Chief's Community Council

As part of the Renton Department's ongoing efforts to engage with, learn from, and build stronger relationships with our community, we have formed a Chief's Community Council. This group will be made up of representatives from our diverse population to address issues of equity, transparency, and accountability.

A key objective will be to empower civic stakeholders to advise the police department on ways to positively impact relations and better serve the public. Together, the council and police department will identify public safety issues and collaborate with community leaders, local organizations, and stakeholders to create practical and effective solutions and equitable community policing practices.

In support of the City's Business Plan to provide a safe, healthy, and vibrant community, and the Renton Police Department's Mission of working together to provide unbiased law enforcement services to our city, we hope you will join us in these efforts by applying to be a member of the Chief's Community Council (CCC).

Please review both the Charter and Application in the tabs below for additional details. If you have questions, please feel free to reach out to [Cmdr. Dan Figaro](#).

Thank you for your interest in being a part of the positive impact we all want to see in Renton!
