1 AN ORDINANCE relating to taxicabs and for-hire vehicles
 2 and fees related to the for-hire transportation industry;
 3 amending Ordinance 2165, Section 6, as amended, and
 4 K.C.C. 2.98.060, Ordinance 2165, Section 8, as amended,
 5 and K.C.C. 2.98.080, Ordinance 18398, Section 8, as
 6 amended, and K.C.C. 4A.601.025, Ordinance 10498,
 7 Section 6, as amended, and K.C.C. 4A.750.100, Ordinance
 8 18230, Section 79, as amended, and K.C.C. 6.01.150, and
 9 Ordinance 18230, Section 16, as amended, and K.C.C.
 10 20.22.070 and adding a new chapter to K.C.C. Title 6 and
 11 prescribing penalties.

STATEMENT OF FACTS:

- 13 1. The county desires to continue comprehensively regulating for-hire
 14 transportation industries, including taxicabs and for-hire vehicles.
- 15 2. The county has implemented new policies over the last few years to help
 16 the operators of taxicabs and for-hire vehicles navigate the loss of business
 17 during the COVID pandemic and subsequent economic recession.
- 18 3. Industry participants have requested legislation to modernize licensing
 19 and operating requirements and align them with the county's vision to make
 20 King County a welcoming community where all people can thrive.

Ordinance 19700

21 4. The county desires to allow for regional operation of all licensed taxicabs
22 and for-hire vehicles, implement new taximeter technology, offer the option
23 to apply for an enhanced for-hire driver’s license, and convert all for-hire
24 vehicles into taxicabs.

25 5. Requiring transitional regional dispatch agencies or regional dispatch
26 agencies to implement new taximeter technology could result in increased
27 deductions for dispatch services that negatively impact a driver's ability to
28 earn a living wage and capping such deductions at ten percent of the fare
29 paid by the passenger could protect driver payments from unrestricted
30 deductions for dispatch services and support a living wage.

31 6. The county is committed to ensuring that drivers benefit from new
32 regulations and experience equitable opportunities for compensation within
33 the for-hire transportation industry.

34 7. The county is a leader on establishing practices that support economic
35 security and contribute to a fair, healthy, and vibrant economy.

36 8. The county partners with the city of Seattle to regulate the broader for-
37 hire transportation industry and desires to maintain that partnership under
38 common regulations in the future.

39 9. Due to changes in state law governing the regulation of transportation
40 network companies, establishing a new King County Code chapter to
41 regulate taxicabs and for-hire vehicles and amending an existing King
42 County Code chapter to continue to regulate the transportation network

Ordinance 19700

43 industry provides the best approach to implement the county's policy
44 objectives for these industries.

45 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

46 SECTION 1. Sections 2 through 53 of this ordinance should constitute a new
47 chapter in K.C.C. Title 6.

48 NEW SECTION. SECTION 2.

49 A. This chapter is an exercise of King County's power to regulate the for-hire
50 transportation industry. That exercise includes the power to license and regulate taxicabs,
51 for-hire vehicles, taxicab and for-hire vehicle drivers, transitional regional dispatch
52 agencies, and regional dispatch agencies. Some of its regulatory purposes are to increase
53 the safety, reliability, cost-effectiveness, and economic viability and stability of privately
54 operated for-hire vehicle and taxicab services within King County.

55 B. The obligation of complying with this chapter belongs to the licensee or
56 applicant for a license. Neither a provision of, nor a term used in, this chapter is intended
57 to impose any duty whatsoever upon the county or any of its officers or employees, for
58 whom the implementation or enforcement of this chapter shall be discretionary and not
59 mandatory.

60 C. This chapter is not intended to be and shall not be construed to create or form,
61 the basis for any liability on the part of the county or its officers, employees, or agents,
62 for any injury or damage resulting from the failure of a licensee or applicant for license to
63 comply with this chapter, or by reason or in consequence of any act or omission in
64 connection with the implementation or enforcement of this chapter on the part of the
65 county by its officers, employees, or agents.

Ordinance 19700

66 D. This chapter is intended to reduce regulatory complexity, promote equity and
67 innovation, improve transportation and integration of the for-hire transportation industry,
68 and ensure consumer protection and public safety. To fulfill these purposes, King
69 County:

70 1. Establishes reciprocal licensing privileges for city of Seattle medallion
71 owners to operate within King County. This reciprocity authorizes medallion owners to
72 operate in both King County and the city of Seattle;

73 2. Establishes regional operating privileges for taxicab and for-hire vehicle
74 drivers licensed by the city of Seattle to operate within King County. This license allows
75 the driver to operate in both King County and the city of Seattle;

76 3. Consolidates the regulatory classifications of taxicabs and for-hire vehicles
77 into a single taxicab standard. When a for-hire vehicle transitions to a taxicab, the
78 reciprocal operating privilege will follow;

79 4. Consolidates the regulatory classifications of taxicab associations and for-hire
80 vehicle companies into a single, regional dispatch agency license that is subject to a
81 common set of operating rules and standards;

82 5. Establishes regional licensing privileges for taxicab associations and for-hire
83 vehicle companies licensed by the city of Seattle to operate in King County. When a
84 taxicab association or for-hire vehicle company transitions to a regional dispatch agency,
85 the regional license will follow; and

86 6. Establishes a requirement for each regional dispatch agency to adopt a smart
87 taximeter system.

Ordinance 19700

89 hire vehicle companies, taxicabs, for-hire vehicles, and drivers of those vehicles. K.C.C.

91 company drivers, and transportation network company vehicles. Regulation of

95 agreement with either the city of Seattle or the Port of Seattle, or both, for the purposes of
96 coordinating and consolidating the regulation of the for-hire transportation industry under
97 this chapter.

98 NEW SECTION. SECTION 5. The executive or designee may enter into
99 agreements with any other city, town, county, or port district for the joint regulation of
100 for-hire and taxicab drivers in a manner consistent with the provisions of this chapter.
101 Agreements may provide for, but are not limited to, the granting, revocation, and

610 B. A violation of this section may result in a suspension from one or more
611 taxicab zones, in addition to penalties as authorized in section 46 of this ordinance.

612 NEW SECTION. SECTION 21. Regional for-hire drivers operating at Seattle-
613 Tacoma International Airport shall adhere to the following additional standards:

625 vehicle medallion issued by the city of Seattle shall be issued a county medallion
626 reciprocity endorsement. The medallion and medallion reciprocity endorsement shall be

Ordinance 19700

627 inseparable. A medallion cannot be issued, renewed, transferred, or temporarily
628 deactivated separately from the medallion reciprocity endorsement. Any restriction
629 imposed on a medallion through a license action applies with equal force to the
630 corresponding medallion reciprocity endorsement. Any restriction imposed on a
631 medallion reciprocity endorsement through a license action applies with equal force to
632 the corresponding medallion.

633 B. Effective September 1, 2024, an existing medallion issued by the county and
634 an existing medallion issued by the city of Seattle and that were previously required to be
635 used with the same vehicle may be separated to be used with different vehicles or to be
636 transferred. Such medallions used with the same vehicle in both King County and the city
637 of Seattle may be separated at any time by the medallion owner by requesting such
638 separation on a form or in a format established by the director. This provision applies to
639 all medallion types.

640 C. The owner of a taxicab or for-hire vehicle medallion may use the medallion as
641 collateral to secure a loan from a bank or any other financial institution. Medallion
642 owners shall file with the director the name of any and all lienholders, on forms furnished
643 by the director. The collateral shall be described as "King County taxicab medallion" or,
644 until March 31, 2026, "King County for-hire vehicle medallion," and shall include the
645 medallion number. Within thirty days of the date of creation of the pledge, lien, or
646 security interest, the party that holds the pledge, lien, or security interest, shall record the
647 same as required by state law and provide a copy of the recording to the director.

648 D. The interest of a medallion owner may be suspended or revoked for any
649 reason enumerated in this chapter for the suspension or revocation of a medallion.

Ordinance 19700

650 E. Upon a final order of medallion revocation, when all appellate proceedings, if
651 any, have been concluded, the medallion may only be transferred as prescribed by this
652 section, section 26 of this ordinance, and as prescribed by the director by rule.

653 F. In accepting a medallion, medallion owners waive any and all liability, claims,
654 actions, suits, loss, costs, expense judgments, attorneys' fees, or damages of every kind
655 and description resulting directly or indirectly from any act or omission of the county, its
656 officials, officers, employees, and agents regarding the valuation or devaluation of the
657 medallion.

658 G. The county assumes no liability for any devaluation of the medallion,
659 including but not limited to any devaluation due to regulatory action or market forces.

660 H. Except for an owner awarded a new taxicab or for-hire vehicle medallion that
661 is required to meet the minimum operating requirements in **section 45.H. of this**
662 **ordinance**, a medallion owner may voluntarily transfer or sell a medallion in accordance
663 with this section, section 26 of this ordinance, and as prescribed by the director by rule.

664 I. Medallion owners may lease an interest in the medallion as prescribed by
665 director's rule. A leased medallion shall not be subleased to another party.

666 NEW SECTION. SECTION 23.

667 A. Unless adjusted by the director by rule, the maximum number of taxicab
668 medallions is one thousand three hundred. Wheelchair accessible taxicab medallions do
669 not count towards the maximum number.

670 B. On April 1, 2026, all for-hire vehicle medallions shall become taxicab
671 medallions. The medallion system for for-hire vehicles shall no longer be in effect after
672 March 31, 2026.

Ordinance 19700

673 C. The director may issue additional taxicab medallions only as specified by this
674 section.

675 D. The director may adjust by rule the maximum number of taxicab medallions
676 and shall periodically determine the need for additional taxicab service. Factors to be
677 considered to adjust the maximum number of taxicab medallions or to issue additional
678 taxicab medallions include:

- 679 1. Coordination with the city of Seattle to promote a regional licensing and
680 regulatory framework for for-hire transportation services;
- 681 2. Growth in population, tourists, and other visitors to the area;
- 682 3. The quality of existing taxicab service as indicated by passenger satisfaction,
683 including wheelchair accessible vehicle service, if applicable;
- 684 4. A comparison of actual average taxicab response times to optimum average
685 taxicab response times established by the director;
- 686 5. Availability and quality of for-hire transportation services in underserved
687 communities, including areas of lower population density;
- 688 6. Available data of medallion sales on the private market;
- 689 7. Analysis of drivers' ability to earn a living wage, including the impact of
690 adjusting the number of medallions on driver income; and
- 691 8. Other indications of market demand.

692 E.1. If the director determines that issuance of additional taxicab medallions is
693 warranted, such medallions shall be issued as follows:

- 694 a. a competitive request for proposals and award process under which
695 medallions will be issued to medallion applicants whose proposals demonstrate that they

Ordinance 19700

696 are most able to meet the needs of the public in providing taxicab service by meeting
697 qualifications prepared by the director that are not in conflict with the general provisions
698 of this chapter;

699 b. a lottery of qualified medallion applicants; or

700 c. a combination of both procedures as prescribed by the director by rule.

701 2. Regardless of the method used, the director shall consider a medallion
702 applicant's driving record, driving experience, current or previous medallion ownership,
703 and any additional qualifications required by the director.

704 3. If issuing a wheelchair accessible taxicab medallion, the director may
705 additionally consider the medallion applicant's qualifying experience transporting
706 individuals with disabilities who require any type of mobility device, including a manual
707 or motorized wheelchair, and any additional qualifications required by the director.

708 F. Any additional taxicab medallion shall only be issued to a medallion applicant
709 who is an individual. No corporation, limited liability company, or partnership shall
710 obtain any medallion held by an individual until the expiration of three years following
711 the original date of issuance to that individual; however, additional taxicab medallions
712 may be issued to and be held by the following business entities:

713 1. Corporations held by a single shareholder, except that the taxicab must be
714 personally operated by the single shareholder for a period of three years from the date of
715 issuance of the medallion and the ownership of the shares of the corporation cannot be
716 changed within the three-year period. Any change of ownership of shares of the
717 corporation shall result in revocation of the medallion; or

Ordinance 19700

718 2. Limited liability companies comprised of a single member, except that the
719 taxicab must be personally operated by the single member for a period of three years
720 from the date of issuance of the medallion and no change of membership may take place
721 within the three-year period. Any change of membership of the limited liability company
722 shall result in revocation of the medallion.

723 G. For three years following the date of issuance of an additional taxicab
724 medallion or an additional wheelchair accessible taxicab medallion in accordance with
725 subsections E. and J. of this section, the medallion owner must personally drive the
726 taxicab for at least thirty hours per week for a minimum of forty weeks per year. If the
727 medallion owner fails to fulfill this minimum operating requirement in any one-year
728 period within the three-year period following the date of issuance, the medallion shall be
729 revoked and shall not be eligible for transfer by its original owner. The medallion shall
730 be transferable upon the completion of the three-year operating requirement.

731 H. A medallion plate, medallion decal, or other indicia issued to a medallion
732 owner shall remain the property of the director.

733 I. A medallion owner may seek director approval to permanently convert a
734 medallion to a wheelchair accessible taxicab medallion. Such a conversion shall be
735 subject to conditions prescribed by the director by rule. Conversion of a taxicab
736 medallion to a wheelchair accessible taxicab medallion is not considered the issuance of
737 an additional medallion. A medallion that has been operated for three or more years that
738 is permanently converted to a wheelchair accessible taxicab medallion shall be
739 transferrable and not subject to a new three-year operating requirement.

Ordinance 19700

740 J. As an alternative to the process outlined in subsection E. of this section, the
741 director may issue King County medallion reciprocity endorsements to medallion
742 applicants selected by the city of Seattle to be issued a city of Seattle taxicab medallion or
743 a city of Seattle wheelchair accessible taxicab medallion, as applicable.

744 NEW SECTION. SECTION 24.

745 A. Effective September 1, 2024, any time a medallion is not operating for sixty
746 days or more, the medallion owner, or an authorized representative, shall file a notice of
747 temporary deactivation with the director in a manner determined by the director. A
748 temporary deactivation may be for any reason, including, but not limited to, an inoperable
749 or unavailable vehicle, a temporary lack of affiliation with an agency, an extended leave
750 of absence, or owner convenience.

751 B. When a notice of temporary deactivation is filed with the director:

752 1. If the medallion is not expired, the deactivation period shall not exceed
753 twelve consecutive months from the date the temporary deactivation notice is filed with
754 the director;

755 2. If the medallion is expired, the deactivation period shall not be more than
756 twelve consecutive months from September 1, 2024, or from the date the medallion
757 expired, whichever is longer; and

758 3. If the medallion is expired or expires during the temporary deactivation
759 period, the medallion renewal process must be completed before the medallion can be
760 reactivated.

761 C. The director may initiate a temporary deactivation when the director becomes
762 aware that a medallion has not been operating for sixty days or more.

Ordinance 19700

763 D. For medallions revoked, relinquished, or otherwise held by the director after
764 January 31, 2015, and before September 1, 2024, the temporary deactivation period shall
765 begin on September 1, 2024. A medallion previously revoked, relinquished, or otherwise
766 held by the director, must be renewed within twelve months of September 1, 2024.

767 E. If a medallion owner fails to reactivate the medallion within twelve months
768 from the effective date of the temporary deactivation, the director shall issue a notice of
769 retirement to the medallion owner. Within sixty days of the notice of retirement, the
770 medallion owner may reactivate or transfer the medallion. If the medallion is not
771 reactivated or transferred within sixty days of the notice of retirement, the medallion is
772 retired and an order of retirement will be issued by the director. The medallion owner
773 may appeal the order of retirement in accordance with section 48 of this ordinance.
774 Failure to appeal means the order of retirement issued by the director is final. The taxicab
775 or for-hire vehicle medallion plate or decal that has been retired shall be returned to the
776 director within fifteen days of the final order of retirement, or if the order is appealed and
777 affirmed, within fifteen days after all appellate proceedings have concluded.

778 F. Medallions issued via a lottery or request for proposals shall not be
779 transferrable until the obligations section 23.G. of this ordinance have been met.

780 G. Vehicle insurance is not required if a medallion is temporarily deactivated.
781 The medallion owner must provide proof of vehicle insurance when reactivating the
782 medallion.

783 NEW SECTION. SECTION 25. It is unlawful to operate a taxicab or for-hire
784 vehicle with a medallion that is suspended or revoked. The operation of the taxicab or

Ordinance 19700

785 for-hire vehicle must cease, and the medallion owner shall immediately surrender the
786 medallion plate or medallion decal to the director.

787 NEW SECTION. SECTION 26. Except for an owner subject to the minimum

793 owed that were issued under this chapter, no unexpired vehicle lease agreements, and no
794 unexpired medallion lease agreements;

821 the transferee meets all requirements in section 26 of this ordinance.

822 B. An executor or administrator may continue the operation of a taxicab or for-
823 hire vehicle only with prior written approval of the director. The executor or
824 administrator shall apply for such approval.

914 section when no other viable insurance options are available to the industry.

998 to, the following factors:

- 999 1. The price of new or used electric vehicles compared to new and used
1000 nonelectric vehicles;

1002 full-time for-hire transportation services;
- 1003 3. The availability of recharging infrastructure in locations and at times that are
1004 convenient for regional for-hire drivers, and if recharging time conflicts with the regional
1005 for-hire driver's need to operate the vehicle; and
- 1006 4. If the vehicle life cycle for existing and new electric vehicles creates an
1007 undue burden for the vehicle owner or regional for-hire driver.

1008 B. Nothing in this chapter shall be construed to require or restrict a regional for-
1009 hire driver's use of electric vehicles for for-hire transportation services.

1182 2. A transitional regional dispatch agency that is affiliated with taxicabs at the
1183 time of being issued a transitional regional dispatch agency license that does not have a
1184 smart taximeter system approved by the director, shall provide a dispatch system
1185 integrated with the vehicle's taximeter for all affiliated vehicles.

1186 NEW SECTION. SECTION 38. A transitional regional dispatch agency license
1187 or regional dispatch agency license issued by King County and a corresponding regional
1188 dispatch agency license or transitional regional dispatch agency license issued by the city
1189 of Seattle shall be considered one inseparable license.

1190 NEW SECTION. SECTION 39.

1191 A. At all times, a transitional regional dispatch agency or regional dispatch
1192 agency shall:

Ordinance 19700

1194 dispatch agency license;
- 1195 2. Ensure all information provided to the director does not misstate or omit
1196 material facts;
- 1197 3. Inform the director in writing within seven days if any of the information
1198 provided in the transitional regional dispatch agency or regional dispatch agency license
1199 application changes, including if it ceases to be true or is superseded in any way by new
1200 information;
- 1201 4. Ensure any driver of an affiliated vehicle possesses a valid regional for-hire
1202 driver's license, enhanced regional for-hire driver's license, or regional for-hire driver's
1203 license wheelchair accessible vehicle endorsement, or any combination thereof, as
1204 applicable to either the ride type or the vehicle type, or both;
- 1205 5. Require affiliated vehicles to meet all requirements of this chapter, including
1206 but not limited to passing an annual vehicle safety inspection and being licensed,
1207 endorsed, and insured;
- 1208 6. Notify the director in writing within seven days upon adding or removing an
1209 affiliated vehicle;
- 1210 7. Require affiliated vehicles to be fully equipped as required by this chapter
1211 whenever operating as a taxicab or for-hire vehicle;
- 1212 8. Accept service of general correspondence, license actions, citations, and
1213 notices of complaints on behalf of an affiliated driver or vehicle owner and forward such
1214 to the respective affiliated driver or vehicle owner;

Ordinance 19700

- 1215 9. Prioritize dispatch services to passengers in wheelchairs or other mobility
1216 devices when dispatching affiliated wheelchair accessible vehicles;
- 1217 10. Allow passengers to indicate whether they require a wheelchair-accessible
1218 vehicle and connect passengers to those services either directly or via a weblink,
1219 application, or phone number, if no wheelchair accessible vehicles are available on the
1220 agency’s application dispatch system. The director may suspend or alter this requirement
1221 by rule if a director-approved dispatch system is established for wheelchair accessible
1222 trips;
- 1223 11. Maintain a phone number, mailing address, and email address for passenger
1224 service;
- 1225 12. Record all trips, process all payments, and issue a receipt for all payments
1226 through the dispatch system, a smart taximeter system, or an application dispatch system
1227 provided to affiliated drivers;

- 1229 14. Operate only director approved application dispatch systems ;
- 1230 15. Require affiliated vehicles to comply with applicable rate structures defined

- 1234 17. Establish and enforce operating standards for affiliated drivers and vehicles
1235 to ensure code compliance and passenger satisfaction;
- 1236 18. Satisfy every request for service as long as there are affiliated taxicabs or
1237 for-hire vehicles available; except that transitional regional dispatch agencies, regional

Ordinance 19700

1238 dispatch agencies, and regional for-hire drivers, that refuse service within the meaning of
1239 section 19.J of this ordinance, shall not be subject to any penalties by the director, and, in
1240 the case of regional for-hire drivers, by the transitional regional dispatch agency or
1241 regional dispatch agency;

1242 19. Require affiliated vehicles to use a uniform color scheme or any associated
1243 graphics, or both, approved by the director;

1244 20. Provide a supervisor at a taxicab zone whenever such zone is used by
1245 affiliated taxicabs if the director determines that it is necessary due to complaints
1246 received from passengers and adjacent property owners or improper use of nearby
1247 passenger load zones, truck load zones, and charter bus zones. If the transitional regional
1248 dispatch agency, or regional dispatch agency, fails to provide a supervisor as required by
1249 the director, the director may prohibit all affiliated taxicabs from using the taxicab zone;

1250 21. Require affiliated vehicles to operate on an approved taximeter, smart
1251 taximeter system, or application dispatch system as required in this chapter;

1252 22. Remit fares made via electronic payment to regional for-hire drivers within
1253 two business days after the ride was completed;

1254 23. Remit fares made via electronic payment through the smart taximeter
1255 system to regional for-hire drivers in amounts not less than the full fare paid by the
1256 passenger, excluding deductions for fees agreed to in accordance with section 40 of this
1257 ordinance;

1258 24. Comply with applicable business license requirements for any jurisdiction
1259 for which the transitional regional dispatch agency or regional dispatch agency operates;
1260 and

Ordinance 19700

1261 25. Meet any other requirement established by the director by rule.

1262 B. A transitional regional dispatch agency that is not affiliated with taxicabs at
1263 the time of being issued a transitional regional dispatch agency license does not need to:

1264 1. Affiliate with taxicabs;

1265 2. Have or operate a taximeter;

1266 3. Comply with taximeter rates; or

1267 4. Provide a supervisor at a taxicab zone because for-hire vehicles are not
1268 permitted to operate at a taxicab zone.

1269 C. Persons not previously licensed as a taxicab association or registered as a for-
1270 hire vehicle company may apply for a transitional regional dispatch agency license in a
1271 manner determined by the director.

1272 D.1. Transitional regional dispatch agencies and regional dispatch agencies shall
1273 maintain accurate and complete operational records for all affiliated vehicles and shall
1274 submit quarterly reports, in an electronic format approved by the director.

1275 2. Reports shall include the following:

1276 a. a total count of ride per origination ZIP Code;

1277 b. a total count of ride per destination ZIP Code;

1278 c. a total count of unfulfilled ride requests by ZIP Code;

1279 d. a total count of rides provided by a wheelchair accessible vehicle by ZIP

1280 Code;

1281 e. a total count of unfulfilled ride requests for a wheelchair accessible vehicle

1282 by ZIP Code;

Ordinance 19700

1283 f. a list of vehicle collisions; including the vehicle medallion number, regional
1284 for-hire driver's license number, and if known, whether the collision was the fault of the
1285 regional for-hire driver; and whether the collision resulted in any injuries;

1286 g. a list of crimes committed against drivers;

1287 h. a list of passenger complaints; and

1288 i. any other data required by the director to ensure compliance.

1289 3. Transitional regional dispatch agencies and regional dispatch agencies shall
1290 retain records related to the reports required under subsection D. of this section for the
1291 current year and at least the two prior calendar years. Records may be maintained
1292 electronically.

1293 4. If a public records request is made of the county for documents that have
1294 been designated by a licensee as confidential or proprietary, the county may provide third
1295 party notice to the providing party prior to disclosure.

1296 E. A transitional regional dispatch agency and regional dispatch agency shall
1297 store, and upon request permit the director to review, all records required by this chapter
1298 for affiliated drivers and vehicles including, but not limited to, copies of regional for-hire
1299 driver's licenses, taxicab and for-hire vehicle medallions, lists of all affiliated drivers and
1300 their affiliated vehicles, passenger feedback, new driver training records, dispatch
1301 records, and proof of vehicle insurance and vehicle registration. In addition, the
1302 transitional regional dispatch agency or regional dispatch agency shall:

1303 1. Retain records, electronically or otherwise, for the current year and at least
1304 the prior two calendar years;

Ordinance 19700

1305 2. Provide the director with any other information the director may reasonably
1306 require upon request; and

1307 3. Timely respond to the director's request for information.

1308 F. The director may authorize a transitional regional dispatch agency or regional
1309 dispatch agency to submit regional for-hire driver's license applications on behalf of its
1310 affiliated drivers, in a manner approved by the director.

1311 G. A transitional regional dispatch agency or regional dispatch agency may
1312 maintain a rating system for drivers and passengers to rate each other following a trip.

1313 NEW SECTION. SECTION 40.

1314 A. A transitional regional dispatch agency and regional dispatch agency shall put
1315 in writing all policies that affect affiliated medallion owners, vehicle owners, and
1316 regional for-hire drivers.

1317 B. Prior to implementing or changing a policy, the transitional regional dispatch
1318 agency or regional dispatch agency shall provide a copy of the draft policy to the
1319 affiliated medallion owner, vehicle owner, or regional for-hire driver, and post a copy of
1320 the draft policy in the transitional regional dispatch agency or regional dispatch agency
1321 office and send via electronic transmittal a copy of the draft policy to the affiliated
1322 medallion owners, vehicle owners and regional for-hire drivers. Affiliated medallion
1323 owners, vehicle owners and regional for-hire drivers shall have a minimum of twenty
1324 days to review and provide input on the draft policy before the policy takes effect.

1325 Notwithstanding this twenty-day timeline, a policy proposed for purposes of addressing
1326 an emergent issue may be temporarily established for up to thirty days. After thirty days,

Ordinance 19700

1327 medallion owners, vehicle owners, and regional for-hire drivers shall be given an
1328 opportunity to provide input before the policy may be permanently adopted.

1329 C. A transitional regional dispatch agency and regional dispatch agency shall
1330 make known to the regional for-hire driver the amount of the fare for each trip provided
1331 by that driver. If the amount remitted to the driver is less than the full fare paid by the
1332 passenger, the remittance to the driver shall include a description detailing the deductions
1333 made. With the exception of any fees that are authorized in Section 41 of this ordinance,
1334 a transitional regional dispatch agency or regional dispatch agency may only make a
1335 deduction on trips dispatched by the agency, and the maximum allowable amount of such
1336 deduction shall be ten percent of the fare paid by the passenger.

1337 D. A transitional regional dispatch agency or regional dispatch agency shall
1338 establish a written policy governing an owner's or driver's access to the smart taximeter
1339 system, application dispatch system, the ability to work on any contracted accounts, and
1340 affiliation with the dispatch agency. The policy must include written notice of impending
1341 deactivation with sufficient information for the driver to understand the reason for
1342 deactivation, an opportunity for the owner or driver to be heard, and a period for the
1343 owner or driver to cure the violation before deactivation begins, unless the deactivation is
1344 ordered by the director or is an immediate threat to public safety.

1345 NEW SECTION. SECTION 41.

1346 A. Regional taximeter rates and the requirements for regional taximeter rates are
1347 as follows:

1348 1. Unless specified elsewhere in this section or prescribed by the director by
1349 rule, it shall be unlawful for anyone operating a taxicab licensed by King County to

Ordinance 19700

1350 advertise, charge, demand or receive any greater or lesser rate than the following regional
1351 taximeter rates:

- 1352 a. drop charge: for passengers for first 1/9 mile: \$2.60;
- 1353 b. Per mile: For each 1/9 mile or fraction thereof after the first 1/9 mile: \$0.30;
- 1354 c. For every one minute of waiting time: \$0.50, charged at \$0.30 per 36
1355 seconds. Waiting time rates are charged when taxicab speed is less than 11 miles per
1356 hour or when a taxicab driver is asked to wait for the passenger; and
- 1357 d. Additional per passenger charge for more than two persons, excluding
1358 children under twelve years of age: \$0.50;

1359 2. The director may adjust or prescribe new regional taximeter rates and other
1360 rates, such as minimum fares for trips, or both, by rule. In determining new regional
1361 taximeter rates, the director may consider, among other things, the following factors:

- 1362 a. operational data supplied by a regional dispatch agency or data obtained by
1363 the director through other sources, including, but not limited to, regional consumer price
1364 index data;
- 1365 b. the public's need for adequate for-hire transportation services at reasonable
1366 rates consistent with the provision, maintenance, and continuation of such services;
- 1367 c. the rates of other for-hire transportation providers operating in similar areas;
- 1368 d. rates paid by passengers using other modes of transportation;
- 1369 e. The ability of a driver to earn a living wage after covering all operating costs
1370 incurred by the owner or driver;
- 1371 f. other regulatory, access, or similar fees paid by drivers to serve the
1372 transportation needs of the region; and

Ordinance 19700

- 1373 g. alignment with rates established by the city of Seattle;
- 1374 3. Regional taximeter rates are exclusive of any per-trip fee established by the
1375 Port of Seattle and set forth in any operating agreement or tariff, a temporary fuel
1376 surcharge authorized by the director, a technology fee if authorized by the director, a
1377 convenience fee for electronic payment of fares, the wheelchair accessible surcharge, or
1378 any toll or charge established for roads, bridges, tunnels, or ferries;
- 1379 4. A regional dispatch agency's affiliated taxicabs shall have regional taximeter
1380 rates programmed into its smart taximeter system. Variations from regional taximeter
1381 rates are permitted, as follows:
- 1382 a. Variations from regional taximeter rates may be applied to contract trips,
1383 upfront fares, dynamic pricing, fare splitting, trip bidding, and unless prohibited by the
1384 director by rule, for flat-rate fares, minimum trip fares, or when operating on an
1385 application dispatch system;
- 1386 b. The director may prescribe by rule variations from regional taximeter rates;
- 1387 c. Unless prescribed otherwise by the director by rule, any variation from
1388 regional taximeter rates shall be established by a regional dispatch agency and not by an
1389 individual driver. A regional dispatch agency shall not vary a rate so that it results in a
1390 higher dispatch fee or other fee to be paid by an affiliated driver;
- 1391 d. Variations from regional taximeter rates shall be applied in a manner that
1392 does not discriminate on the basis of a protected class or on the basis of the ride's
1393 geographic beginning or endpoints;
- 1394 e. Unless a trip is dispatched via an application dispatch system, an upfront
1395 fare shall be based on the estimated time and distance calculated by the smart taximeter

Ordinance 19700

1396 and multiplied by the regional taximeter rate. If the passenger rejects an upfront fare, the
1397 regional taximeter rates apply; and

1398 f. If a flat rate between two defined points has been established, the flat rate
1399 shall be made available to the passenger prior to accepting a ride. Regional dispatch
1400 agencies must maintain a list of all established flat rates, including their defined origin
1401 and destination points, and make such list available for inspection upon request of the
1402 director;

1403 5. Contract rates shall be in writing, be retained by the regional dispatch agency,
1404 and be available for inspection upon request of the director; and

1405 6. Before a licensee may use a smart taximeter system that is integrated with an
1406 application dispatch system, the director must first determine the application dispatch
1407 system rates are transparent under subsection B. of this section.

1408 B. The requirements for application dispatch system rates are as follows:

1409 1. Before using an application dispatch system, or using a smart taximeter
1410 system as an application dispatch system, the transitional regional dispatch agency or
1411 regional dispatch agency shall provide to the director either written documentation or a
1412 physical demonstration, or both, that the application dispatch system rate structure is
1413 transparent to the passenger prior to confirming the ride. Application dispatch system
1414 rates do not need to be filed with the director unless requested by the director. The
1415 director shall determine that the rate structure is transparent if:

1416 a. one of the following methodologies is used:

Ordinance 19700

1417 (1) the rate by either distance or time, or a combination of distance and time,
1418 and the total fare or fare range is clearly displayed on the application dispatch system to
1419 the passenger upon requesting a ride, but before confirming the ride; or

1420 (2) the fare for the ride is made clear to the passenger prior to confirming the
1421 ride through an alternative method deemed acceptable by the director;

1422 b. any additional or higher charges such as tips, waiting time, tolls, or any
1423 other charges not included in subsection B.1.a. of this section shall be clearly identified
1424 by specific amount, if known, or by category, on the application dispatch system before
1425 confirming a ride; and

1426 c. the receipt showing all charges paid by the passenger is available to the
1427 regional for-hire driver in the application dispatch system; and

1428 2. During an abnormal disruption of the market, lasting for no longer than
1429 twelve consecutive hours in King County, a transitional regional dispatch agency or
1430 regional dispatch agency shall not raise its normal range of fare more than two times the
1431 fare that would otherwise be applicable.

1432 C. The requirements for for-hire vehicle rates are as follows:

1433 1. For-hire vehicles must charge for service based on: a written contract; flat
1434 rate per trip or by zone; or by an hourly rate with minimum increments of thirty minutes.
1435 Flat charges by zone or hourly rate may vary by time of day. Zone boundaries shall be
1436 set by the director by rule and shall be consistent across all for-hire vehicle operators;

1437 2. Records of all for-hire vehicle rates in place prior to implementing a smart
1438 taximeter system shall be maintained by the for-hire vehicle company and be made

Ordinance 19700

1439 available for inspection upon request by the director. All rates and charges shall be
1440 conspicuously available in the interior of the for-hire vehicle;

1441 3. The for-hire vehicle rate structure shall remain in effect until the vehicle
1442 transitions to a taxicab or March 31, 2026, whichever occurs sooner. After March 31,
1443 2026, all for-hire vehicles shall have transitioned to taxicabs and are subject to the
1444 regional taximeter rates and application dispatch system rate requirements under this
1445 chapter; and

1446 4. If using an application dispatch system, the director must first determine that
1447 the rates are transparent to the passenger under subsection B. of this section.

1448 D. If the director establishes a minimum fare flat rate from one location to
1449 another location, or other rates, based on the factors identified in subsection A.2. of this
1450 section, such minimum fare, flat rate, or other rate shall apply whether the trip originated
1451 via a taximeter, a smart taximeter, or, if specified by the director, an application dispatch
1452 system. In addition to the general authority authorized in this subsection D, the following
1453 shall apply:

1454 1. For all trips originating at SeaTac International Airport, and no later than
1455 December 31, 2024, the director shall establish a minimum fare by rule; and

1456 2. On the effective date of this ordinance, and expiring on December 31, 2024,
1457 or upon the date the director's rule goes into effect, whichever is earlier, in accordance
1458 with subsection D.1. of this section, the minimum fare for all trips originating at SeaTac
1459 International Airport shall be twenty dollars exclusive of any fees, surcharges, or tolls as
1460 indicated in subsection A.3. of this section. Any flat rate, dynamic price, or other method
1461 of pricing established by a transitional regional dispatch agency or a regional dispatch

Ordinance 19700

1462 agency shall not be below this minimum for trips that originate at Seattle-Tacoma
1463 International Airport.

1464 E. Other rate and fare requirements are as follows:

1465 1. It is unlawful to charge additional fees for carrying individuals with
1466 disabilities and their equipment or to charge rates higher to passengers with a disability
1467 than are charged to other persons. To promote equitable access to for-hire transportation
1468 for persons with disabilities, and to ensure that wheelchair accessible vehicle service is
1469 reliably available at reasonable and predictable rates, the director may prescribe by rule
1470 fares for wheelchair accessible trips or other conditions on the rates, fares, fees, and other
1471 surcharges, or both, for providing wheelchair accessible transportation services to persons
1472 with disabilities;

1473 2. The director is authorized to establish a fuel surcharge to the regional
1474 taximeter rate that can be added as an amount to the passenger's total fare any time the
1475 price of fuel, as published by the American Automobile Association for the local area,
1476 exceeds a fuel surcharge trigger price established in accordance with a rule adopted by
1477 the director. The surcharge shall be an amount necessary to recoup the increased fuel
1478 costs;

1479 3. A toll or charge established for roads, bridges, tunnels, or ferries while
1480 passengers are being transported may be added to the passenger's total fare if such
1481 charges are not already included in the calculation of the fare;

1482 4. Discriminatory charges are prohibited. For the purposes of this subsection
1483 E.4., "discriminatory charges" means policies or practices that result in higher charges or

Ordinance 19700

1484 rates being applied to passengers belonging to a protected class compared to other
1485 passengers; and

1486 5. The director may establish by rule the process and criteria associated with the
1487 director's review and approval of a technology fee that is intended to help offset the cost
1488 of implementing, operating and maintaining a smart taximeter system and that may be
1489 added to the fare for all trips subject to the taximeter rates in subsection A. of this section.

1490 NEW SECTION. SECTION 42.

1491 A. The director may prescribe by rule the implementation of a discrete licensing
1492 program for emerging for-hire transportation models that do not fit within the parameters
1493 of this chapter or K.C.C. chapter 6.64.

1494 B. The director shall determine whether a proposed business activity is an
1495 emerging for-hire transportation model that falls outside the parameters of any existing
1496 license under this chapter or K.C.C. chapter 6.64, and whether the proposed business
1497 activity presents potential risks to the public health, safety, and welfare such that, for the
1498 protection of the public, the activity must be regulated and licensed.

1499 C. The director may grant the applicant an emerging for-hire transportation
1500 license to operate in the proposed business activity on a pilot basis.

1501 D. The emerging for-hire transportation license shall be renewed annually for a
1502 maximum of two years, after which the license shall expire. The emerging for-hire
1503 transportation license shall be a personal privilege and not property. The emerging for-
1504 hire transportation license shall not be transferrable to another location, person, or
1505 business entity.

Ordinance 19700

1506 E. The director may attach conditions to the emerging for-hire transportation
1507 license as are reasonably required to protect the public health, safety, labor harmony, and
1508 welfare from risks including, but not limited to: adverse impact on public health; public
1509 safety; increased demand on government services; increased environmental impacts; or
1510 increased traffic or congestion in the public way. The director may attach any such
1511 conditions when the emerging for-hire transportation license is issued, or the director
1512 may attach, remove, or modify conditions at any time during the term of the license, upon
1513 reasonable notice to the licensee.

1514 F. The director may determine at any time during the term of the emerging for-
1515 hire transportation license that the licensed business activity as conducted presents an
1516 unreasonable risk to public health and safety that cannot be mitigated, and may revoke
1517 the license, with or without prior notice. If a license is revoked, the licensee shall be
1518 given the opportunity to appear before the director for an informal hearing to introduce
1519 any evidence to appeal the revocation before the revocation is effective or no later than
1520 ten days after the revocation is effective. The director shall render a decision affirming or
1521 reversing the revocation within three business days after conclusion of the hearing. The
1522 decision of the director is final.

1523 G. If the director determines an emerging for-hire transportation model that has
1524 been issued an emerging for-hire transportation license under a pilot program should be
1525 regulated by ordinance, the director shall convey the determination to the council prior to
1526 the expiration of the license. The license shall not be extended beyond two years unless
1527 an ordinance regulating the emerging for-hire transportation model is effective and the

Ordinance 19700

1528 emerging for-hire transportation model has obtained the necessary licenses required
1529 under that ordinance.

1530 NEW SECTION. SECTION 43. The director may establish, in conjunction with
1531 the city of Seattle and the Port of Seattle, a shared process to receive and, when
1532 appropriate, resolve passenger feedback and may communicate the process to passengers.

1533 NEW SECTION. SECTION 44.

1534 A. Upon receiving a written complaint involving the conduct of a licensee, where
1535 the conduct may be a violation of this chapter, the director shall review the complaint,
1536 and if appropriate:

1537 1. Issue a notice of complaint to the licensee, and if applicable, the affiliated
1538 transitional regional dispatch agency or regional dispatch agency, advising them of the
1539 allegation or allegations made in the complaint;

1540 2. Require the licensee and, if applicable, the affiliated transitional regional
1541 dispatch agency or regional dispatch agency, to respond in writing or by contacting the
1542 issuing inspector to provide a response to the allegation or allegations in the notice of
1543 complaint within fifteen calendar days from the date the notice of complaint was issued;

1544 3. Investigate the allegations in the written complaint and the response
1545 submitted by the licensee and if applicable, the response submitted by the transitional
1546 regional dispatch agency or regional dispatch agency representative; and

1547 4. Make a finding as to the validity of the allegations in the written complaint. If
1548 the complaint is found to be valid the director may take enforcement action consistent
1549 with this chapter.

Ordinance 19700

1550 B. Failure to respond to a notice of complaint, either in writing or by contacting
1551 the issuing inspector, within fifteen calendar days shall constitute a waiver of the
1552 licensee's and, if applicable, the affiliated agency's right to respond to the allegations in
1553 the written complaint and shall be prima facie evidence that the allegations are valid.

1554 NEW SECTION. SECTION 45.

1555 A. It is a violation for any person to not meet or maintain compliance with any
1556 requirement of this chapter or rule issued by the director. If the director determines that
1557 any of this chapter's requirements or rules have been violated, the director may issue:

- 1558 1. A citation;
- 1559 2. A license action, including denial, revocation, suspension, or summary
1560 suspension; or
- 1561 3. A citation and a license action.

1562 B. In determining a monetary penalty, the director shall consider the gravity of
1563 the violation; the number of past violations committed; the size of the business of the
1564 violator; the deterrent effect of monetary penalties; and the good faith of the violator in
1565 attempting to achieve compliance after notification of the violation.

1566 C. A person shall pay all fees, surcharges, and monetary penalties that are owed
1567 under this chapter. If the person cited fails to pay a monetary penalty imposed under this
1568 chapter, the monetary penalty may be referred to a collection agency. The cost for the
1569 collection services will be added to the penalty. Alternatively, the director may pursue
1570 collection in any other manner allowed by law. The director shall refuse to issue a
1571 license, endorsement, or medallion at the time of renewal if the person has outstanding
1572 fees, surcharges, or monetary penalties issued under this chapter.

Ordinance 19700

1573 D. Each day a person violates or fails to comply with one of the requirements of
1574 this chapter may be considered a separate violation for which a citation, license action, or
1575 both, may be issued.

1576 E. It is a misdemeanor for any person to violate the operating standards
1577 established in this chapter three or more times in a twelve-month period. The director
1578 may refer such a person for prosecution as an alternative to the citation and license action
1579 procedures outlined in this chapter.

1580 F. The director may seek legal or equitable relief to enjoin any acts or practices
1581 when necessary to achieve compliance.

1582 G. Nothing in this section limits or precludes any action or proceeding to enforce
1583 this chapter, and nothing obligates or requires the director to issue a citation or license
1584 action prior to the imposition of criminal penalties.

1585 NEW SECTION. SECTION 46. The following monetary penalties shall be
1586 assessed or license action taken for violations of the listed sections or subsections of this

1651 K. Any violation not enumerated in this section that does not pose a threat or
1652 hazard to life, safety, or property shall have a civil penalty of up to five-hundred-dollars.
1653 Any violation not enumerated in this section that poses a threat or hazard to life, safety,
1654 or property shall have a civil penalty of up to one-thousand-dollars.

1655 NEW SECTION. SECTION 47.

1656 A. The director may issue citations and suspend, summarily suspend, deny, or
1657 revoke any license, endorsement, or medallion of any person for violating or failing to
1658 comply with any applicable provision of this chapter.

1659 B. Notwithstanding any other provision of this chapter, the director may
1660 summarily suspend a license, endorsement, or medallion issued under this chapter, with
1661 the suspension to take effect immediately by order of the director prior to any hearing
1662 upon finding that:

Ordinance 19700

1663 1. There is reasonable cause to believe that the licensee has engaged in activity
1664 that causes or will cause a clear, substantial, and imminent hazard to life, safety, property,
1665 or privacy of the driver, passenger, or public, or any combination thereof; or

1666 2. There is a lapse in coverage or the coverage of any surety bond or public
1667 liability insurance policy required to be filed with the director is less than the minimum
1668 requirements in section 30 of this ordinance.

1669 C. The following applies to license actions:

1670 1.a. Whenever any license, endorsement, or medallion is revoked or summarily
1671 suspended the revocation or summary suspension is effective upon issuance of the notice.
1672 Such notice may be appealed in accordance with the procedures of section 48 of this
1673 ordinance. If a timely appeal is not filed by the licensee, the notice of revocation or
1674 summary suspension shall be final.

1675 b. A final order of revocation shall extend for twelve months, except for a final
1676 medallion revocation. Upon the final order of revocation of a medallion, where all
1677 appellate proceedings, if any, have been concluded, a medallion owner shall immediately
1678 surrender the taxicab or for-hire vehicle medallion plate or decal to the director and has
1679 sixty days to transfer the medallion as prescribed by section 26 of this ordinance.

1680 c. A final order of summary suspension shall extend until the license,
1681 endorsement, or medallion expires or until evidence satisfactory to the director is
1682 produced showing that the violation is cured, whichever occurs first;

1683 2. If the licensee does not file a timely appeal in accordance with section 48 of
1684 this ordinance, the notice of suspension shall be final. Suspensions are effective upon the
1685 date included in the notice of suspension or if timely appealed under section 48 of this

Ordinance 19700

1686 ordinance, when an order on appeal affirming such notice becomes final. Suspensions
1687 shall extend until the license or endorsement expires or until evidence satisfactory to the
1688 director is produced showing that the violation is cured, whichever occurs first; and

1689 3. Except in the case of revocation or summary suspension, whenever a timely
1690 appeal is filed in accordance with section 48 of this ordinance, a licensee may continue to
1691 operate pending a final decision on appeal. Any applicant not licensed in the preceding
1692 license year may not engage in the activity for which the license is required pending a
1693 final decision on appeal.

1694 NEW SECTION. SECTION 48.

1695 A. A citation or license action shall include the following:

1696 1. The name and address of the person to whom the citation or license action is
1697 issued;

1698 2. The address of the location, if relevant, where the violation occurred;

1699 3. A separate statement of each provision violated;

1700 4. The date of the violation;

1701 5. The applicable monetary penalty or license action;

1702 6. A statement that the person cited must respond to the citation or license
1703 action within twenty-four calendar days after service;

1704 7. A statement that a response must be sent to the hearing examiner and
1705 received not later than 4:30 p.m. on the day the response is due;

1706 8. Contact information for where the response to the citation or license action is
1707 to be filed;

Ordinance 19700

1708 9. A statement that the citation or license action represents a determination that
1709 a violation has been committed by the person named in the citation or license action and
1710 that the determination shall be final unless appealed in accordance with this chapter; and

1711 10. A statement certified under penalty of perjury by the director's
1712 representative issuing the citation or license action setting forth facts supporting issuance
1713 of the citation or license action.

1714 B. The citation or license action shall be addressed to the person allegedly
1715 responsible for the violation, and be served by first-class mail, electronically, or in
1716 person. Service by first-class mail shall be deemed complete three days after the mailing.
1717 If a citation or license action sent either electronically or by first class mail, and is
1718 returned as undeliverable, the citation or license action may be served in person. The
1719 director shall respond to inquiries concerning the facts and process of the decision and
1720 request for any files that detail the facts on which the director based the ruling.

1721 C. A person cited must respond to a citation in one of the following ways:

1722 1. Pay the amount of the monetary penalty specified in the citation within thirty
1723 calendar days of issuance, in which case the record shall show a finding that the person
1724 cited committed the violation;

1725 2. Timely request in writing a hearing to mitigate, by explaining the
1726 circumstances surrounding the commission of the violation, and providing an address to
1727 which notice of the hearing may be sent; or

1728 3. Timely request in writing a hearing to appeal, by disputing the commission of
1729 the violation, and providing an address to which notice of the hearing may be sent.

Ordinance 19700

1730 D. The director's license action is final unless the person cited timely requests in
1731 writing a hearing to appeal the license action and provides an address to which notice of
1732 such hearing may be sent.

1733 E. If requesting a hearing, a response to a citation or license action must be
1734 received by the hearing examiner no later than twenty-four calendar days after the date
1735 the citation is served. When the last day of the appeal period so computed is a Saturday,
1736 Sunday, or holiday, the period shall run until 4:30 p.m. on the next business day. If a
1737 person fails to respond to a citation or license action within twenty-four calendar days of
1738 service, the citation and monetary penalty or license action shall become the final order
1739 of the director and is unreviewable by the hearing examiner.

1740 F.1. Appeals of license actions shall be heard by the hearing examiner of the
1741 jurisdiction issuing the license action. The presiding hearing examiner shall decide the
1742 appeal under the applicable portions of both the King County Code and the Seattle
1743 Municipal Code. The King County hearing examiner is bound by any interpretation of
1744 the applicable Seattle Municipal Code by the city hearing examiner in a license action
1745 appeal. The King County hearing examiner shall forward all decisions made under this
1746 subsection F. to the Seattle hearing examiner within ten business days of issuing the
1747 decision.

1748 2. Appeals of citations shall be heard by the hearing examiner of the jurisdiction
1749 issuing the citation, and the hearing examiner shall decide the appeal under the King
1750 County Code.

1751 3. The hearing for a license action or a citation shall be held within forty-five
1752 calendar days after written response is received by the hearing examiner, except that

Ordinance 19700

1753 hearings for summary suspensions shall be held within ten business days of the request,
1754 unless a later date is agreed to by the person issued the license action. With the exception
1755 of summary suspension hearings, notice of the time, place, and date of the hearing shall
1756 be sent to the address specified in the request for hearing not less than ten calendar days
1757 before the hearing.

1758 G. Hearings to appeal the citation or license action shall be conducted in
1759 accordance with the procedures and rules of the hearing examiner. The issues heard at
1760 the hearing shall be limited to those that are raised in writing in the response to the
1761 citation or license action and that are within the jurisdiction of the hearing examiner. The
1762 hearing examiner may issue subpoenas for the attendance of witnesses and the production
1763 of documents. The director shall have the burden of proving by a preponderance of the
1764 evidence both that the violation occurred and the appropriateness of the remedy the
1765 director has imposed.

1766 H. A citation or license action shall not be deemed insufficient for failure to
1767 contain a detailed statement of the facts constituting the specific violation that the person
1768 is alleged to have committed or by reason of defects or imperfections, but only if the lack
1769 of detail, or the defects or imperfections, do not prejudice substantial rights of the person.
1770 A citation or license action may be amended before the conclusion of the hearing to
1771 conform to the evidence presented if substantial rights of the affected person are not
1772 thereby prejudiced.

1773 I. The certified statement or declaration authorized by chapter 5.50 RCW shall be
1774 prima facie evidence that a violation occurred and that the person listed on the citation or
1775 license action is responsible. The certified statement or declaration authorized under

Ordinance 19700

1776 penalty of perjury and any other evidence accompanying the report shall be admissible
1777 without further evidentiary foundation.

1778 J. In cases where the person seeks to mitigate the citation, the person may explain
1779 the circumstances surrounding the commission of the violation. In cases where the
1780 person disputes the citation or license action, the person may rebut the director's evidence
1781 and establish that the violation or violations preceding the citation or license action did
1782 not occur or that the person appealing the citation or license action is not responsible for
1783 the violation.

1784 K. In a mitigation hearing, the hearing examiner shall determine whether the
1785 person's explanation justifies reduction of the monetary penalty. However, the monetary
1786 penalty may not be reduced unless the director affirms or certifies that the violation has
1787 been corrected prior to the mitigation hearing. Factors that may be considered in whether
1788 to reduce the penalty include: whether the violation was caused by the act, neglect, or
1789 abuse of another; or whether correction of the violation was commenced before the
1790 issuance of the citation but full compliance was prevented by a condition or circumstance
1791 beyond the control of the person cited. The hearing examiner shall enter an order finding
1792 that the person cited committed the violation and assess a monetary penalty.

1793 L. If the citation or license action is sustained at the hearing, the hearing
1794 examiner shall enter an order finding that the person committed the violation and impose
1795 the applicable monetary penalty or enter an order affirming the license action. The
1796 hearing examiner may reduce the monetary penalty of a citation in accordance with
1797 subsection K. of this section. If the hearing examiner determines that the violation did

Ordinance 19700

1798 not occur, the hearing examiner shall enter an order dismissing the citation or denying the
1799 license action.

1800 M. Failure to appear for a requested hearing will result in the hearing examiner
1801 entering an order finding that the person committed the violation and assessing the
1802 penalty specified in the citation or finding that the person committed the violation and
1803 affirming the license action. For good cause shown and upon terms the hearing examiner
1804 deems just, the hearing examiner may set aside an order entered upon a failure to appear
1805 and schedule a new hearing date.

1806 N. If a license action involving a vehicle is upheld, and the vehicle is to be
1807 temporarily or permanently placed out of service, the director shall initiate the temporary
1808 deactivation process authorized under this chapter and the licensee shall immediately
1809 surrender all applicable vehicle medallion plates or decals to the director.

1810 O. The decision of the hearing examiner shall be final and conclusive unless
1811 review is timely filed with the appropriate court.

1812 P. The hearing examiner may affirm, modify, or reverse the decisions of the
1813 director.

1814 Q. The director may contract with a third party to serve as the hearing examiner
1815 for purposes of this chapter, if done in conjunction with the city of Seattle.

1816 NEW SECTION. SECTION 49. The director shall issue a joint annual report
1817 with the city of Seattle on the state of for-hire transportation in the region on or before
1818 April 30 of each year, and the director shall make the annual report, for the previous
1819 calendar year, publicly available on the director's website. The report may include but is
1820 not limited to the following:

Ordinance 19700

1821 A. The number of licensed vehicles providing for-hire transportation services in
1822 King County and the city of Seattle during the reporting period and during the preceding
1823 year;

1824 B. The number of licensed regional for-hire drivers in King County and the city
1825 of Seattle during the reporting period and during the preceding year;

1826 C. The numbers and nature of complaints;

1827 D. The results of any survey of taxicab response times and any changes in
1828 response times from the previous year;

1829 E. What, if any, organizations have been authorized to operate as an emerging
1830 for-hire transportation model; and

1831 F. Any other information or recommendations deemed appropriate by the
1832 director.

1833 NEW SECTION. SECTION 50.

1834 A. The director is authorized to implement, enforce, and administer this chapter,
1835 including adopting, revising, or rescinding rules deemed necessary, appropriate,
1836 convenient, or efficient to implement, enforce and administer this chapter under the
1837 procedures specified in K.C.C. chapter 2.98.

1838 B. 1. If the director determines that certain provisions of this chapter related to
1839 licensing and operating standards, fees, or both should be temporarily suspended or
1840 modified, the director shall electronically transmit a temporary suspension or
1841 modification notification letter to the council detailing the scope and rationale for the
1842 determination, which may include, but not be limited to, the following factors:

Ordinance 19700

1843 a. the action would serve the public interest, including the public's need for
1844 safe, reliable, and effective for-hire transportation;

1845 b. technology has changed such that the requirements are no longer necessary
1846 or new requirements are necessary;

1847 c. the action would improve the economic viability for drivers and vehicle
1848 owners; and

1849 d. the action would encourage and enable companies and agencies to innovate
1850 and improve customer service and increase access to for-hire transportation options.

1851 2. Unless the council passes a motion rejecting the proposed temporary
1852 suspension or modification within thirty days of the director's transmittal, the director
1853 may proceed with the temporary suspension or modification as set forth in the
1854 notification letter. The director shall electronically file the letter with the clerk of the
1855 council, who will retain an electronic copy and provide an electronic copy to all
1856 councilmembers, the council chief of staff, and the lead staff for the government
1857 accountability and oversight committee or its successor.

1858 3. Temporary suspensions or modifications under this section shall last no more
1859 than six months from the end of the thirty-day period if the council by motion has not
1860 rejected the temporary suspension or modification.

1861 NEW SECTION. SECTION 51. Unless granted such authority by the director by
1862 rule, a vehicle equipped with an automated driving system providing for-hire
1863 transportation services is prohibited from autonomous operation. A director's rule
1864 granting such authority is subject to the following conditions:

Ordinance 19700

1865 A. The director must obtain written concurrence in advance from the directors of
1866 the King County department of local services and the King County sheriff's office to
1867 authorize autonomous operation of an autonomous vehicle providing for-hire
1868 transportation services; and

1869 B. The director must establish safety and regulatory requirements for autonomous
1870 operation of an autonomous vehicle providing for-hire transportation services, including,
1871 but not limited to, requiring the following items before deployment: advanced
1872 notification of deployment; notice of contact information and public outreach events; first
1873 responder interaction information with the King County sheriff's office and any city with
1874 which the county has contracted under section 5 of this ordinance; proof of insurance
1875 acceptable to the County; indemnification acceptable to the County; notification of
1876 collisions, moving violations, or other reportable events as required by state law; and
1877 demonstrated compliance with Washington state Department of Licensing requirements,
1878 including but not limited to self-certification; and any other requirements from state law.

1879 NEW SECTION. SECTION 52. Notwithstanding the existence or use of any
1880 other remedy, the prosecuting attorney may seek legal or equitable relief to enjoin an act
1881 or practice that constitutes or will constitute a violation of this chapter or an applicable
1882 rule adopted under this chapter.

1883 NEW SECTION. SECTION 53.

1884 A penalty issued under K.C.C. chapter 6.64, regarding matters now in the scope
1885 of this chapter, that was either not appealed or was upheld after review, and that remains
1886 unpaid as of the effective date of this ordinance, shall remain due and payable after the
1887 effective date of this ordinance.

Ordinance 19700

1888 SECTION 54. Ordinance 2165, Section 6, as amended, and K.C.C. 2.98.060 are
1889 hereby amended to read as follows:

1890 A.1. Prior to the adoption, amendment or repeal of any rule, each department
1891 shall give at least forty-five days' notice of its intended action, except rules being
1892 adopted, amended or repealed under K.C.C. chapter X.XX (the new chapter created
1893 under section 1 of this ordinance) shall give at least fourteen days' notice of intended
1894 action, by:

1895 a. filing a notice with the executive department responsible for archives and
1896 records management functions;

1897 b. providing, at least in writing or by electronic format, the notice to: all
1898 persons and other parties who have made timely request of the agency for advance notice
1899 of its rulemaking proceedings on a specific topic; the clerk of the council; and each
1900 member of the county council; and

1901 c. giving public notice by one publication in the official newspaper of King
1902 County.

1903 2. The notice shall include:

1904 a. reference to the authority under which the rule is proposed;

1905 b. a statement of either the terms or substance of the proposed rule or a
1906 description of the subjects and issues involved; and

1907 c. the time, place and manner, including at least in writing or by electronic
1908 format, in which interested persons may present their views on the rule. To the extent
1909 practicable, the department should permit persons to present their views at a public
1910 meeting, according to rules established by the department.

Ordinance 19700

1911 B. The department giving the notice required in this section shall consider all
1912 comments received by the prescribed time and shall make reasonable efforts to provide
1913 written responses to the comments before the rule is adopted.

1914 C. Adoption of a rule by a department other than a county board, commission,
1915 committee or other multimember body is accomplished by the department's director or
1916 the sheriff, assessor or director of elections, for the director or other elected official's
1917 respective department, signing the proposed rule. Adoption of a rule by a county board,
1918 commission, committee or other multimember body is accomplished by majority vote in
1919 favor of the rule by the members of the body, as evidenced in the approved minutes of the
1920 body, and in compliance with the Open Public Meetings Act of 1971, chapter 42.30
1921 RCW, as applicable.

1922 D. A rule adopted under this section is not valid unless adopted in substantial
1923 compliance with this section. In any proceeding, a rule shall not be considered invalid on
1924 the ground of noncompliance with the procedural requirements of this section if two
1925 years or more have elapsed from the effective date of the rule.

1926 SECTION 55. Ordinance 2165, Section 8, as amended, and K.C.C. 2.98.080 are
1927 hereby amended to read as follows:

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact King County-Department of 02:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
