Duvall Steering Committee* (2024), I have helped shape Duvall's *Comprehensive Plan*—our city's *20-year roadmap* for managing *thoughtful growth* while preserving the *charm and character* that make our city special.

With a career in Accounting, Finance and leading multi-million dollar projects, I understand the importance of *transparency, accountability* and how to manage complex budgets. I will strive to ensure our city's finances remain *sustainable without increasing property taxes*.

Community safety is my paramount priority. I will advocate for fully staffed police and fire departments and oppose any legislation that compromises these critical services. With several cities in King County experiencing an uptick in crime, I will work diligently to keep Duvall safe and protected. I'm running to preserve what makes Duvall special—its people, safety, beauty, and future. I would be honored to earn your vote.

Education: John Marshall High School, San Antonio, Texas, Class of 1992. **Occupation:** Professional writer.

Statement: I came to Duvall ten years ago as an artist and writer drawn to the town's creative spark. I fell in love with the warm heart of this community, nestled between nature's splendor and the urban variety. Drawing on my art experience, I joined the Cultural Commission to foster that heart. We helped revitalize the city's bridge trolls, began restoration of the Main Street planks, and commissioned new murals and performances to feed this town's creativity.

But I'm more than an artist. I'm a single woman living alone, and I know how hard that is to afford. I've already worked hard to support Duvall in one way. On the City Council, I'll work even harder, keeping our housing affordable and our community growth sustainable. I want to make sure Duvall remains the same Duvall we all know and love—its people, its art, its nature, and its business—even as we grow.

Mayor

Anthony Wright

Occupation: Project and Program Manager, Equinix Inc.

Statement: I am running for Mayor of the City of Enumclaw for one single reason: to serve the community. No one person can solve everything; it is only through all of us, our partnerships, relationships, and community ties, that we can rise to the occasion to meet the needs of our citizens on the plateau. As a community we have always shown strength through our local independence and overcoming shared challenges. The issues that we face have not changed, just varying levels of importance: the economy, public safety, infrastructure and community programs. We as the champions and caretakers of our community; are responsible for the decisions we make now and the impacts they have on our collective future. It is an honor and privilege to serve you these past 8 years on City Council. I will ensure that we put the citizen and community at the forefront of everything we do.

Certificate Accounting, University of WA

Occupation: Senior Tax Accountant, IRS Enrolled Agent

Statement: Enumclaw has been home for over 35 years, raised on a dairy farm, an EHS graduate, my husband and I returned in 2009 after a decade away to raise our daughter in the safe and close-knit community I grew up in.

I am running for Council out of commitment to public service, learning how our city and state work, ensuring we operate efficiently, and giving back in meaningful ways, all while preserving what makes Enumclaw special.

My priorities include advocating fiscally responsible policies and projects, encouraging community engagement and involvement at both city and state levels so residents can stay informed and influence decisions, especially since many key policies are set at the state. wAppointed in 2021, this would be my third term. With my finance background and Council experience, I bring steady, experienced leadership during this period of new governance. I ask respectfully for your continued support.

Statement: As a candidate, I pledge to genuinely listen to Enumclaw residents, engage with our community, and be present in City Hall. Local businesses and citizens deserve a proactive representative who cares about our town's future and addresses current issues. With over 12 years of experience working in downtown Enumclaw, I'm passionate about public safety and responsible growth. Born and raised on The Plateau, I've called Enumclaw home for 22 years with my husband. My experience working at a local boutique on Main Street has given me valuable insights into what benefits and improves our town. If elected, I'll work diligently to preserve Enumclaw's unique charm.

Statement: Thank you for considering me to continue as your Enumclaw Council Position #5 representative for my third term. I have lived in Enumclaw with my wife, 4 children and grandparents since 2016. In that time, I've enjoyed being an active member of the community including board member for the Enumclaw Chamber of Commerce, Enumclaw Schools Foundation, and Sunrise Elementary PTA.

As a local Enumclaw small business owner my biggest priority is to maintain the small town charm that I believe makes Enumclaw special. Many new candidates don't comprehend that, while we're limited by state regulations on how we approach applications for new building projects, our opportunities to make a difference happens in setting our local building code regulations and requirements. That experinece and understanding is why I feel I am the best candidate to help keep Enumclaw the wonderful small town that it currently is.

Occupation: National Sales Manager Automotive Division at Douglass Interior Products, Inc.

Statement: Residing in Enumclaw for the last 30 years, I have seen many changes within our community. Of the many positive changes to our community, there has also been a vast explosion of growth that will not sustain at the rate we are expanding. Growth is inevitable, yet by limiting it to a reasonable threshold, we can expand without jeopardizing our community. I will fight to maintain the integrity, safety and autonomy of our town while limiting over development within our city limits. Over those 30 years my wife and I, having grown up on the plateau, would like to preserve Enumclaw's rural sensibilities. Communities around us have seen major expansion along with national chain businesses come in and homogenize these once unique areas. My mission is to maintain Enumclaw's rural feel while continuing to support our local family businesses and farmers within our beloved town.

Education: Bachelor's of Science in Business Administration DeVry University, Master's of Business Administration Keller Graduate School **Occupation:** Homemaker, Bookkeeper, Stay-at-Home Parent, Volunteer

Statement: I'm a wife and mother of three, committed to practical decision-making—not hypotheticals or assumptions. Transitioning from the corporate world to being a stay-at-home parent was an eye-opening experience. Homemaking is a full-time job without a paying employer, but it demands your entire self. While becoming a parent or caregiver is a personal choice, *investing in our future is a shared responsibility*.

I currently serve as a board member of the Enumclaw Schools Foundation and am actively involved in my children's elementary school. I aim to strengthen communication and understanding between residents, schools, and the city. I value research, clarity, and respectful dialogue over conflict. Every person deserves dignity, choice, and support.

Occupation: Financial Coach; Retired from a Career in Construction Management

Statement: My priorities representing you on council are to check the rapid growth of our town, maintain fiscal responsibility, and keep Enumclaw safe.

We all see the rapid pace of change in Enumclaw. Managing that growth while minimizing the overreach of the county and state can help our town maintain its character. My construction management experience overseeing multi-million construction budgets will be an asset. Additionally, I'll bring a strong focus on public safety and on retaining the vibrancy of Enumclaw, both essential to keeping Enumclaw the city we love.

I am the Chairman of the Park Board, where I have served for over five productive years. I recently completed five years as President of our neighborhood HOA. I actively track city council discussions and have made public comments, either for or against a particular issue. I look forward to continuing my service by bringing your voice forward to the city council.

Statement: Community. Commitment. Experience. North Bend is a wonderful caring community with a meaningful past and promising future. I seek to continue my near 30 years serving our vibrant community.

A few of my priorities include: Amend our code to promote attainable housing for our children, seniors and the workforce who cannot afford to live here. Build a community mindset that supports and attracts thriving businesses while providing tax revenues to the city. Ensure a balanced city budget that addresses looming fiscal challenges while meeting citizen expectations for services.

I look forward to collaborating with my fellow council members on solutions that work for you. I'm asking for your vote.

Statement: I'm running to bring fresh ideas, new leadership and a technical perspective to council. I'm a graduate of Redmond's public schools, a member of our city's Human Services Commission, and an engineer at a veteranowned small business. I'm proud to be endorsed by every sitting state legislator representing Redmond.

On council, I'll prioritize safety, affordability and inclusivity. Thousands lost power during last November's bomb cyclone — we must invest in sustainable and resilient infrastructure. I'll work to ensure seniors and families raren't priced out of their homes, prioritize quality parks and accessible transit, and protect Redmond's beautiful environment. Statement: Before you vote, ask yourself this important question. Does this candidate have the courage to stand up for what is right, even when it's not comfortable or convenient? I have prioritized the wider community needs over special interests and narrow political party agendas. Transparency, especially when admitting mistakes, is a central principle of good governance and keeping public trust.

I have worked to make sure our taxpayer investments in transportation choices, public safety, affordable housing, environment protection, and increased parks are made carefully and always made with public scrutiny.

My guiding principle is to represent you. The best elected leaders know their job is to encourage all people to speak up, respect differences of opinion, and champion the ideas that make our lives better. City Council requires serious commitment, time, knowledge and empathy. My deep experience is needed for the challenging times ahead and I take this job seriously.

Education: B.A. in Business Administration (Accounting Concentration), University of Washington; Certified Public Accountant

Occupation: Former CFO, Fortune 1000 Company; Former Partner, International Accounting Firm

Statement: My family and I moved here in 2009 and love our amazing town. My priorities are strong public safety, affordability, a community-driven future, and fiscal responsibility (sustainable budgets reflecting priorities of the community).

Too much information is currently withheld, decisions aren't collaborative, town halls have been canceled, and staff that express contrary viewpoints are forced out. North Bend terminated the joint police contract, frustrated by lack of collaboration including providing basic incident and cost information. The Council is fighting unnecessary proposed utility rate increases of over 50% and an undersized city pool proposal that lacks regional partnerships and funding. It would commit most future city infrastructure funds and force future tax increases to cover routine maintenance of roads and parks.

I will provide residents with more information and explanations of alternatives, and I'll seek consensus through interactions such as community town hall meetings. I'm endorsed by a majority of councilmembers.

Education: MBA, Seattle University; BS, Business, ISU; Advanced Certificate of Municipal Leadership; Leadership Eastside

Occupation: Mayor, Councilmember; 20-years Business Experience; SCA Boardmember; Encompass Former Chair

Statement: As your Mayor, my priorities are maintaining safe neighborhoods, advancing affordable housing solutions, investing in infrastructure, modernizing city operations and expanding amenities that enhance your quality of life.

Public safety is our top priority! We've reduced crime by 10%, keeping Snoqualmie among Washington's safest cities. I'll keep police and fire services local, not outsourced, to protect response times and local control. We've added new parks like the splash pad and all-inclusive playground, and advanced the community center expansion with a pool, projects made possible through my leadership.

My leadership is based on transparency and fiscal responsibility, maintaining sustainable budgets that reflect community priorities and securing millions in state funding reducing tax burden for residents. We've built an efficient, respectful, and collaborative city team, providing high levels of service. With extensive experience, proven leadership, and a vision for Snoqualmie's future, I'm honored to be endorsed by many Eastside mayors and councilmembers.

Statement: Snoqualmie is where my wife and I chose to raise our two young daughters—a close-knit community known for its natural beauty, safety, and walkability.

For over 15 years, I've advised governments and businesses, leading teams, managing budgets, and crafting common-sense solutions. As a Planning Commissioner, I've supported local merchants by cutting red tape and promoting walkable retail. I'll bring that same pragmatic, inclusive leadership to our City Council.

On the Council, I'll prioritize public safety to ensure officers and first responders have the tools they need. I'll partner with small businesses in our Historic Downtown and the Ridge to keep Snoqualmie's retail corridors vibrant year-round. I'll also work to rebuild trust with North Bend so we can partner on opportunities and tackle challenges together. I'm committed to preserving what makes Snoqualmie special while shaping a vision for our future with openness and collaboration. Endorsements: King County and 12th LD Democrats.

Statement: My family moved to Snoqualmie in 2011 and fell in love with the city. My wife opened Rooster Valley Farm School downtown the following year, and I began running adult sports leagues for folks in the community. I ran for Council to be of service. I'd like you to understand how I make decisions as a councilman.

With any decision that comes before the Council, I measure my response based primarily on three values that I consider to be of paramount importance. Public Safety; Fiscal Responsibility; Individual Rights. If a decision conflicts with any of these values, that's of great concern to me. Occasionally these values naturally come into conflict with one another, making the calculation difficult, even painful. It's a great responsibility.

It has been an honor serving as one of your representatives on council for the past term. I hope you'll allow me to continue working for you.

Statement: Thank you for the opportunity and experience to serve our community for the past 20 years. I am again humbled and honored by the chance for another term. As a council member, I have and will apply my council and professional experience to serve the whole of Snoqualmie for another term, seeking the best balance of services for our community against the fiscal constraints.

In my opinion, under the current administration Snoqualmie has reached a low point in its relationship with partner Jurisdictions and opportunities have been lost. The coming administration and term needs a focus toward restoring relationships and working collaboratively with these jurisdictions.

Council Position No. 7

Jo Johnson

Occupation: High School Physics Teacher, Snoqualmie City Council 2022-

Statement: In the four years that I have served on the city council, my focus has remained on our parks, aging infrastructure, and making sure

Snoqualmie is a place to live, work and play. In that time, we have seen major upgrades to several parks, including an all-inclusive playground and splash pad. We repaved Snoqualmie Parkway and many streets downtown. We enacted policies aimed at increasing retail frontage both downtown and on the Ridge. But there is still much to do.

We must address the lack of housing diversity and growing unaffordability. We must ensure that our police are supported and maintain a high level of service in the community. We must rebalance costs and levels of service across the city. And we must have a more open and inclusive process for engaging the public, including authentic town halls and improved communication. I'd be honored to have your support.

Education: Ph.D. in Social Psychology from the University of

Washington

Occupation: President, Third Place Technologies

Statement: It has been my privilege to serve as a Town Councilmember for the Town of Skykomish since 2015. As a portal to the Cascade Mountains in the Pacific Northwest, the Town plays a unique role in not only supporting the needs of our local community, but also taking care of our surrounding environment and welcoming visitors to our beautiful region. My mission is to promote a high quality of life for our citizens through improved physical and social infrastructure, balancing our needs for economic growth with our authenticity as a historic mountain town.

My priorities have included improved access to broadband, emergency preparedness, affordable housing, and community venues and events. As the Chair of our Technology Committee, I led an initiative to secure broadband for our region, and currently seek to improve our energy resilience. I also advocate for arts and cultural activities by the Town.

Occupation: Gentleman Farmer of Independent Means **Statement:** End the Housing Shortage: Protect *our* Town.

Advocate for a new bridge at the East Fork Miller River washout to guarantee emergency access and safeguard our community during future forest fires. Residents frequently face blockages at the railroad crossing on E Cascade Highway—but what if both crossings were blocked in an emergency? This urgent reality highlights the critical need for an alternate route out of town for those living on that side of the tracks.

Support engineering improvements and seek community input on installing a speed camera on US 2 through Skykomish—to reduce speeding, improve safety and explore a potential revenue stream for the town. Upgrade and expand our town's recreational facilities to create welcoming spaces where everyone can relax, play, and stay active. Advocate for the town to craft creative revenue streams to meet evolving resident needs while responsibly managing tourism's growing impact on Skykomish.

Education: GED

Occupation: Owner/operator of Sky River Coffee

Statement: As a Skykomish resident for over 9 years, I have seen this town go through many changes and shifts, and have for years, wanted to be a part of the future.

The future is now.

I wish to learn more about the inner workings of Skykomish, and hope that with filling this seat, I can be a conduit between the Town Council and the public, relieving the often ominous feeling of town politics, and encouraging participation in shaping the future of our home. I have no political background, but do have an abundance of love for this town, and a deep rooted desire to represent the community it harbors. I offer a fresh lense from many angles, and just as all of you, I want to see Skykomish thrive. Preservation of this community is my main focus. Let me be your voice. Vote Mo for Council position #4.

Statement: I have the ambition and the energy to serve Auburn students and our community.

I feel Auburn voters are willing to support schools financial needs, but appreciate being provided accurate information and also the positive benefits that their vote provides. I believe in full community involvement.

Currently, the federal commitment to education is uncertain. Now, more than ever, schools need to explore new strategies to keep learning at its maximum effectiveness. I will work hard with absolute dedication to the needs of our students as a challenge that I welcome wholeheartedly. Thank you for your support.

Statement: I am asking for your vote today. I have enjoyed my time as director and hope to return. I would love to continue to be a representative of the community, staff, students and families of ASD on their issues. I support policies that help benefit everyone to the greatest degree. At this time all my immediate family have or will attend school in the Auburn School district. I'm fortunate to have had the opportunity to work in a variety of classrooms within Auburn and neighboring districts. I know the challenges from both sides of the IEP table. Through my experiences I have developed a perspective that sees the many valuable traditions that remain effective tools, and the importance of innovation and technology. I have a unique perspective, eager spirit and heart of compassion and service. I'm excited to serve as school board director if awarded this opportunity once again.

Statement: I'm Julianne DeShayes, and it's been a privilege to serve on the Enumclaw School Board. As a parent and longtime community member, I care deeply about the role our schools play in shaping the lives of students and families in our district.

In my time on the board, I've prioritized truly listening to a wide range of voices, ideas, and concerns. I believe thoughtful decisions come from open dialogue and a willingness to consider different perspectives. I welcome feedback and view collaboration as essential to strong public education. If reelected, I'll continue working to support safe, welcoming schools where every student belongs; promote academic growth and meaningful pathways to success; build strong, respectful partnerships between families, educators, and the district; and ensure responsible, transparent use of resources.

Enumclaw's schools are at the heart of our community. I would be honored to earn your vote and keep serving.

Education: BA Human Development, Washington State University, Master of Science in Education, National Board Certified Teacher

Occupation: 20 years as Elementary and Middle School Teacher, Instructional Coach

Statement: As a wife, mother, teacher, and 17-year Enumclaw resident, I'm passionate about ensuring every child in our community receives a high-quality education.

With classroom and leadership experience, I'm ready to serve on the school board with transparency and courage—especially when it comes to financial decisions, school safety, and academic priorities. I've developed and strengthened educational systems, boosting teacher performance, academic achievement, community engagement, and collaboration across multiple schools, while guiding countless students past barriers to achieve their potential. Early intervention, skill-building, and extracurriculars are key to shaping well-rounded citizens. Using evidence-based approaches, I'll boost student achievement and ensure school accountability.

I'll collaborate with families and educators—our most vital teammates because parents are a child's first teacher, and educators deserve support to focus on essential skills. As an engaged, approachable board member, I'll be active in schools, open to listening, and eager to share ideas. Reach me anytime by phone or email.

Education: Bachelors in Biology, University of Oregon **Occupation:** Supply Chain/Logistics Operations Manager

Statement: I am grateful for the opportunity to raise my two children in Enumclaw, and I know many parents feel the same. Our community is growing, and it's imperative that our school district is ready to meet the needs of all children, current and future, through strategic planning and budgeting effectively.

As a board director, I will work with our district leaders to ensure the community's vision for student success is realized. Our goals must not only focus on improving test scores and graduation rates, but they must also consider the individual needs of *every child* to set all students up to become healthy, contributing members of our community.

We all have a stake in our children's future success. I look forward to collaborating with the Enumclaw and Black Diamond communities, parents, teachers, and district leaders to help bring that vision to life.

Paul Fisher

Education: State University of New York at Buffalo - BA

Occupation: Sales Manager

Statement: I believe in a common-sense approach to education—one that prioritizes both our students and the taxpayers. I'm committed to setting high academic standards and ensuring every student has the opportunity to reach their full potential. I support the Parental Bill of Rights and firmly believe that parents should be the primary decision-makers when it comes to their children's education and medical needs. I also believe that biological males should not compete in girls' athletics. This is a matter of fairness and safety in girls' athletics. I'm asking for your vote to re-elect me to the Enumclaw School Board so I can continue advocating for policies that put students first and uphold the values of our community. Thank you.

Occupation: Senior Program Manager, Google, Inc.

Statement: No Talent Left Behind

As a Stanford-trained technologist leading engineering programs at Google, I know education opens doors. As a former computer-science teacher, STEM mentor and soccer coach, I've seen students soar with support. My daughter flourished in Issaquah's special-education programs, and my son's gifts led us to homeschool. One size doesn't fit all, but every child deserves a shot at success on a level playing

As Director, I'll set fiscally responsible policies. Spending has doubled in five years, yet more kids now struggle with mental health and academic neglect. I will firmly hold the system accountable, restoring objective district-wide goals for stress-free classrooms, academic excellence, creative thinking, parent engagement, and support for teachers. We will double funding for vocational training (CTE) and widen dual-credit pathways so students graduate ready for a career or college.

Overcrowding can be addressed with smart solutions. I will push for zero tolerance for substance abuse and bullying, and end distractions in classrooms so teachers can teach and students can thrive. A "Promised vs. Delivered" dashboard with quarterly updates will build trust and public accountability. I fix tough problems for a living—let's do the same for our schools. Vote to help every child flourish!

Statement: This campaign is committed to making students workforce-ready by prioritizing practical learning and social-emotional development from Pre-K through 12th grade. We believe education must equip students not only with academic knowledge but also with the skills to thrive in real-world environments. In addition, we recognize the urgent need for disaster planning in schools, especially where education intersects with the growing threat of gun violence—every child deserves a safe place to learn. Lastly, protecting equitable education starts with early learning. By investing in strong foundations for all children, we can close opportunity gaps and build a brighter, more inclusive future.

Statement: I'm grateful for the opportunity to serve on the school board. I regularly see firsthand the care that the educators and staff of our district demonstrate for our children.

Superintendent selection and annual evaluation is the most impactful work done by the board. I'm proud to have participated in the board's decision to place Dr. Callison as Superintendent. Her combination of thoughtfulness and rigorous standards is an excellent fit to lead our district.

This past year we've moved the district toward data-driven continuous improvement cycles to evaluate and improve student outcomes, and renewed focus on student safety. We've also overhauled our hiring practices, increasing quality and integrity. We still have work to do. There remain opportunities for growth in elementary and special ed outcomes. In partnership with the community, we're developing a long-term plan to address overcrowding. And I'm excited by upcoming opportunities to leverage AI as an educational accelerator.

Owner

Statement: As a parent of two daughters in the Tahoma School District and a dedicated volunteer since 2016, I have proudly served in leadership roles including PTO President, youth sports coach, and community event organizer. These experiences have given me a strong understanding of the needs of our students, families, and educators. I am also a U.S. Army combat veteran who brings discipline, integrity, and a deep commitment to service.

I am running for school board to ensure every student feels safe, supported, and inspired to thrive. I will prioritize student achievement, advocate for educator support, and promote transparent, collaborative leadership. I believe in equity in education—ensuring each student has access to the resources and opportunities they need to succeed.

With your vote, I will bring balanced leadership, real-world experience, and a heart for service to the board. Let us work together to create a strong future for all Tahoma students.

Kristi Krumperman

Education: Bachelor's: Political Science and History; Master's: Teaching Occupation: Studio Manager and Preschool Director at Ash and Elm Statement: My name is Kristi Krumperman, and I am a dedicated educator and manager of a small business specializing in early childhood education. Nearly a decade ago, my family chose Maple Valley for its exceptional schools. Today, two of my three children attend schools in our district, deepening my commitment to this community.

With experience in both the classroom and business management, I bring a well-rounded perspective on the challenges and opportunities facing our schools. I am passionate about transparency in decision-making, student safety, progressive education, and strong school-community partnerships.

Every child deserves a safe, supportive, and future-focused learning environment. As a school board member, I will advocate for thoughtful policies and work collaboratively with parents, educators, and the community to promote continued excellence in our schools.

Education: Bachelor of Science in Quantitative Economics, U.S. Naval Academy

Occupation: Commercial Airline Captain, Navy Reserve Commander (not a DoD endorsement)

Statement: As a father of three Tahoma students and long-time MV resident, I care deeply about our schools and community. I've been honored as CRES' Volunteer-of-the-Year two years in a row, and I'm entering my 3rd year as STMS' Family Support Partner.

As a prior Navy Reserve Commanding Officer, I've led teams through complex challenges by listening, building trust, and working together. That is the steady, collaborative, service-oriented approach I will bring to the board. I want to unite our community around our shared commitment to students and teachers, no matter our differences.

I'm not seeking political party endorsements, but I am seeking support from all of Tahoma. I believe schools should unite us. With greater transparency, teamwork, and respect, we can face every challenge/opportunity and keep making Tahoma better. I am ready to listen, learn, and serve with humility and purpose, for Tahoma. Education: Bachelor of Science in Nursing, Lewis-Clark State College. Doctorate of Nursing Practice, University of Washington

Occupation: Cardiovascular Intensive Care Nurse Practitioner

Statement: As TES PTO President, opportunities to work closely with district leaders have made me aware of current issues, be informed of budget related changes, and have better understanding of the vision moving forward. Tahoma students deserve the opportunity to achieve their highest academic success without sacrificing their social/emotional well-being. They should feel safe to go to school being their authentic self without ridicule and be mentored by teachers and staff who equally feel valued in their work. Building strong trusting relationships ensures the success of our district and community.

As District 5 School Board Director I vow to advocate for every student, teacher, and family, ensure fiscal responsibility to our community-members, be present in my duties, and to always listen with an open mind. I am proudly endorsed by the 5th LD Democrats, King County Democrats, and The National Women's Political Caucus.

Director Position No. 2

Jessica Adams

Education: Bachelors of Science in International Studies and Business Finance

Occupation: Risk Managaement and Financial Services

Statement: I am the Mom of 7 year old boy/girl twins who attend Family Link. My son is also special needs and receives services at Chautauqua. Through this unique perspective I have had the opportunity to get to know many of the staff members and see first hand how hard our teachers and staff members work to make our schools amazing. It is my hope to support our schools with my background in business and belief in the powers of education for all.

With 15 years in risk management and financial services, I felt my unique skill set would be a great fit to the future success of our school system. I have spent this last year diligently observing and participating in the movements of our school board and community. It is my hope to continue to serve the Island I love for many years to come.

River E. Branch

riverbranch@gmail.com

Education: BA, Kenyon College; MFA Film Production, MA Communication Studies, University of Iowa; Documentary Production, U.W.

Occupation: Associate Professor, Film Production, Journalism in Public Interest (Recently Resigned)

Statement: Our schools operate as the heart of our community— their health and vibrancy a reflection of our collective health and vibrancy. Who we are and who we strive to be is woven into the fabric of the foundation and opportunities we provide for our youth. Preparing our children for the challenges we face locally, nationally and globally requires creativity, ingenuity, a deep understanding of our individual and collective histories, and a powerful immersion into STEM fields, the arts, and athletics. During my thirty years of working in the field of education, I have successfully brought strategic thinking, creative problem solving and vision to bear on challenges facing our educational institutions.

For the past year-and-a-half, I served the Vashon Island School District as a board member committed to injecting greater transparency and accountability into our schools—our greatest public trust. We stand poised to build upon Vashon's powerful and vibrant legacy.

Scott Percival

Education: Associate's in Fire Science, Columbia Southern University; Insurance Producer License, Washington State OIC

Occupation: CEO Percival Analytics, CEO Sentinel Benefits, Retired Fire Fighter Engineer

Statement: Citizens of Enumclaw and the surrounding area deserve a Fire Commissioner who will serve to facilitate the efficient, transparent, compassionate, and professional governance of the Fire Department they have come to expect. We deserve a commissioner that has knowledge of fire department revenue, costs, culture, laws, and best practices. I am that Commissioner.

I have lived most of my life on the Enumclaw plateau and have been retired from the fire service for just two years, but having spent more of my life serving communities than not, I feel called to service once again.

Through my businesses I have traveled the state, helping numerous municipalities with budgets, contracts, mergers, and planning, but I have not previously been able to apply my time and effort to the community in which I live and grew up in. I humbly ask that you afford me the opportunity to serve as your Fire Commissioner.

Education: Associate Degree, Bellevue College

Occupation: President and director of a small woman owned

distribution business

Statement: It would be an honor to serve our community, and to provide leadership and direction in the capacity of Fire Commissioner.

I have lived in the Issaquah area for over 35 years. My husband and I have raised our two children here. The eastside is a special place, and we are fortunate to live here, surrounded by the natural beauty.

As president and director of a successful composite distribution business, I understand the importance of providing reliable service, fiscal responsibility, and maintaining operational readiness. My work experience includes creating and supervising budgets, overseeing staff, coordinating multifaceted business operations, and maintaining open communication. As your Fire Commissioner I commit to maintaining the excellent service Fire District 10 provides, and continue to ensure compliance, and safeguarding public resources. It would be a privilege to represent our community. I respectfully ask for and appreciate the consideration of your vote.

Toni Nielsen

Education: Associate Degree in Business Management, AA Marketing, University of Washington

Occupation: Fire Commissioner 2024- Present, Rideshare Operator, Small Business Owner

Statement: It has been my pleasure to serve the residents of Fire District 10 since my appointment in April of 2024. I am running to fill the remaining 5 years of this term.

I am a Seattle Native & have spent the last 40 years on my farm In Issaquah. I am a mom of 3 grown sons and a grandmother of 4 active little boys. I care about family. I volunteer with a local wildlife rescue, bottle-feeding rescued orphaned small furry forest creatures or tramping through underbrush to retrieve an injured porcupine or pull a mayonnaise jar off the head of a skunk.

As a small business owner, I have strong ties to our community and look forward to interacting with those around me. I am honored to ask for your vote.

Education: Port Angeles High School, Peninsula College, Industry/Technical Certifications

Occupation: Sales Director - Microsoft, Former Volunteer FF/EMT/SRT FCFD Statement: I would be honored to continue to serve as one of your Fall City Fire Commissioners. I proudly served as a volunteer firefighter from 2017 through 2021. In 2022, I was honored to be selected and appointed as a commissioner.

Serving as a volunteer firefighter provided me with invaluable insights into the needs of our department and the challenges our firefighters face daily. I learned that one of the best ways we can keep our community safe is to support the needs of our first responders. I believe we can balance the needs of the department while safeguarding the financial well-being of our community. I will foster open communication and collaboration with our residents, firefighters, and administration alike. Together, we can ensure that our community has the best emergency services available, supported by a financially responsible approach. I respectfully ask for your support to continue to serve this great community.

Education: B.S. Physics, University of Washington **Occupation:** Project Engineer, Systems Interface, Inc.

Statement: It has been my privilege to represent you on the Fire Commission for the past 26 years.

The purpose of the Commission is to oversee the operation of Fire and Emergency Medical Services to the community we serve. It has always been my priority to provide the best possible service while being sensitive to the associated costs.

We are all aware of the increasingly high cost of living in this area, and property taxes are a significant portion of this. The Commission has strived to maintain stable, consistent funding of this vital service while constantly looking for ways to be more efficient and effective. I would appreciate your vote and support so that I may continue to help lead this essential public service. Thank You!

Education: Some College, Trade School

Occupation: Business Owner, WA State Legislative Assistant

Statement: As a longtime valley resident, business owner, and proud grandmother, I'm running for Fire Commissioner because I care deeply about our community's safety and future. I'm known for asking questions—and that's exactly what a good Fire Commissioner should do: examine every issue from all sides before making decisions that impact our department and our families.

This role isn't just about fire trucks and budgets—though those matter. It's about ensuring our firefighters are trained, equipped, and supported so they can protect us and return safely home.

I bring 25 years of experience as an international business owner, active involvement in the SnoValley Chamber, and a deep commitment to service. I believe in transparency, wise use of taxpayer dollars, and strong community communication. I'm not a politician—I'm a neighbor who wants to serve with integrity, accountability, and heart. Statement: I am running to be the voice for the staff and constituents in the Maple Valley Fire District # 43 from Hobart, Ravensdale to Maple Valley, Covington. I have received help from these paramedics. When you feel your worst and are in need of help, they show up. I would keep the services coming at a high level in fire and emergency needs. Managing large budgets which I have done in past professional work wil keep the department response times down and your insurance rates low. Your commissioner needs to be ready to speak up for your needs and if necessary, testify in Olympia. A year ago, I headed up the KSD Lev which was in grave need of passing. Occupation: Firefighter

Statement: My fellow neighbors,

I have been proud to serve you as one of your fire commissioners for the last four years and will appreciate your support in continuing to serve. I have been a member of the Maple Valley community since 2013 when I first began as a volunteer firefighter/EMT with the legacy Maple Valley Fire department, and now as a resident of this great community.

I believe very much in ensuring our department meets our current and future needs while staying fiscally responsible. The landscape of our community is ever changing and I will work to see that the department keeps pace with that change. Thank you for your consideration, I hope I can count on your vote.

Occupation: Retired Firefighter

Statement: I am running for re-election for King Co. Fire Dist. 43. As a current Commissioner for D43 for the past 7 yrs, I have been involved in the decision making processes that have enabled our communities to have safe, effective and efficient fire service for the citizens of the Maple Valley area, all at a reasonable cost. We made the decision to contract with Puget Sound Regional Fire Authority years ago and that has allowed us to upgrade our equipment and facilities to provide better service to our community and our fire personnel. I will continue to be a good steward of our funding and make decisions that benefit our service and safety.

I look forward to continue my service as a Commissioner for KC Fire District 43 and ask for your support.

Brian Robertson

Statement: Our community's safety is my highest priority. I have served KCFD 45 for over 14 years, I understand the critical role our fire district plays in protecting lives and property.

As Fire Commissioner, I will ensure resources are used efficiently and responsibly; support our firefighters with the training, equipment, and staffing they need; keep response times fast and reliable; promote transparency and open communication with the public.

In January, KCFD 45 began a contract for service with Eastside Fire & Rescue. I will do my best to represent the residents of the district. I believe in strong fiscal stewardship and public trust. Together, we can maintain a fire service that is both responsive and accountable to the people it serves. I'd be honored to earn your vote.

Education: I graduated Vashon High School in '95 and Scripps College in '99

Occupation: Executive Director, Vashon HouseHold

Statement: I'm running for reelection to the Vashon Island Fire & Rescue board because I care deeply about this island, our neighbors, and keeping our community safe.

Over the past few years, VIFR has grown stronger than ever — financially stable, fully staffed with dedicated professionals, and delivering top-quality emergency response and healthcare. I am proud to have supported staff as they have built solid partnerships across the community, managed taxpayer dollars carefully, and made sure our crews have the training and equipment they need to respond effectively.

Vashon is a special place. Protecting it takes more than just responding to emergencies. It takes planning ahead, working together, and making hard, complex decisions with the long-term health of our fire district in mind. I'm proud of what we've accomplished together and I'm committed to keeping VIFR strong, ready, and here for everyone who calls this island home.

Occupation: Telecommunications Engineer

Statement: Thank you, Vashon neighbors and friends, for allowing me to serve you in VIFR uniform for 13 years, and for now considering my candidacy for VIFR Commissioner.

Since 2006, I have travelled with VIFR through lawsuits, fines, budget and leadership crises, lives not saved...while seeing responder careers launched, injuries treated, homes and lives saved, and my own baby delivered.

With that as my education, I offer this vision of how I can be a good Commissioner: at this moment, VIFR needs internal stability and external transparency. To establish these... I will listen with empathy to everyone. I will make every foundation of VIFR's success feel heard. Every taxpayer, every service recipient and community partner. Every responder – whether paid or volunteer. I will insist on clear standards. Where possible, VIFR effectiveness will be published regularly using objective, meaningful metrics to include cost/benefit ratios. I invite dialogue; I welcome your email

Management — both from UNC Charlotte

Occupation: Civil servant

Statement: I am running to bring my emergency management background to Woodinville Fire & Rescue and help make our community more resilient. I hold a Master of Public Administration in Emergency Management, FEMA certifications, and have six years of government experience at the federal, state, and local levels. I served in the U.S. Department of Homeland Security under the Biden administration, where I worked across agencies to strengthen accountability and public transparency. I will work to involve more residents in emergency preparedness, support our firefighters and staff in their right to organize, and help improve coordination with cities, nearby fire districts, King County, and the State of Washington to keep our communities safe.

Endorsements include King County Democrats, 1st Legislative District Democrats, Representatives Shelley Kloba and Davina Duerr, King County Young Democrats, and Woodinville Deputy Mayor James Randolph.

Education: Graduated Woodinville High School; attended Central Washington University for four years pursuing higher education studies. **Occupation:** Owner and operator of a small, local, family-owned business.

Statement: Woodinville is my hometown. I grew up here, and now I'm raising my own family in the same community I love. I am running for the Fire & Rescue Commissioner board to ensure our district remains well-prepared, well-staffed, and responsive to the growing needs of our neighborhoods.

With a background in small business leadership, I bring fiscal responsibility, strategic planning, and a strong commitment to public safety. My priority is to support our firefighters and emergency personnel with the resources, training, and equipment they need, while maintaining transparency and accountability to the taxpayers we serve.

I believe in smart growth, strong collaboration with neighboring districts, and proactive emergency planning to address challenges like wildfire risk and population growth. Woodinville deserves leadership that listens, plans ahead, and puts community safety first—and I am committed to providing that leadership.

Occupation: Experienced program manager and environmental consultant

Statement: As a lifelong Covington area resident, I am committed to ensuring our community has a safe, reliable, and affordable water supply.

I am a licensed geologist with 24 years of experience in program management. I bring the technical knowledge and leadership needed to guide long-term infrastructure planning while balancing environmental stewardship with fiscal responsibility.

Our water district plays a critical role in public health, regional development, and resource conservation. As our population grows, we must invest in upgrading aging systems, expanding capacity, and ensuring the long-term sustainability of our local water sources. I believe in transparent communication and collaborative leadership to make informed, community-driven decisions. I will work to protect our natural resources while supporting responsible growth. I would be honored to serve as your commissioner and respectfully ask for your vote.

Tal Weberg

(206) 992-6688 tal@seattletractorinternational.com

Education: AS & BS in Diesel Engineering Technology - Oregon Institute of Technology

Occupation: Rebuild & Resell Construction & Mining Equipment

Statement: As a property and small business owner, my primary goal upon joining the Covington Water District Board was to promote fiscal responsibility, rebuild public trust, and deliver exceptional service to you—the ratepayer.

Since elected, the district has gone nearly ten years without a rate increase, lowered single-family connection charges, eliminated the top-tier summer rate, and supported customers facing unusually high bills due to leaks—while maintaining financial health. Debt has been reduced to under 10% of equity, and I can confidently point to millions in savings thanks to a capable board and dedicated staff.

I remain committed to efficient local utility management, balanced budgeting, and accountability to the community. Looking ahead, my priorities are to keep rates low, enhance customer service, and secure a sustainable water supply to reduce reliance on wellfields. Please text with any questions or concerns. I would be honored to earn your vote.

Pete Hackett

petehackettcwd@gmail.com

Education: Bachelor's in Business Administration, City University. AA, Highline College

Occupation: Global Account Manager, Dell Inc., Retired

Statement: Covington Water District (CWD) needs new ideas and new water sources to protect and care for the environment from where CDW draws its water, especially Lake Sawyer and the Green River watershed. We need someone with real world experience in negotiations, supply chain, and business relationships. Pete is that person.

With over 24 years of experience at Dell, selling over \$1B of products and services to many of the Seattle area's largest companies, Pete's experience in forecasting, budgeting, global supply chains, services, and complex negotiations gives him the tools to lead with accountability and efficiency. Pete has also served for 15 years as finance lead on the board of TurningPoint Community Church.

Pete is running for CWD Commissioner to help ensure our communities continue to receive clean, affordable water with minimal environmental impact. Pete believes in collaboration with customers, cities, county, tribal nations, and suppliers to protect our water future.

David Brent Roselle

(206) 794-3512 droselle0787@msn.com

Education: Kent Meridian 1973 graduate.

Occupation: Retired City of Auburn engineering dept.

Statement: As your Covington Water District Commissioner, I've worked to limit rate increases and keep service reliable through strong leadership and community-focused planning. With over 41 years in the water industry, including work at the City of Auburn's engineering department and a certified Water Distribution Manager, I bring deep expertise to every decision.

When elected to the board, Covington had some of the highest water rates in Washington. Since then, we've gone nine years without a rate increase. This was achieved by balancing the budget, streamlining operations, and partnering closely with staff to improve transparency and efficiency.

As the district grows, my priority is to secure long-term, sustainable water supply solutions that keep rates affordable while ensuring safe, high-quality drinking water. I'm committed to protecting the values that matter to our community: reliability, affordability, and trust. I'd be honored to earn your vote and continue serving with experience, accountability, and results.

Education: Issaquah High School and Calhoon MEBA School of Marine Engineering

Occupation: Marine Chief Engineer aboard State of Alaska Passenger Ferries

Statement: I have been a resident of unincorporated King County within the service area of Water District 90 for 66 years. I have watched the community grow over the years and am very aware of the challenges that face our community. I have worked with several community groups that promote Community engagement with local governments and service providers.

I was first elected to King County Water District–90 Board of Directors in 2019 and have completed my first 6 year term. I look at our board as a team that works with management to give our customers the best service for the current rates charged. I also believe in keeping our systems and infrastructure in the best condition possible to provide resilience and reliable service. We have a duty to our community to lead these efforts. Of course we couldn't do all of this without public support.

Education: Master of Business Administration (MBA), Cleveland State University; Master of Arts, Veliko Tarnovo University.

Occupation: Sr. Consultant, Slalom

Statement: I have over 20 years of experience in developing, managing, and consulting wide range of organizations. I have served the City of Bellevue Water Utilities by leading the administrative, customer service, and corporate strategy teams. I am highly experienced in solving complex problems, enhancing services, supporting customers, improving investments, and building public trust.

I would be honored to continue serving as your Woodinville Water District Commissioner so I can give back to my community in a meaningful way. Delivering safe and reliable water and sewer services is essential to public health and quality of life. Providing these vital services requires responsible, effective, and efficient management of infrastructure, customer expectations, and regional partnerships.

With my background in water utility management and business consulting, I will bring a valuable and diverse perspective to the Board of Commissioners and support the District in achieving its mission. I humbly ask for your vote.

Statement: My family and I have been residents of the Cedar river Water/Sewer district since 1979. I studied at Bellevue College with an emphasis in urban planning and public administration.

I was employed with a local municipality for 35 years in the sanitary sewer and storm drainage water quality division until my retirement in 2013. I have continued to work in retirement with part-time and volunteer work.

As a commissioner I will bring a solid understanding of water/sewer practices and procedures allowing the commissioners to take on issues and achieve equitable solutions. I would be honored to be an active member of the commission and to serve the community. I have very good public relations skills and would sincerely appreciate your vote of confidence going forward. *Thank you*.

Statement: I was appointed to the Cedar River Water and Sewer District Commissioners in 2024, and currently serve as their President. I believe that retaining me as a Commissioner will maintain the continuity and positive working relationships I have already built within the District. My prior experiences as a five-year appointed member of the Kent Land Use and Planning Board followed by eight years as an elected Kent City Councilman, has made me realize the need of always having a "vision" for the future.

Awareness of potential growth requires long-term planning, and knowledge of the capacity required by the District to maintain the quality of life, services and sustainability that we currently provide. With fiscal responsibility in mind, I aim to find alternative funding resources other than increased customer service rates. I will listen to and work diligently for you. I would appreciate your vote. Thank you.

Occupation: Attorney

Statement: As a longtime Sammamish resident and your current Commissioner, I am committed to ensuring safe, reliable, and affordable water and sewer service for the community. With my extensive background in public policy and law, I bring the expertise needed to tackle challenges so the District remains a regional leader in providing high-quality water and sewer services.

I will continue to prioritize fiscal and environmental stewardship as challenges arise, such as responsible water management, regional growth, and maintaining safe drinking water by protecting our water supply from contaminants and investing in modern treatment technologies that meet the highest standards.

It has been a pleasure to serve our community, and I look forward to continuing to focus on water quality while fostering transparency and community engagement with our residents. Together, we will work to build a resilient and environmentally sustainable future and preserve our precious natural resources for future generations to come.

Community Service: No Information Submitted **Statement:** Hello friends and fellow home owners,

I am running for commissioner of our local water district, "SPUD", to ensure fiscal responsibility and accountability. We have seen our rates increase, exponentially, over the last five years. After attending bi-weekly, SPUD meetings, for the last year and a half, I have seen first hand the lack of accountability within the district, and was shocked to find out that it operates without a budget. In the spring of 2024, I and other concerned neighbors, were able to get the district to retract the tiered charges applied to capital reserve and reimbursement fees. The community will no longer pay those excessive charges if you go over the water and sewer consumption limits allocated within the base rates. And some of you may not know, but the district has approved over 40 million dollars in capital projects that we, the public, are accountable for. That number now holds each one of us liable for over \$40,000 per household.

I humbly ask for your vote and support. I will work to ensure our small-community utility operates in a more fiscally responsible way, reducing these exorbitant expenditures.

Special Purpose Districts are **Extra Special**

Every election, voters get to make their voices heard about who they'd like to represent them at different levels of government. Local elections provide voters the chance to choose who will represent them in local government, from county and city councilmembers, to mayors.

Special Purpose Districts are particularly special parts of our local government. These districts take care of specific tasks for our communities, from parks to power. When voters choose representatives for their Special Purpose Districts, they are influencing their communities in crucial ways.

Statement: I am honored to serve as your water district commissioner. It is my first priority to provide safe, reliable drinking water. Our independent water district has been providing pure, award-winning water since 1969 at one of the lowest costs in Western Washington. The water district pumps water from underground aquifers to serve over 10,000 people on the north end of Sammamish. This pure water flows from 5 wells, untouched by chemicals, to you. It is my goal to protect and preserve this great resource for our users. Thanks for your vote!

Education: Associate in Arts Degree; Water Distribution Manager Certification; Wastewater Collection Systems Certification; numerous additional certifications

Occupation: Semi-retired; former Operations Manager, Soos Creek Water and Sewer District

Statement: Thank you for the trust you have placed in me. It has been my pleasure to serve the community as your commissioner and I look forward to continuing to serve in this capacity.

During my tenure, the board of commissioners and district staff have been working together to secure our future water supply, manage resources effectively, and streamline operations. We have been busy securing our future water supply by signing a new contract with Seattle Public Utilities that will take us decades into the future. We also have been replacing aging infrastructure and modernizing operations to serve generations to come.

For the next term, I am focused on improving efficiency while preserving the safety, reliability, and affordability of our water and sewer services. With the challenge of continued regional growth and tightening environmental regulations, we will need to stay agile and forward-thinking. I have full confidence in our experienced team of fellow commissioners, dedicated Soos Creek staff, and regional partners, that these challenges can and will be met effectively with our shared commitment to the district's long-term success.

I appreciate your continued support and the opportunity to keep serving our community.

Commissioner Position No. 3

Kevin A. Fuhrer

Education: Bachelor of Science - Accounting, Central Washington University and currently licensed Certified Public Accountant.

Occupation: Utility Finance Director - Retired

Statement: As an essential public health and service agency, the overarching goal of the Soos Creek Water and Sewer District is to provide you with safe drinking water and reliable sanitary sewer service. More simply put, to give you peace of mind that everything will flow as it should when you turn the faucet or push the flush handle.

To that end and to fulfill the responsibilities of this office, I remain committed to supporting policies and actions which promote fair and equitable rates, efficient and effective operations, responsible infrastructure investment and reinvestment, and sound financial management.

In closing, it has been an honor and privilege working alongside my fellow commissioners and district staff in this critical undertaking. I look forward to continuing to serve in this role.

Thank you for your support and your vote!

Education: Master's Degree in Nursing; PhD in Education **Occupation:** Medical Librarian; Nurse Educator (retired)

Statement: My name is Rita J. Miller and I am seeking re-election to the position of Commissioner, Districct No 3. at Public Hospital District No. 1. I was elected to this position two years ago to fill a vacancy. My lifetime experience has prepared me for this role as I have a very strong medical background having been a nurse and nurse educator for many years. After obtaining a Master's Degree in Nursing, I taught nursing at two different Schools of Nursing. While in this role, I obtained a PhD in Education and continued to be a nurse educator. Being in the Hospital setting for many years, I learned the intricate details of how a hospital is run and what conflicts hospitals deal with. Currently, Public Hospital District No. 1 is dealing with financial cuts from the government making it difficult to offer services that it has provided in the past. As a current Commissioner, I am involved in the discussions and planning that deal with this sudden, unexpected financial deficit.

My hope in being re-elected to this position is to continue the work we are doing in order to offer the best medical care to our community. It is my belief that all persons in the community deserve the care they need and are entitled to. My goal is to contribute to the health and well-being of our community that everyone deserves. Humbly, I ask for your vote.

Education: University of the Philippines, AB Economics

Occupation: Commissioner, Hospital District No. 1; VP, Filipino Community of Seattle

Statement: Our community deserves exceptional healthcare, and Valley Medical Center must remain a place where everyone receives quality care-regardless of income or background. As we face projected federal Medicaid cuts and ongoing challenges in private insurance, it's critical that we have strong leadership to protect and strengthen our hospital.

As your current Commissioner, I've worked hard to ensure Valley Medical Center stays financially strong and that our staff are respected, supported, and fairly treated. With my background as a union organizer and community leader, I bring a commitment to fairness, accountability, and putting people first.

My family has lived in this district since 1992, and we have relied on Valley Medical Center for our own emergency healthcare. I know how vital this hospital is to our community.

If re-elected, I will: Champion patient-centered care and access for all, especially our most vulnerable neighbors; Uphold transparency and fiscal responsibility for long-term stability; for fair treatment and support for hospital staff-because quality care starts with those who provide it.

I am honored to have earned the trust and endorsement of respected organizations, including King County Democrats, AP ACE PAC, and SEIU 1199NW.

Together, we can build a hospital that is responsive, resilient, and ready to meet the needs of everyone in our community. I respectfully ask for your vote for Commissioner Position No. 4- so we can continue this important work, together.

Statement: It has been my pleasure to serve as commissioner to Valley Medical Center for the last 6 years. There have been numerous challenges. We had a pandemic and a lockdown. As we crawled out of that we had to evaluate our strategic alliance with the University of Washington. Sadly it was our decision that ths was not working for us. Looking forward to the next six years, we will completely unwind with the UW. We will be seeking another potential alliance. We will deal with any new issues that arise. As the most senior commissioner, I look forward to these challenges.

Education: Masters in Organizational Leadership, Gonzaga University; Bachelors in Hospital Administration, Eastern Washington University

Occupation: Former Healthcare Executive, Patient Advocate, and Community Volunteer

Statement: Good health is an essential ingredient in living our most active, abundant lives. Having quality based, compassionate care within our community is the best possible partner to achieve that health. As a five-star Medicare/Medicaid designated hospital, Leapfrog A rating, and top 50 Hospital in the United States, I believe EvergreenHealth to be our exceptional partner. I first came to know of this exceptional care as a patient.

Because of the life-changing care I received at EvergreenHealth I have actively been a part of the organization as an employee, then leader since 2012. I worked my way up to the role of Executive Director of Hospital and Specialty Medicine where I partnered with physicians, leaders, clinicians, and support staff to expand and improve the delivery of care both inpatient and outpatient. After leaving EvergreenHealth in June of 2023 I had the honor of being appointed to the Board of Commissioners in August of 2023. It is a privilege to serve with my fellow commissioners to represent the community we serve.

I am rooted in a patient first mindset; understanding the value of compassionate, quality care delivered by teams we can trust. And as a healthcare leader I understand the barriers our hospital administrators and teams face to deliver that care. In an everchanging industry we must always be quality, patient first healthcare with a commitment to growth and fiscal responsibility, adapting to meet the needs within our community. Together we strive to make those strategic decisions to continue to improve the quality of the care we deliver.

I ask for your vote to continue to serve in this role, always with the commitment of your care at the center of each decision we make.

Occupation: Co-Founder/Owner of REPS VR - Virtual Reality Training Platform

Statement: I am honored to currently serve on the EvergreenHealth Board of Commissioners, having been appointed on September 17, 2024. I'm running to continue providing steady, experienced leadership to this vital institution that serves the health needs of our growing community.

My background includes nearly 20 years in the private sector leading large teams and complex initiatives, along with years of local public service. I've served on the Kenmore Planning Commission, the Northshore Utility District Board of Commissioners, and the Northshore Senior Center Board of Directors. I am currently the co-founder and CEO of a virtual reality software training company, and bring the perspective of a small business owner, committed to accountability, innovation, and service.

At EvergreenHealth, I will continue working to ensure high-quality care, expand access, and make smart, sustainable decisions. I believe we must embrace innovation to remain at the forefront of healthcare—leveraging technology and evidence-based practices to improve patient outcomes and keep care affordable.

Supporting our hospital staff is a top priority - they are the backbone of EvergreenHealth. I will champion investments in training, staffing, and workplace support to help them thrive and continue delivering exceptional care.

Financial sustainability is also critical. As our community grows, EvergreenHealth must remain strong, efficient, and responsive to changing needs. I will work to ensure thoughtful, responsible stewardship of public resources.

Finally, I believe our healthcare system should reflect the people it serves. I will be an active listener, engage with residents and leaders, and work to ensure EvergreenHealth remains a trusted, community-driven partner in health. I respectfully ask for your vote so I can continue serving with dedication, experience, and a clear vision for the future of EvergreenHealth.

Statement: I have lived in the EvergreenHealth Kirkland service area for 50 years and am a business owner in Woodinville. I have been PTA President and a Golden Acorn recipient. I have 30 years of pharmacy experience in hospital and clinical settings. As a Certified Diabetes Educator, I helped develop the first interdisciplinary patient diabetes education program in Washington State, and have helped standardize protocols for diabetes medications. I served on the state Pharmacy Commission for eleven years, and was principle author of laws insuring a woman's right to choose, and a law requiring state documentation of all controlled substance medications. I was honored to receive the Excellence in Pharmacy Practice Award from the School of Pharmacy.

I served as co-chair for UW's Be Boundless fund development campaign, helping to bring in \$50 million for the School of Pharmacy. I served on the Woodinville City Council for four years and am the immediate past mayor. I have been serving as an EvergreenHealth Community Advisor since 2021 and have enjoyed contributing to this great community asset.

My years of experience in direct patient care, program management, fiscal oversight, and community service make me uniquely qualified to serve as an EvergreenHealth Commissioner . I'll work for you for the best patient experience every time. I will make sure that your tax dollars coming to EvergreenHealth are used effectively to secure and retain the best staff, to support the most innovative diagnoses and treatment protocols, and to keep health care affordable. Statement: I believe everyone deserves access to exceptional medical care. In 2024, I was honored to be appointed to the Board of Commissioners for King County Public Hospital District #2 (EvergreenHealth), serving Bothell, Duvall, Kenmore, Kirkland, Redmond, Sammamish, and Woodinville. I'm now seeking election to a full term.

As a former EvergreenHealth Community Advisor, and with a lifelong career in healthcare and life sciences, I'm committed to expanding access, improving outcomes, and strengthening our community hospital. During my tenure, I've focused on financial stewardship and expanding vital services. My top priorities include expanding access to primary care and behavioral health services while ensuring effective use of hospital resources. I bring 25 years of experience on public and private boards and currently serve on the Finance, Governance, Quality & Safety, and Levy Committees. I've also earned the Health Care Governance Certification from the Washington State Hospital Association.

We can be proud that EvergreenHealth is one of the Top 50 hospitals in the nation, a testament to our dedicated staff and supportive community. I will continue supporting policies that promote a culture of compassion, innovation, and service while sustaining our excellence in delivery of care.

I am endorsed by the following: Mayors Kelli Curtis (Kirkland), Nigel Herbig (Kenmore), and Mike Millman (Woodinville), State Representatives Amy Walen (LD 48) and Davina Duerr (LD 1), and by all sitting Commissioners of EvergreenHealth.

It would be an honor to earn your vote. Together, we can preserve and strengthen the high-quality care our community expects and deserves.

Occupation: Physician and Owner, Vashon Natural Medicine

Statement: I am a lifelong Vashon resident and have spent almost 30 years providing primary care to Vashon's families. Running an independent medical practice, I understand the difficult economics of health care. I am running for office because I believe we need to streamline the VHCD. While well intended, the formation of VHCD increased taxes and did not deliver the services promised. Thankfully Vashon has care from VIFR's Mobile Integrated Health Unit, Sea Mar is building a centrally located clinic, and Vashon Pharmacy provides walk in health care. Our tax dollars should be spent directly on services for residents, if not returned to taxpayers. Not spent on real estate, administrative costs, or large contracts to private companies who turn around and also bill residents. With large cuts to Medicaid and Medicare, health care is about to change dramatically. If elected, I will help VHCD support both Vashon's health and finances.

I am a mother of three grown children, two of them educated in Vashon schools. I want to give back this community, so I was honored when I was unanimously appointed to a vacant Health Care District commissioner seat in April 2025.

The District has done much to expand access to health care on Vashon: DispatchHealth urgent care, more behavioral health resources for children and youth, more services for vulnerable seniors. I want to build on that work. One big remaining unmet need: There are no resources on Vashon for mental health crisis intervention. These are services Vashon needs and deserves. I have the experience, skills, and passion to make progress on these issues. I'd appreciate your vote.

Statement: Over 45 years working in our community with some of its healthcare needs, I have not yet seen a time when local social and health resources have been as robust as many Islanders would desire. This is still true today.

The Vashon Health Care District was created about 6 years ago to address the approaching loss of our primary care clinic and to consider which additional unmet healthcare needs that our neighbors most prioritize. I am pleased that the District hasn't raised the original levy amount at any time over those 6 years in spite of launching additional programs including 365-day Urgent Care, enhanced Behavioral Health for Island youth, a voucher program to assist low-income residents with health care access, and collaboration with VIFR to enhance in-home health services for our vulnerable adults.

I wish to continue my work as a VHCD Commissioner and I ask for your vote.

Proposition No. 1

Medic One – Emergency Medical Services Replacement of Existing Levy

The King County Council adopted Ordinance No. 19950 concerning funding for the county-wide Medic One emergency medical services system. Should King County be authorized to replace an expiring levy by imposing regular property taxes of \$0.25 or less per thousand dollars of assessed valuation for each of six consecutive years, with collection beginning in 2026, as provided in King County Ordinance No. 19950, to continue paying for Medic One emergency medical services:

Yes

No

The complete text of this measure is available beginning on page 100.

You will be voting
Yes or No
on Proposition No. 1

Requirement passage: Simple majority (RCW 84.55.069)

Explanatory statement

If approved by voters, Proposition No. 1 would authorize King County to levy a regular property tax at a rate not to exceed \$0.25 per one thousand dollars of assessed valuation on all taxable property within King County. For a property with an assessed valuation of \$844,000, the maximum rate would be approximately \$211 in the first year. The levy proceeds would be used to fund county-wide Medic One emergency medical services and emergency medical care as more fully described in Ordinance No. 19950 and RCW 84.52.069. The levy would be authorized for a six-year period, with collection beginning in 2026. The levy would be exempt from rate limitations in RCW 84.52.043 but would be subject to the chapter 84.55 limitations on levy increases in years two through six. Qualifying seniors, veterans, and disabled persons would be eligible for exemption from the levy under RCW 84.36.381.

Reagan Dunn, Greg Markley, Tom Rea YesonMedicOne.com

Medic One saves lives. Last year, firefighters and paramedics responded to over 255,000 medical 9-1-1 calls for help (one every 2 minutes). Our Medic One system is recognized as one of the best emergency medical services systems in the world. Our cardiac arrest survival rate is among the highest reported anywhere - cardiac arrest victims here are 2 to 3 times more likely to survive compared to other cities. The system's excellent medical care is available to everyone by simply dialing 9-1-1, whatever the medical emergency, regardless of location, circumstance, or time of day.

The Medic One levy is not a new tax. It continues funding the program that provides critical emergency services for everyone in King County. King County voters have supported Medic One by passing levies for over 45 years. This renewal would *lower* the maximum levy rate by \$0.015 to \$0.25 per \$1,000 of assessed value. At the proposed levy rate, owners of a \$850,000 home will pay \$212 a year for world class emergency medical care to be at their side within minutes.

We depend on Medic One to be there when we need it, 24 hours a day, every day. Now it's our turn to be there for Medic One. Join your firefighters and paramedics in renewing your commitment. Say Yes to Medic One and vote Yes on King County Proposition 1.

Proposition No. 1

School Construction and Replacement Bonds

The Board of Directors of Auburn School District No. 408 has approved Resolution 1408, concerning a proposition to finance construction of new and replacement schools. This proposition would authorize the District to provide funds to construct a new Middle School and replacements for Cascade Middle School and Alpac Elementary, in order to increase capacity and reduce class sizes, modernize technology and learning environments, improve safety and security, and renovate playfields for student and community use, by issuing up to \$490,000,000 of general obligation bonds maturing within 20 years, and levying annual excess property taxes to repay the bonds, as the resolution provides.

Should this proposition be:

Approved

Rejected

The complete text of this measure is available at the Elections Office or online at kingcounty.gov/elections.

You will be voting to **Approve or Reject** Proposition No. 1

Requirement passage: 60% yes vote and a minimum turnout of 40% of voters casting ballots in last general election (Washington Constitution, art. VII, sec. 2(b))

Explanatory statement

Passage of Proposition 1 enables Auburn School District to finance the construction of new and replacement schools by issuing up to \$490,000,000 of general obligation bonds. If voters approve this proposition, the District will use the bond proceeds to (1) construct and equip a new Middle School #5, (2) construct and equip a new middle school with enlarged capacity to replace Cascade Middle School, and (3) construct and equip a new elementary school with enlarged capacity to replace Alpac Elementary School. These projects will increase school capacity and reduce class sizes, modernize technology and student learning environments, improve safety and security, and improve and expand playfields and athletic facilities for student and community use.

If voters approve this proposition, the District expects to receive approximately \$26,000,000 in construction assistance funds from the State to complete these projects. The bonds will mature within 20 years and be repaid from annual excess property tax levies. Based on projected assessed valuation information, the District estimates the excess levy rate to average \$1.04 per \$1,000 of assessed property value.

A property tax exemption may be available to senior or disabled homeowners who meet specified income limits. For information regarding exemptions, call the King County Assessor at (206) 296-3920.

Statement in favor

Jason Wright, Cary Manry

We urge a *Yes vote* on this bond to build a new middle school and replace Cascade Middle School and Alpac Elementary. Over *900 middle school students are currently learning in portables*, and Alpac requires ongoing, costly repairs. Our students need safe, modern schools to succeed.

This bond is a *smart, responsible investment*. The Auburn School District has a strong record of *on-time, on-budget construction* and has managed finances carefully by *retiring debt*—keeping the tax impact low.

The projected cost is \$1.04 per \$1,000 of assessed value, or about \$47.66 per month for a \$550,000 home.

Auburn voters have consistently supported education, and our community has seen the benefits. With no long-term plan from the state to fully fund school construction, it's up to us to act. Let's continue investing in our kids and our community. Vote Yes to build the schools our students deserve.

Statement in opposition

Yuval Fleming

Auburn School District is a great asset to the Auburn community, teachers and support staff work tirelessly to provide a quality education to the students they serve. Well-funded schools are critical to economic prosperity a student achievement.

However, now is not the right time to take out a \$500 million bond for school construction. Interest rates are at record highs and our community faces an affordability crises. This bond would cost the average homeowner \$12,000 over the course of 20 years. Student enrollment is extremely difficult to forecast, population growth in Auburn has plateaued in recent years and new restrictions on immigration at the federal level could significantly decrease student enrollment making it unnecessary to build new schools.

This is not a prudent allocation of scarce resources as none of this revenue would be used to increase teacher pay or decrease class size the two most impactful instruments to improve student achievement.

Lastly, the State of Washington should provide funding for school construction, continuing to rely on regressive property taxes is not equitable or sustainable and places an unfair financial burden on the working class and less affluent communities.

Rebuttal of statement in opposition

While interest rates are high, delaying school construction will cost more due to inflation and aging facilities. Auburn middle schools are over capacity and Cascade MS is severely outdated — needs state funding does not meet.

Bond funds can't raise salaries, but safe, modern classrooms boost learning. Property taxes aren't perfect, yet they're the most direct way to invest in our children today. Waiting risks higher costs and diminished educational quality for current and future students.

Proposition No. 2

Safety, Security, Facility Improvements, and Technology Replacement Levy

The Board of Directors of Auburn School District No. 408 adopted Resolution No. 1409 concerning a proposition to fund safety, security, technology and capital improvements. This proposition would authorize the District to replace an expiring levy by levying the following excess taxes upon all taxable property within the District, to provide funds for Districtwide facilities improvements, including safety and security improvements, technology system upgrades, and building and infrastructure renovations:

Collection Years	Approximate Levy Rate/\$1,000 Assessed Value	Levy Amount
2026	\$0.77	\$17,144,318
2027	\$0.77	\$17,658,648
2028	\$0.77	\$18,188,408
2029	\$0.77	\$18,734,060
2030	\$0.77	\$19,296,082
2031	\$0.77	\$19,778,484

on Proposition No. 2

Requirement passage: Simple majority (Wash. Const. art. VII, sec. 2(a))

Explanatory statement

Passage of Proposition No. 2 enables Auburn School District to fund safety, security, and capital improvements throughout the District and will replace the expiring technology levy with a sixyear levy. If voters approve this proposition, the District will use the funds to make Districtwide improvements including: (1) safety and security improvements, including upgraded and expanded security camera systems, secured building entries and access controls, intrusion alarms, fencing, and exterior lighting; (2) upgrades to technology systems, including modernized computer infrastructure, new computers and technology devices for students and staff, enhanced cybersecurity protections, assistive technology, vape detection, and digital safety curriculum; (3) building improvements, including major repairs, ADA improvements, seismic upgrades, roofing, paving, heating, ventilation, air conditioning, flooring, and electrical and plumbing system upgrades; and (4) energy conservation improvements.

The proposed levy will authorize collection of annual excess property taxes of between \$17,144,318 and \$19,778,484 from 2026 through 2031, for a maximum six-year total of \$110,800,000. Based on projected assessed valuation information, the District estimates the excess property tax rate to be approximately \$0.77 per \$1,000 of assessed value for each year of the six-year levy.

A property tax exemption may be available to senior or disabled homeowners who meet specified income limits. For information regarding exemptions, call the King County Assessor at (206) 296-3920.

A community-led Citizen's Ad Hoc Committee—made up of parents, staff, and students—carefully reviewed Auburn's technology and safety needs. This *replacement* levy directly reflects the *top priorities* identified through their work and community surveys.

This levy will replace the expiring technology levy and fund *critical safety upgrades* in every school, including secure entry vestibules for older buildings, card-access systems, fencing, lighting, vape detectors, and security cameras. It will also ensure students continue to have 1:1 technology access, and fund specialized devices to support the communication and learning needs of students with disabilities.

In today's world, technology and safety are not luxuries—they're essentials. This levy provides the tools and protections all students need to thrive and that the state simply doesn't fully fund.

We've come together as a community to define what our kids need. Now we must act. *Vote Yes for safer schools. Vote Yes for equal access to learning. Vote Yes to keep Auburn's schools strong and secure.*

Proposition No. 1

Levy Lid Lift

The Board of King County Fire Protection District No. 50 adopted Resolution No. 25-02 concerning a proposition to restore its regular property tax levy.

This proposition authorizes the District to establish its regular property tax levy at \$1.50 per \$1,000 of assessed value to be assessed in 2025 and collected in 2026. The funds will maintain and improve fire protection, and emergency medical services, replace apparatus and equipment, and provide for firefighter safety. The dollar amount of the 2025 levy collected in 2026 shall serve as the base for computing subsequent levy limitations as provided by chapter 84.55 RCW.

Proposition No. 1

Requirement passage: Simple majority (RCW 84.55.050)

Explanatory statement

King County Fire Protection District No. 50 provides emergency fire protection and medical services to its citizens. If approved by the voters, this proposition authorizes the Department to establish its regular real property tax levy rate at \$1.50 per \$1,000 of assessed valuation in 2025 for collection in 2026 (the current levy is approximately \$.86 per \$1,000 of assessed valuation).

Your Fire Department Board of Commissioners has determined that this proposition is necessary to maintain an effective level of services, fire fighter staffing, equipment and facilities in light of rising costs and increasing service demands. Approval of this measure will allow your fire department to maintain the level of fire protection and emergency medical services provided to its citizens.

The dollar amount levied in 2025 for collection in 2026 shall serve as the fire department's tax levy base and absent further voter approval, the tax levy will then be subject to the statutory one percent limit.

Raising the fire levy lid is an investment in our community's safety and resilience. Today, our fire department faces budget constraints that threaten the quality of emergency response, firefighter training, and the upkeep of lifesaving equipment. A lid lift would restore funding to sustainable levels, ensuring that when disaster strikes, whether a fire, medical emergency, or natural disaster—our department is fully prepared to respond swiftly and effectively.

This measure directly funds essential services, keeping our firefighters equipped with modern tools and the ongoing training they need to protect lives and property. It also reflects our commitment to fiscal responsibility, addressing financial challenges now to prevent future deficits and higher costs down the line.

Every dollar raised will be transparently invested in maintaining and improving core emergency services. By supporting the fire levy lid lift, you're helping ensure our services don't degrade over the years but continue to assure the community remains safe, secure, and well-served—today and for years to come. Let's come together to support those who protect us and preserve the strength of our neighborhood.

Proposition No. 1

Levy Lid Lift for Health Care Services

The Commission of King County Public Hospital District No. 1, King County, Washington (Valley Medical Center) adopted Resolution No. 1066 concerning the district's regular property tax levy. If approved, this proposition would provide additional operating and capital funds for Valley Medical Center to provide hospital and other healthcare services to its residents and other persons served by Valley Medical Center. It authorizes a maximum regular property levy rate for collection in 2026 of 75 cents per \$1,000 of assessed value. The 2026 levy amount will be used for the purpose of computing the limitations for levies in subsequent years. Should this proposition be:

The complete text of this measure is available at the Elections Office or online at kingcounty.gov/elections.

You will be voting to **Approve or Reject** Proposition No. 1

Requirement passage: Simple majority (RCW 84.55.050)

Explanatory statement

King County Public Hospital District No. 1 operates Valley Medical Center. It provides hospital inpatient, outpatient and other healthcare services to the residents of the public hospital district and other persons served by the district.

Under state law, public hospital districts are authorized to levy regular property taxes at a rate of up to 75 cents per \$1,000 of assessed value for purposes of operating and maintaining hospital and other healthcare facilities and services. Because state law limits the amount that taxes can increase without voter approval, Valley Medical Center's levy rate has declined over the years to approximately 29 cents in 2025.

Valley Medical Center's publicly-elected Board of Commissioners has determined that it is necessary and in the best interest of the residents served by Valley Medical Center to request approval to increase its regular property tax levy rate to 75 cents per \$1000 of assessed value beginning in 2026, which would be an increase of approximately 46 cents from the current rate. The levy will provide additional operating and capital funds to support the delivery of hospital and other health care services including funds to sustain lifesaving emergency services, preventive care and other health care services for the community served by Valley Medical Center.

The 2026 levy amount will be used for the purpose of computing the limitations for the District's levies in subsequent years.

Public Hospital District No. 1 of King County, known as Valley Medical Center, has been serving this community for nearly 80 years. As community members, we've witnessed healthcare needs growing and changing, and Valley is working hard to try and keep pace with those needs.

When our loved ones need medical help – in an emergency, for regular check-ups or specialized care – access to high-quality healthcare should be close to home.

Vote Yes to Hospital Proposition 1 to secure the future of local care. Valley provides crucial hospital services 24 hours a day, including childbirth, trauma and emergency care, and intensive hospital care.

Vote Yes to keep care close to home. Get the care you need where you live. Having excellent care just minutes away means less stress, shorter commutes, and more time with the ones you love.

Vote Yes to build careers in South King County. The people at Valley are committed to the mission of caring for our community like family. They need stability, competitive wages and opportunities to learn and grow with our community.

Join us in voting *Yes* to address these challenges and renew support for Valley Medical Center - our independent, community-owned hospital.

AN ORDINANCE relating to the funding and provision of Medic One emergency medical services; providing for the submission to the qualified electors of King County, at special election on November 4, 2025, of a proposition to fund the countywide Medic One emergency medical services by authorizing the continuation of a regular property tax levy for a consecutive six year period, for collection beginning in 2026, at a rate of \$0.25 or less per \$1,000 of assessed valuation, to provide for Medic One emergency medical services.

PREAMBLE:

The Medic One Emergency Medical Services ("EMS") system of King County, publicly known as Medic One, is an integrated publicly funded partnership between the county, cities, fire districts, regional fire authorities, hospitals, and the University of Washington.

Medic One/EMS is a tiered response system that is based on the regional medical model and collaborative partnerships. The services that EMS personnel provide are derived from the highest standards of medical training, practices and care, scientific evidence, and close supervision by physicians experienced in EMS care. It includes basic life support by city, fire district, and regional fire authority emergency medical technicians, advanced life support by University of Washington/ Harborview Medical Center trained paramedics, and regional support programs that provide resident and EMS personnel training, regional medical control, and quality improvement.

The Medic One/EMS system of King County is recognized as one of the best emergency medical services programs in the country. It saves thousands of lives every year, providing life-saving services on average every two minutes. Compared to other communities, cardiac arrest victims are two to three times more likely to survive in King County. In 2023, King County achieved a fifty-one-percent survival rate for cardiac arrest, which is among the highest reported rate in the nation.

The provision of Medic One emergency medical services on a countywide basis is a public purpose of King County. King County supports Medic One emergency medical services as a regional service that requires a continuing leadership role for the county. The county should continue to exercise its leadership and assume responsibility for assuring the orderly and comprehensive development and provision of Medic One emergency medical services throughout the county.

The concern for assuring the continuance of a countywide Medic One/EMS program is shared by King County cities, fire protection districts, and regional fire authorities that participate in the Medic One emergency medical services programs.

Sustained funding for the regional Medic One/EMS system is needed to continue this essential service for the residents of King County.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Approval of cities over 50,000 in population. Pursuant to RCW 84.52.069, before submission to the electors of King County at a special election on November 4, 2025, approval to place this countywide levy proposal on the ballot will be

obtained from the legislative authority of a majority of at least seventy-five percent of all cities in the county over 50,000 in population.

<u>SECTION 2.</u> **Definitions.** The definitions in this section apply throughout this ordinance unless the context clearly requires otherwise.

- A. "County" means King County.
- B. "Levy" means the levy of regular property taxes, for the specific purpose and term provided in this ordinance and authorized by the electorate in accordance with state law.
- C. "Levy proceeds" means the principal amount of moneys raised by the levy, any interest earnings on the funds and the proceeds of any interim financing following authorization of the levy.

SECTION 3. City of Seattle reimbursement. It is recognized that the city of Seattle operates and funds a Medic One emergency medical services program that is separate from the county program but part of the regional delivery system. All levy proceeds collected pursuant to the levy authorized in this ordinance from taxable property located within the legal boundaries of the city of Seattle shall be reimbursed and transferred to the city of Seattle and used solely for the Seattle Medic One emergency medical services program in accordance with RCW 84.52.069.

SECTION 4. Levy submittal to voters. To provide necessary funding for the Medic One/EMS system under the authority of RCW 84.52.069, the county council shall submit to the qualified electors of the county a proposition authorizing a regular property tax levy for six consecutive years, with collection commencing in 2026, at a rate not to exceed \$0.25 per one thousand dollars of assessed value. As provided under state law, this levy shall be exempt from the rate limitations under RCW 84.52.043, but subject in years two through six to the limitations imposed under chapter 84.55 RCW.

<u>SECTION 5.</u> **Deposit of levy proceeds**. Except for the levy proceeds transferred to the city of Seattle under section 3 of this ordinance, all levy proceeds shall be deposited into the county emergency medical services fund.

<u>SECTION 6.</u> **Eligible expenditures**. If approved by the qualified electors of the county, all proceeds of the levy authorized in this ordinance shall be used in accordance with RCW 84.52.069.

SECTION 7. **Call for special election**. In accordance with RCW 29A.04.321, a special election is called for November 4, 2025, to consider a proposition authorizing an additional regular property tax levy for the purposes described in this ordinance. The director of elections shall cause notice to be given of this ordinance in accordance with the state constitution and general law and to submit to the qualified electors of the county, at the said special election, the proposition hereinafter set forth. The clerk of the council shall certify that proposition to the director of elections, in substantially the following form:

PROPOSITION ONE: The King County Council adopted Ordinance ____ concerning continuation of funding for the county-wide Medic One emergency medical services system. Should King

Yes	
No	

<u>SECTION 8.</u> **Interlocal agreement**. The county executive is hereby authorized and directed to enter into an interlocal agreement with the city of Seattle relating to the Medic One program, to implement the provisions of section 3 of this ordinance.

<u>SECTION 9.</u> **Local voters' pamphlet.** The director of elections is hereby authorized and requested to prepare and distribute a local voters' pamphlet, pursuant to K.C.C. 1.10.010, for the special election called for in this ordinance, the cost of the pamphlet to be included as part of the cost of the election.

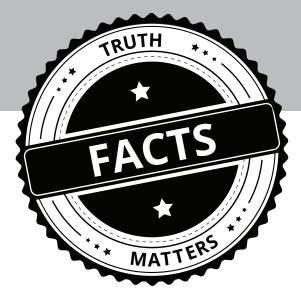

SECTION 10. **Exemption**. The additional regular property taxes authorized by this ordinance shall be included in any real property tax exemption authorized by RCW 84.36.381, if that statute is amended by the state legislature during the term of this levy.

SECTION 11. **Ratification**. Certification of the proposition by the clerk of the county council to the King County director of elections in accordance with law before the election on November 4, 2025, and any other act consistent with the authority and before the effective date of this ordinance are hereby ratified and confirmed.

<u>SECTION 12.</u> **Severability**. If any provision of this ordinance or its application to any person or circumstance is held invalid, the remainder of the ordinance or the application of the provision to other persons or circumstances is not affected.

Truth Matters

Between partisan arguments and misinformation, sometimes the path to the truth is unclear. Here are some tips for finding your way to the facts.

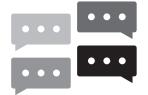

Question the source.

Whether you see something confusing online or hear it from a friend, family member, or colleague, take a moment to find out where the information came from. Learning whether the source is known and trusted can help you figure out whether the information is true.

Think critically.

It can be helpful (especially when we feel strongly about something) to take a moment and apply curiosity to the situation. Pause to consider a few simple questions: Who is sharing this information? Why? When was it originally published? What else might be helpful for me to know?

Seek diverse opinions.

Seeking out information from sources with a variety of viewpoints and backgrounds can help paint the clearest picture of the truth.
