KING COUNTY GROWTH MANAGEMENT PLANNING COUNCIL AGENDA ITEM

AGENDA TITLE: King County Countywide Growth Management Planning Calendar PRESENTED BY: Ivan Miller, GMPC Lead Staff

Today's Meeting

To support long-range countywide planning in King County, the Interjurisdictional Team (IJT) develops a 10-Year King County Countywide Growth Management Planning Calendar. This calendar is being shared with the Growth Management Planning Council (GMPC) for awareness and context.

While many of the dates are fixed in statute, code, or are otherwise outside of the control of the GMPC, some are flexible and IJT will consider adjustments over time. All major decisions on dates for countywide work will be approved by the GMPC through the adoption of its annual work program.

Future Activity

None at this time.
