5 min	**Introduction** Last night, a blue Penguin came and delivered a box that is going to help us with our next lesson. His name was Emery, and he said that he wanted to make sure that all you kids got this very important lesson all about 9-1-1! Who knows what 9-1-1 is? **ANSWER:** 9-1-1 is a phone number that you can call to get help in an emergency	
20 min	**Teach "when" to call 9-1-1** Let's start by learning about the people who will come to help you in an emergency. Who are some of those people? **ANSWER:** Fire fighter, police officer, medic ***Optional Activity*** Great! Now on this matching worksheet, Emery, who loves to dress up, is pretending to be a first responder. Can you match each Emery Responder to his matching vehicle? *[Give kids time to match, then walk through what each responder and their vehicle is]:* • Emery is dressed as a Fire Fighter and a Fire Fighter drives a fire truck • Emery is dressed as a Police Officer and a Police Officer drives a Police Car • Emery is dressed as a Medic and a Medic drives an ambulance Now, each type of responder helps with different kinds of emergencies. Let's see if you can match the first responder to the type of emergency they help with. *[Give kids time to match, then talk through what each responder and emergency is]:* • In this picture there is a house on fire and who	**Student Activity 1:** Matching Responders to Vehicles worksheet **Student Activity 2:** Matching Responders to Emergencies worksheet

5 daqiiqo	**Hordhac** Xalay, Penguin buluug ah ayaa yimid oo keenay santuuq naga caawin doona casharkanaga xiga. Magaciisu wuxuu ahaa Emery, wuxuuna yidhi wuxuu doonayaa inuu hubsado in caruurtoo dhan fahmaan casharkaan aad muhiimka u ah oo ku saabsan 9-1-1! Yaa garanaya waxa 9-1-1 uu yahay? 9-1-1 ku waa lambarka taleefoonka aad wici karto si aad u hesho caawimaad xilliga xaalada degdegga ah.	
20 daqiiqo	**Bar "goorta" la wacdo 9-1-1** Aan ku biloowno inaan barano dadka kuu iman doona si ay kuu caawiyaan goortaad qabto xaalad degdeg ah. Hadda waraaqdan isku-aadiska ah, Emery, oo jecel inuu labisto, ayaa iska dhigaya inuu yahay jawaab-celiyaha ugu horeeya. Ma ku toosin kartaa Emery kasta gaarigiisa saxda ah? *[Sii carruurta waqti ay isku toosiyaan, ka dibna u dulmar waxa uu yahay jawaab celiye kasta iyo gaarigiisa].* • Emery waxuu u labbisanyahay sida Dabdemiska Dabdemiskuna waxuu kaxeeystaa gaariga Dabdemiska ah. • Emery wuxuu u labbisanyahay sida askari booliis ah booliiskuna waxuu kaxeeystaa Gaariga Booliiska. • Emery wuxuu u labbisanyahay sida Caafimaad-yahan Caafimaad-yahanaduna waxay kaxeeystaan aanbalaas. Hada, cayn kasta oo jawaab-celiye ah wuxuu wax ka caawiyaa xaaladaha degdegga ah noocyadooda kala duwan. 	helps when a house is on fire? *(kids respond)* That's right a Fire Fighter. • In this picture a person is breaking into a car, who would help when someone is breaking into a car? *(kids respond)* Yes, the police. • In this picture there is someone who has fallen to the ground and is not breathing, and who helps when someone is sick and not breathing? *(kids respond)* That's right a Medic. • In this picture there are two cars that have crashed into each, and it looks like it is a bad crash. What do you guys think, who might be needed to help here? *(kids respond)* This one is tricky, it could be that police, firefighters, and medics are needed. The good news is that 9-1-1 is the number to call to get help from any or all of them. • So, any time you have a police, medical or fire emergency you can call 9-1-1 to get help. • But 9-1-1 is only for emergencies so let's play a little game to see if you can tell what an emergency is.

Maxay idinla tahay adinka, yaa laga yaabaa in loo baahdo inuu caawiyo halkan? *(Carruurtu ha jawaabaan)* Tani waa mid dhib badan, waxay noqon kartaa in boliiska, dab-demiska, iyo dawooyinka loo wada baahan yahay. Qabarka wacani wuxuu yahay in 9-1-1 ku yahay lambarka la wacdo si aad u heshid caawimaadaha midkood ama dhammaantoodba. • Hadaba, wakhti kasta oo aad qabto boliis, caafimaad ama xaalad degdeg ah oo dab waxaad waci kartaa 9-1-1 si aad caawimaad u hesho. • Laakiin 9-1-1 waxay kaliya oo loogu talogalay xaaladaha degdegga ah hadaba aynu ciyaarno cayaar yar si aan u ogaano haddii aad sheegi karto waxa ay tahay xaalad degdeg ah.

	Emergency vs. Non-Emergency *[Take the two signs included in your Emery box and tape them up on opposite walls].* In this game, I will describe a situation. • If you think the situation is an emergency and you should call 9-1-1, you will move to the side of the room where Emery is calling 9-1-1. • If you think it's not an emergency and you shouldn't call 9-1-1, move to the side of the room where Emery is saying this is not 9-1-1. *[NOTE: you could instead have kids point to the signs, or raise their hands if they would call 9-1-1 and put their hands in their lap if they wouldn't call 911.]* Great, let's get started! Do you call 9-1-1 when… 1. When your power is out? *[Not 9-1-1]* 2. You see a fire at a neighbor's house? *[Emergency]* 3. Someone you don't know is trying to make you get into their car? *[Emergency]* 4. You are locked out of your house? *[Not 9-1-1]* 5. Someone stole your bicycle yesterday? *[Not 9-1-1]* 6. You want to make a prank call? *[Not 9-1-1]* 7. A stranger is trying to get inside your house? *[Emergency]* 8. Your cat is stuck in a very tall tree? *[Not 9-1-1]* 9. Your grandma is not breathing and will not wake up? *[Emergency]* 10. You find someone's wallet on the ground? *[Not 9-1-1]* Awesome, great job! Now remember, 9-1-1 is only for emergencies. There may have been some of those examples that you thought that you needed the police so you would call 9-1-1. But police can help with things that are not an emergency, and you would need to look up their non-emergency phone number. If you are not sure if something is an emergency, it is OK to call 9-1-1.	**Student Activity 3:** Emergency and Not an Emergency movement game

Laakiin booliisku kaama caawin karo waxyaabo aan ahayn xaalad deg-deg ah, waxaadna u baahan tahay inaad eegto lambarkooda taleefanka kuwa aan xaaladaha degdegga ahayn. 10 min	**Teach "how" to call 9-1-1** **Dialing** Are you ready to practice calling 9-1-1? You are all going to practice calling 9-1-1 on your very own paper phone! We practice on a piece of paper because you never dial 9-1-1 on a real phone unless you have a real emergency. If you want to call 9-1-1 from a smartphone like Emery here *[show dial pad]* there are a few things you have to do: • Once you get to the dial pad, dial 9 then 1 then 1 again *[showing the kids]* • Then, press the green call button Remember, you can call 9-1-1 from **any** phone *[Have the kids practice with you: Dial 9 then 1, then 1 again and the green call button]* Now getting to the dial pad on a cell phone will be different for each phone so ask your parents to show you how to use the phones in your home. On cell phones you need to know how to use the emergency mode to access the key pad. **Questions asked on a call:** If you ever do need to call 9-1-1 here is how that phone call will go. • When the 9-1-1 call taker answers, they will say "9-1-1, What's your Emergency?" • If you are able to…state your emergency in English. • Next they will ask where the emergency is. • If at any time you need an interpreter, ask for the language you need…in English. *Example:* There is a fire, I speak Somali.	**Student Activity 4:** Dialing Pad

Teaching "where" the emergency is
Now, you saw that [Little Johnny] had to give the 9-1-1 call taker an address. It's really important for the call taker to know where the emergency is so they can send help as quickly as possible.

So, if you call 9-1-1, make sure you're able to say where the emergency is. Now let's look at a few more emergencies and how you might say where they are occurring.
[Continue on the flip chart with pictures and clues from Emery's All Stars to get across these points]:

Where Role Play
TEACHER: Who wants to try reporting the next emergency?
[kid is chosen and then teacher reveals the car crash picture]
TEACHER: What would you do if you saw this?
LITTLE SALLY: Call 9-1-1
TEACHER: 9-1-1 What is your emergency?
LITTLE SALLY: There's a car crash
TEACHER: Where is this happening? What is the address?

[Flip to the next card, which shows three different locations.]

TEACHER: What if it had happened outside on the street in front of the school? *[point to the school picture]*
LITTLE SALLY: In front of *[say school name]*
TEACHER: Great job [Sally], now what if it was happening here *[point to picture of house]* in front of your house? Do you all know your address?

1. It is very important to memorize your home address

2. Pay attention to your location when you go somewhere. Look for signs, like the name of your favorite park, of the name of your favorite restaurant, and near the road you can look for street signs.

3. In the items that you will be taking home there is a sheet to write your home address and phone number and post it where everyone can see it.

30 min	**Check for Understanding** Now, all of you are going to make your own penguin puppet! First let's form groups. Each group is going to use the puppets to show the class something you learned today. *[put the kids in groups of 2-6 kids]* Ok there are six different penguins. First, you'll have need to decide who will play what roles and what your puppet show will be about. Once you have decided that you will make your puppets by: • Coloring your penguin • Cutting out along the dotted lines • Gluing the parts on a paper bag *[If kids need a little motivation, here's some ideas you can suggest]* 1. Kids pick an emergency. For example, "Penny falls out of a tree," "Emery's pants are on fire." Kids run through how they would dial, the call taker asking questions of the caller, and what responders might come. 2. Penny dials 911 as a joke. Police office comes to her house to talk to her and Emery about 9-1-1 for emergencies. 3. Emery dials 9-1-1 by accident, stays on line and tells the call taker there is no emergency. **Alternative:** Don't split the kids into groups and instead have each of them make a puppet on their own. Then each kid talks about what they learned that relates to the puppet they choose to make. **Alternative:** Make puppets with no puppet show. Good job you guys! Remember to take your puppet home with you so you can act out a 9-1-1 show for your parents.	**Student Activity 7:** Making Puppets and puppet show

Carruurtu waxay ku shaqeeyaan sida ay u wici lahaayeen, kool qaaduha oo weeydiinaya su'aalo, iyo jawaabeyaasha laga yaabo inay yimaadaan. 2. Penny ayaa wacaya 911 si kaftan ah. Note to Teachers/Parents

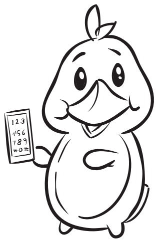
This storybook is intended to teach children about 9-1-1.

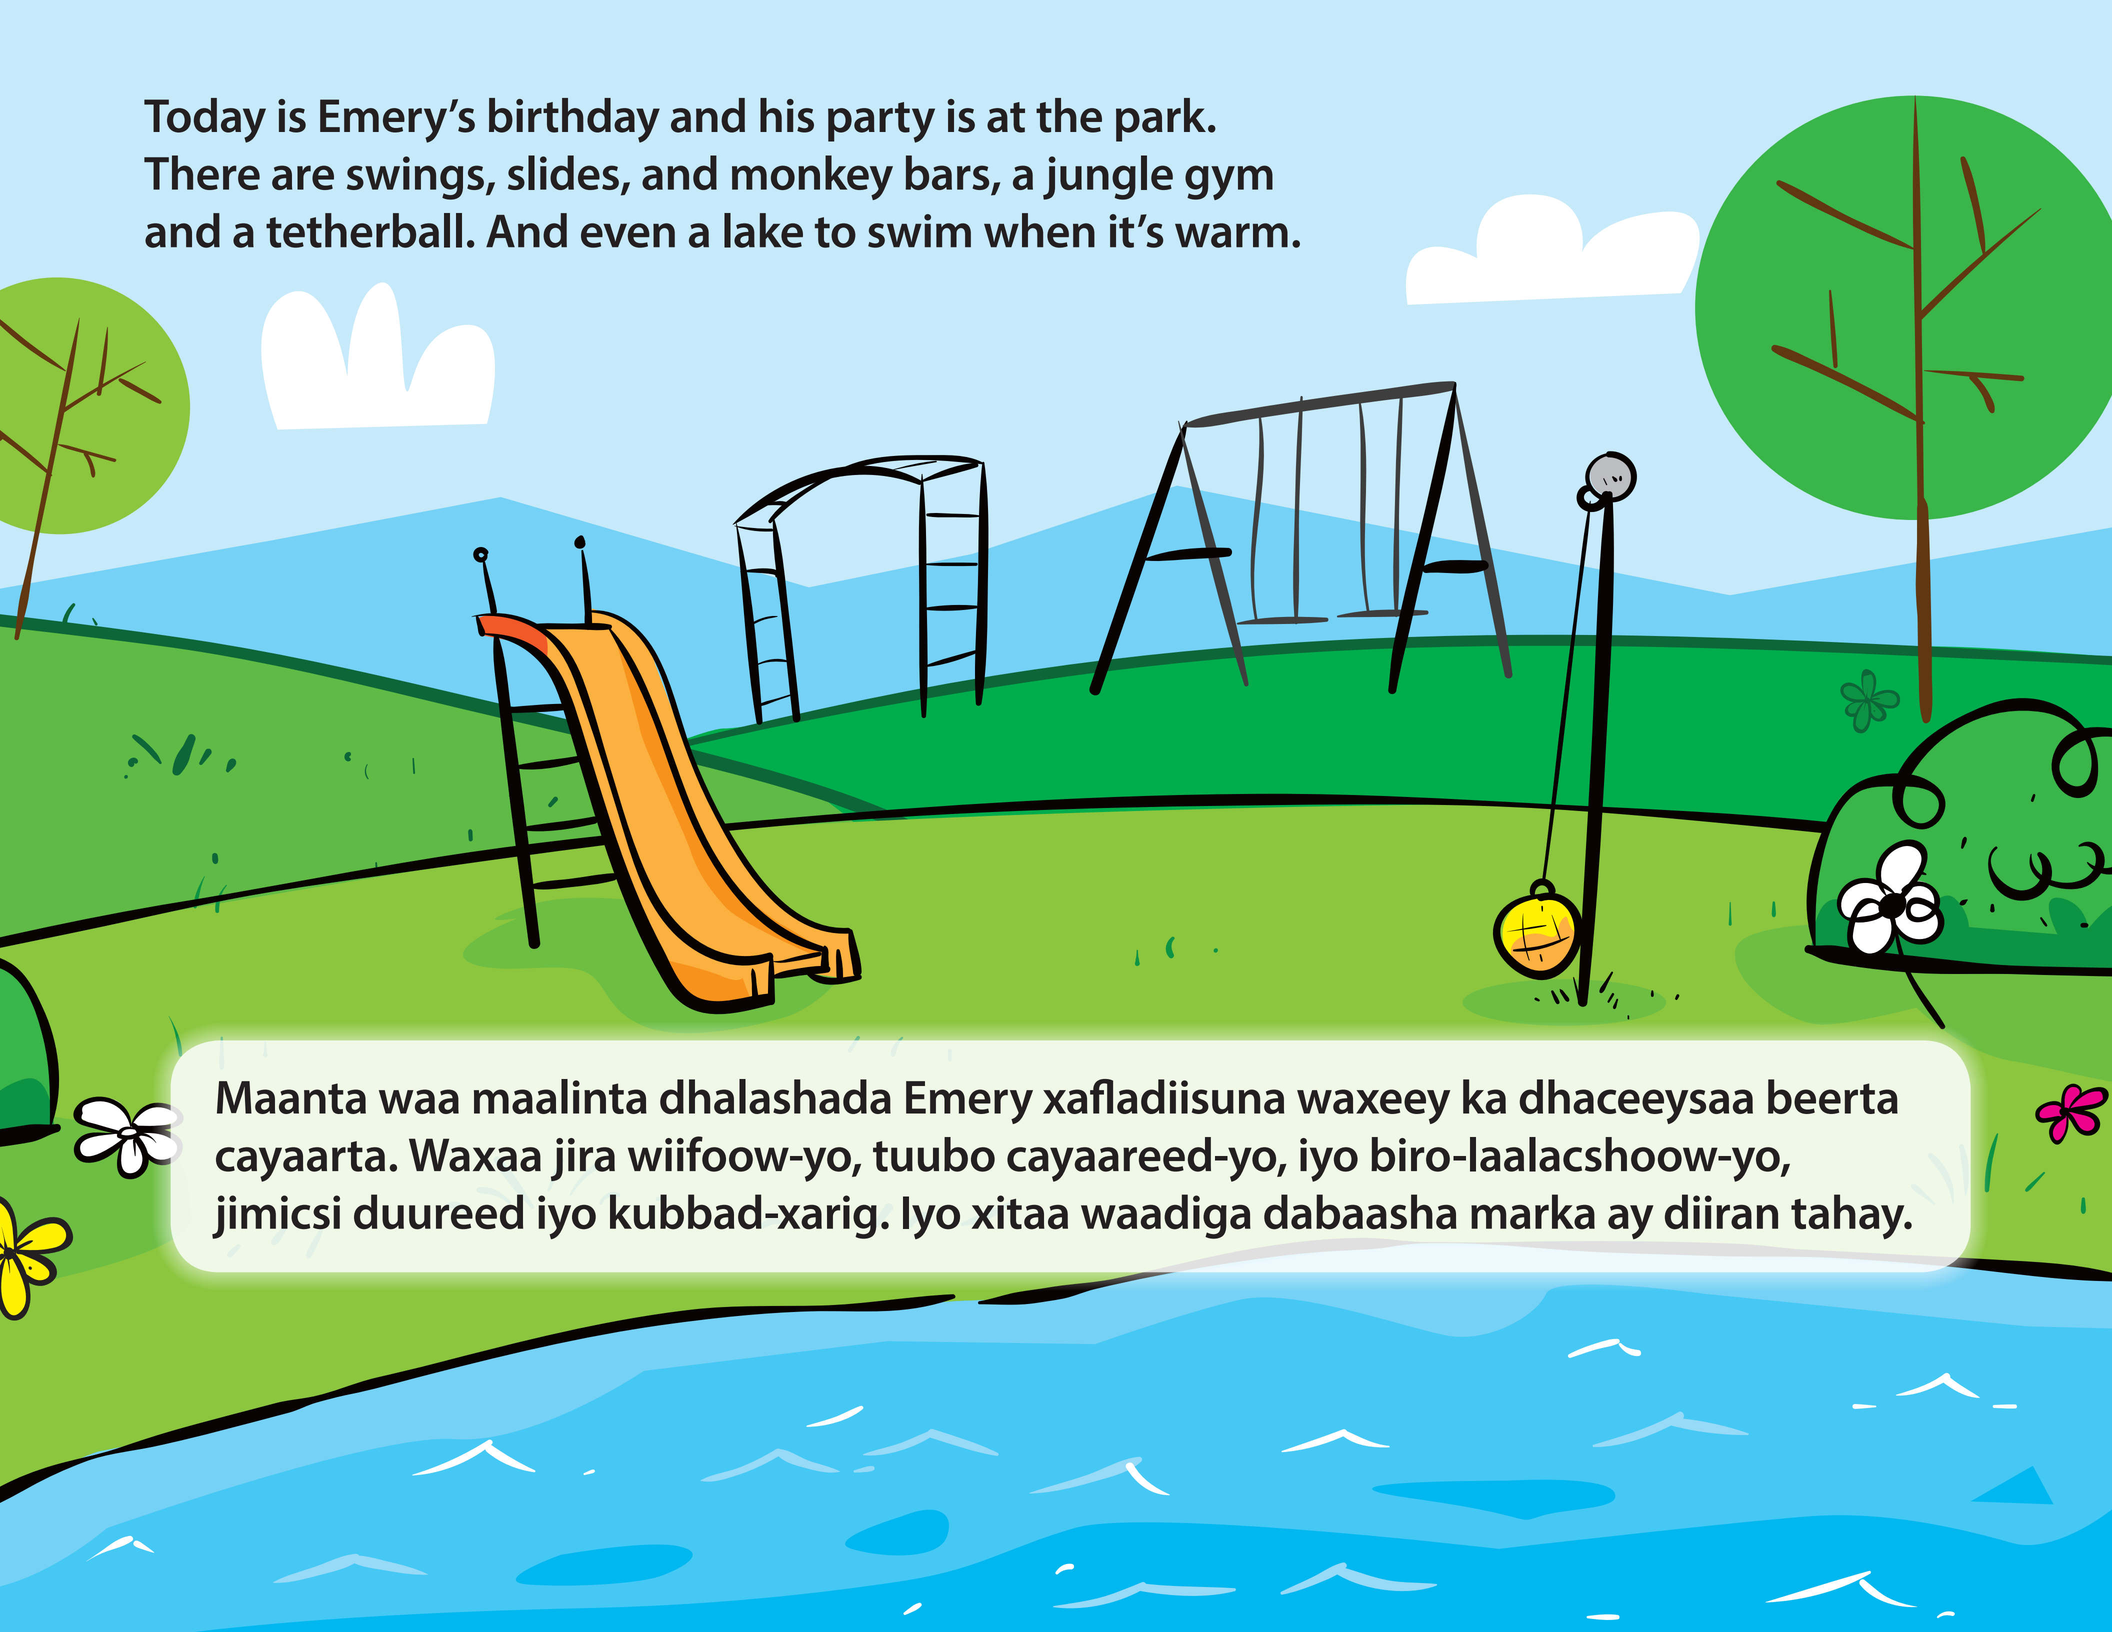
Please review this book with your students/children, then take a few minutes to explain how to dial 9-1-1 on a phone. Children should know the *how*, *when* and *where* of calling 9-1-1.

- **HOW.** Teach your children how to dial 9-1-1. Include accessing the key pad, dialing the number and hitting the “talk” or “send” button.
- **WHEN.** Discuss the right and wrong times to call 9-1-1. What is an emergency and what is not? If it’s not an emergency, who can they go to for help?
- **WHERE.** In case of an emergency, children should know their home address. Children should also know how to describe where they are when they are not at home. For example, discuss places they are the most likely to be at, like their school or favorite park. If they don’t know their exact location, look for clues such as street signs and landmarks.

For additional materials to teach children about 9-1-1, please visit Emery’s page: kingcounty.gov/911.



Today is Emery's birthday and his party is at the park.
There are swings, slides, and monkey bars, a jungle gym
and a tetherball. And even a lake to swim when it's warm.



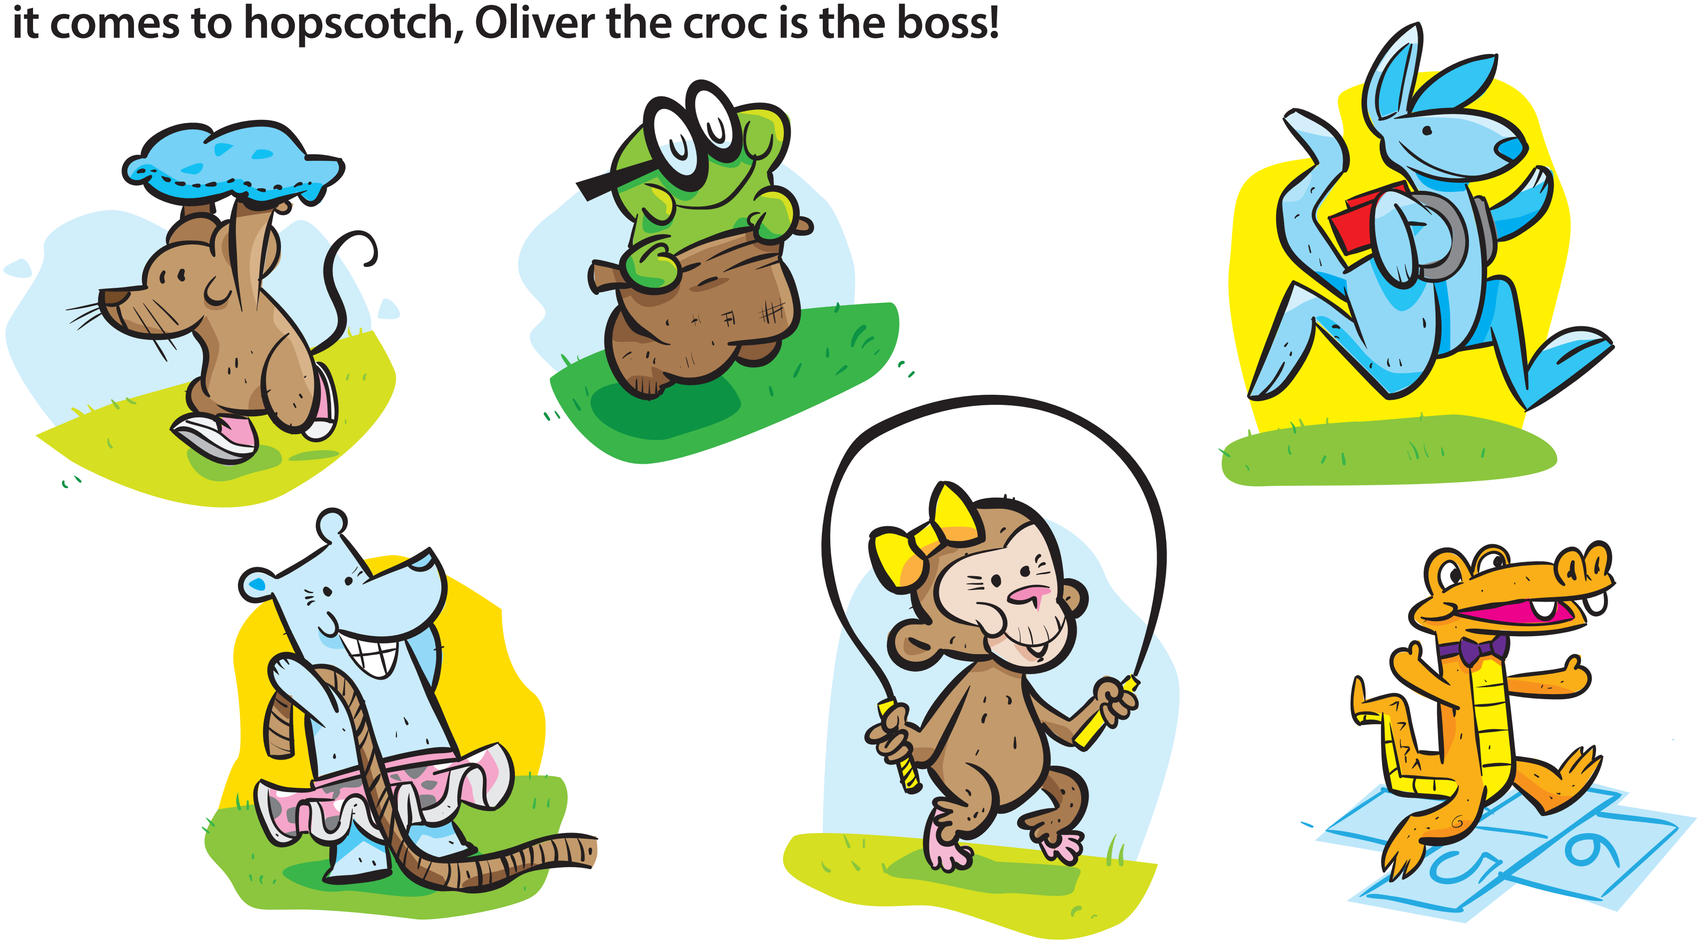
Maanta waa maalinta dhalashada Emery xafladiisuna waxeey ka dhaceeysaa beerta cayaarta. Waxaa jira wiifoow-yo, tuubo cayaareed-yo, iyo biro-laalacshoow-yo, jimicsi duureed iyo kubbad-xarig. Iyo xitaa waadiga dabaasha marka ay diiran tahay.

His mom is at the grill, cooking sardines for lunch. His dad made him a fish-shaped cake and his sister made lemon punch.

A piñata is hanging from the treetop. It is stuffed with candies and lollipops.

Hooyadiis waxay joogta dubitaanka, Waxeey diyaarineeysaa qado kalluun ah. Aabihiis wuxuu u sameeyay doorshe qaab kalluun u sameeysan walaashiisna biyo liimo. Pinata ayaa ka soo laalaada geedka dushiisa. Waxaa laga buuxshay nacnacyaal iyo nacnac-dhuuq.

Now it is time to play the games. Lucas the frog wins the silly sack race. Ben the kangaroo is the fastest in the maze. Manny the mouse takes first place at the beanbag toss. Josie the bear is the strongest at tug-of-war. Victoria the monkey is the queen of the jump rope but when it comes to hopscotch, Oliver the croc is the boss!



Hadda waa wakhtigii la ciyaari lahaa ciyaaraha. Lucas ayaa ku guuleeysta juuni-ku-boodka. Ben-ka kangarooda ah ayaa ugu dheereeya tartanka shabaqa. Manny-Jiiroow ayaa kaalinta koobaad u galay boorso-tuurka. Josie-bear-ka ayaa ugu xoog badatay xarrig-jiidka. Victoria-daanyeereey waa boqoradda xadhigga boodka laakiin marka ay timaado xarig-jafleeynta, Oliver-yaxaasoow ayaa ka madaxa!

Emery’s favorite game is the scavenger hunt. He is good with directions and great at finding stuff.

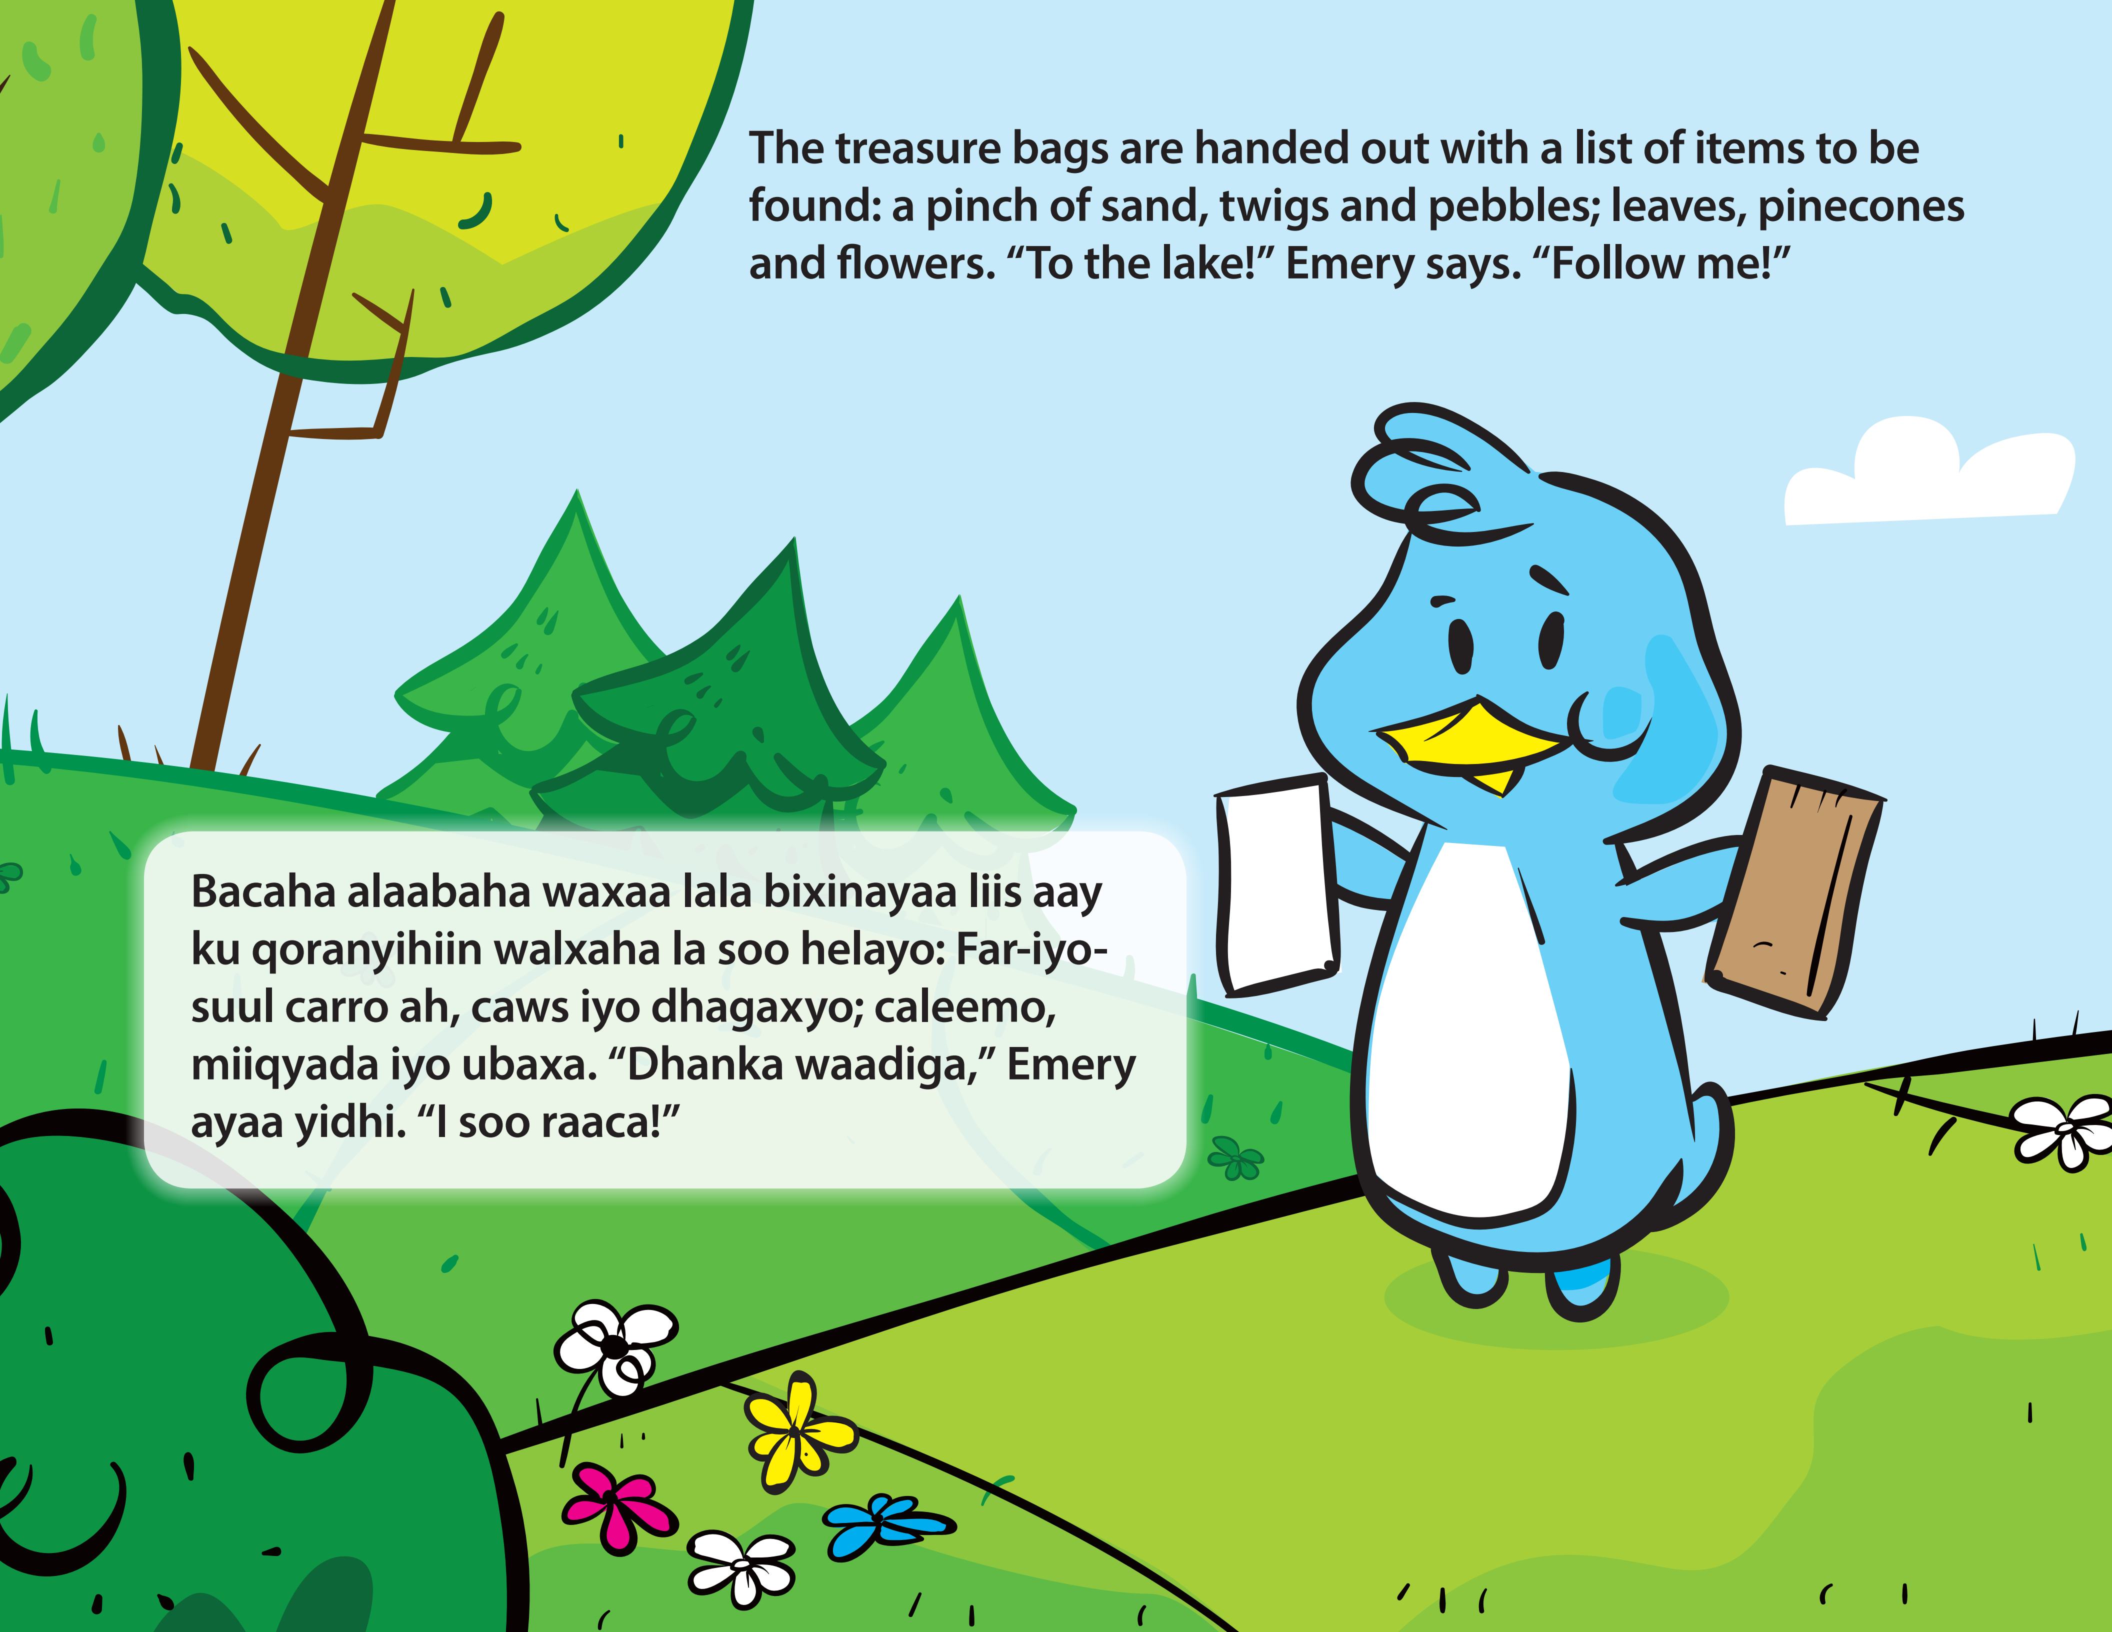
“I don’t like that game,” cries Manny the mouse. “I always get lost.” “Do not worry,” Emery says. “Stay by my side. I will be the guide.”

Cayaarta uu ugu jecelyahay Emery waa ukumo-raadiska. Waxuu ku fiicanyahay tilmanta wuu na ku dheereeyaa wax soo helida.

“Kama helo cayaartaan,” sidaa waxaa ku cawday Manny-jiiroow. “Markasta waan lumaa,” ”Ha walwalina,” Emery baa sidaa ku yiri. “Geeskeeyga joog, anigaa ku toosinaya.”

“I’ll be the photographer!” says Lucas the frog. He borrowed his mother’s old phone. “Good idea,” says Emery. “Now here are the rules: pay close attention and always know where you are. Never get off the trail, no matter what.”

“Aniga ayaa sawir qaade noqonaya!” sidaa waxaa yiri Lucas-rah-hoow. Hooyadii ayuu taleefonkeeda duugga ah ka amaahday. “Waa fikir fiican,” Emery ayaa yiri. “Waa sida tan shuruucdu: Si fiican ugu fiirso markastana ogoow halka aad joogto. Marna haka bixin jidka, wax kasta oo dhaca.”



The treasure bags are handed out with a list of items to be found: a pinch of sand, twigs and pebbles; leaves, pinecones and flowers. “To the lake!” Emery says. “Follow me!”

Bacaha alaabaha waxaa lala bixinayaa liis aay ku qoranyihiin walxaha la soo helayo: Far-iyo-suul carro ah, caws iyo dhagaxyo; caleemo, miiqyada iyo ubaxa. “Dhanka waadiga,” Emery ayaa yidhi. “I soo raaca!”

Off they go to the scavenger hunt, hopping and jumping and monkeying around. When suddenly the path splits into two, Manny is not sure what to do. “Where do we go?” he asks. “To the left!” says Emery. “Let’s leave a mark so we can find our way back.”

Waxeey bilaabeen walxo ugaadhsigii, iyagoo boodboodaya oo duulduulaya sida daanyeerkii. Marka ay si lama filaan ah wadadii u qeeybsantay, Manny wuxuu garan waayay wax uu sameeyo. “Xageen aadnaa?” Ayuu weeydiiyay. “Dhanka bidix!,” Emery ayaa yidhi. “ Aan calaamad ku dhaafno si aan uso garano jidka soo laabashada.”

As they move along, Emery points out the landmarks. “Look at that sign, what does it say?” “To the lake,” says Josie. “That’s right! Can you spell the name? “Lake T-U-L-A-R-E” says Oliver. “Good job! And what about that post, what does it mean?” “It means that we are at mile number three!” says Lucas.

“Perfect! Remember those signs. We need to know our exact location. In case of an emergency, we can describe it without hesitation.”

Markeey sii socdeen ba, Emery ayaa kala tusay tilmaamaha jidka. “Eeg calaamadaas, maxeey leedahay?” “Dhanka waadiga,” Josie ayaa tiri. “Waa sax! Ma Hikaadin kartaa magaca?” “Lake T-U-L-A-R-E waxaa yidhi Oliver. “Shaqo wacan! Qoraalkaasna, maxaa laga wadaa?” “Waxaa laga wadaa waxaan mareeynaa maylkii saddexaad!” Lucas ayaa yidhi.

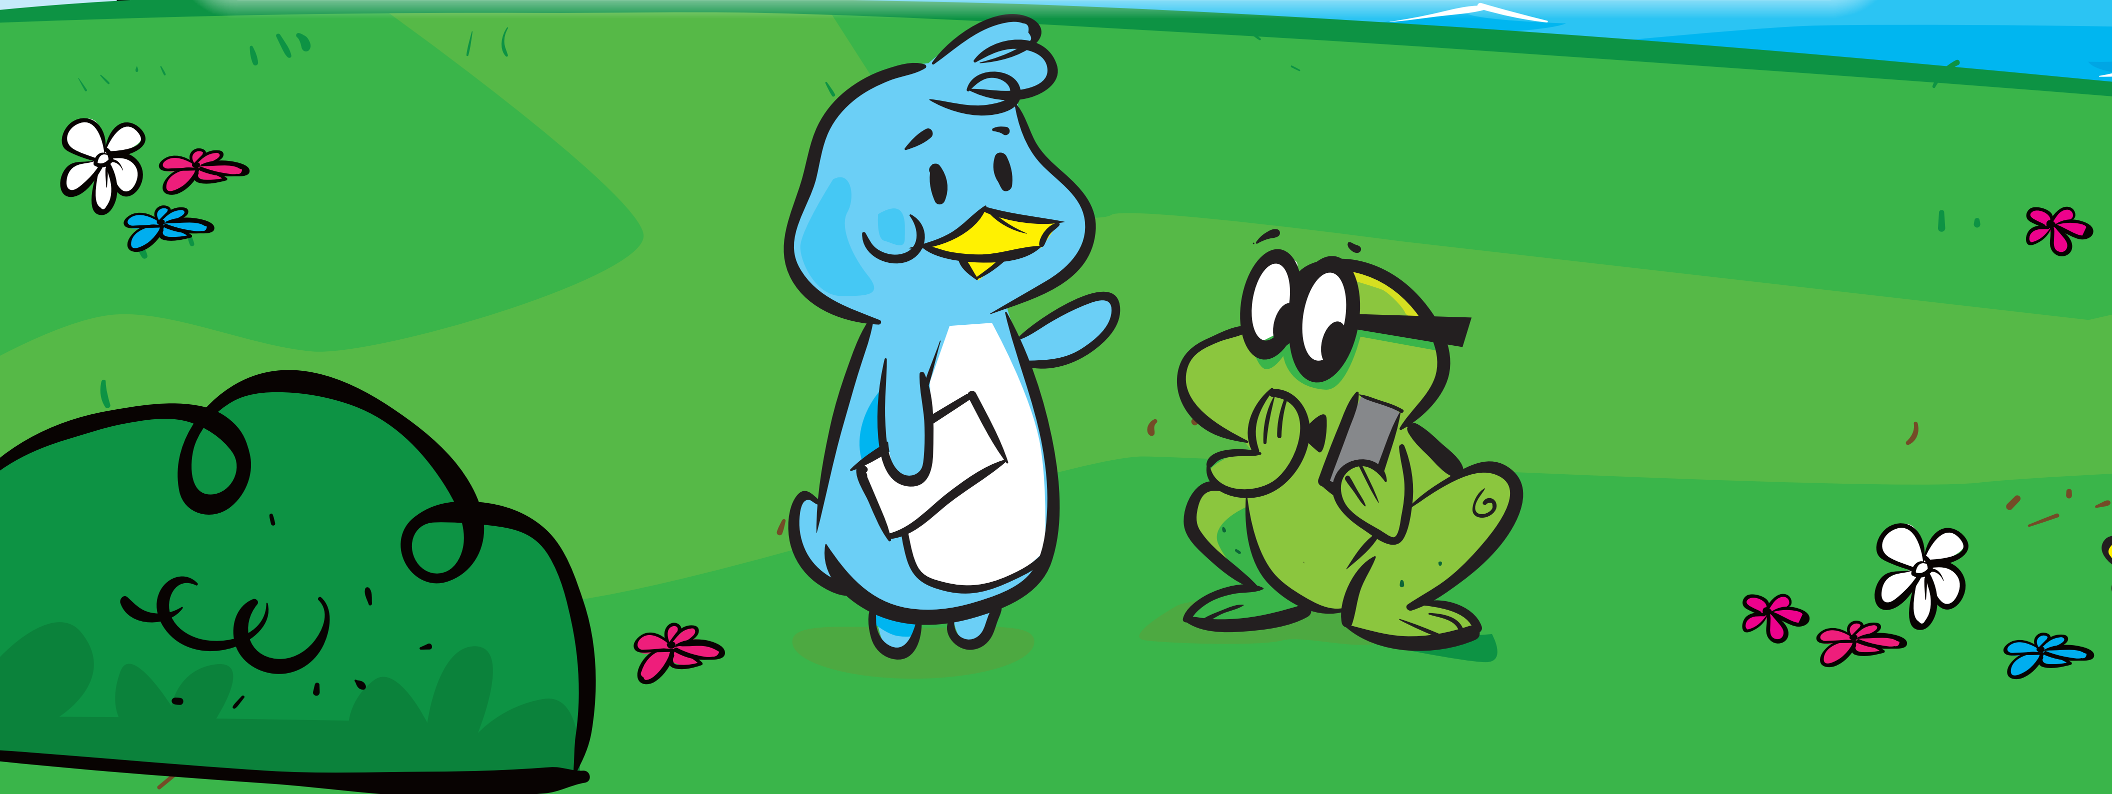
“Hagaag! Xasuusta calaamadahaas. Waa inaan ogaanaa halka aan ku suganahay. Hadeey xaalada degdeg ah imaaddo, waan tilmaami karnaa shaki la’aan.”

They soon find pebbles, the pinecones and twigs. There are plenty of wild flowers and crunchy, dry leaves. There is only one item left on their list: the pinch of sand, which they know they will find at the beach. “Come on everybody,” says Josie the bear. “Move your tails! We are almost there!”

Waxay dhakhso u helayaan quruurax, miro-qodax iyo laamo-qalalan. Waxaa jira ubaxyo duureed badan iyo caleemo qallalan. Waxa jira hal shay oo keliya ayaa ka dhiman liistigooda: fariyo-suul carro ah, oo ay og yihiin inay ka heli doonaan xeebta. “Qof walba ha kaalayo,” ayuu yidhi Josie-bearka. “Isi soo riixa! Waan ku dhow nahay! “

Beyond the bend is the lake. There is sand everywhere! "Take a photo," Josie says. "What a beautiful place." Lucas gets the phone but, Oh No! It is locked – it needs a password! He pushes buttons on the screen. "Yikes!" he exclaims, alarmed. "I accidently dialed 9-1-1!"

Jiirada horteeda waa waadigii. Carro ayaa meel kasta taal! "Sawir naga qaada," waxaa yidhi Josie. "Meeshu qurux badanaa." Lucas baa taleefoonka soo qabsaday laakiin, Alla Maya! Wuu xiranyahay-lambar-sireed ayuu u baahanyahay! Wuxuu riixay batoonada shaashada. "Akh!" ayuu yidhi, isagoo ka xun. "Waxaan si lama filaan ah u wacay 9-1-1."



“9-1-1. What is your emergency?” asks the call taker. But Lucas can’t talk – he is completely tongue-tied! He is about to hang up when Emery stops him. “Please give me the phone,” he says, and Lucas does.

“My friend dialed by mistake.” Emery explains. “There is no emergency.” “That’s quite alright,” says the call taker. “We all make mistakes. Are you sure you are OK?” “Yes. We are fine. Thank you.” “Good. Thank *you* for staying on the line.”

“9-1-1. Maxay tahay xaaladdaada deg-degga ah? “ Waxaa weeydiisay qofkii qabtay. Laakiin Lucas ma hadli karo - waa gabi is-xidhay afkiisa! Isagoo damin raba ayaa Emery joojiyay. “Fadlan ii dhiib taleefoonka,” ayuu yidhi, Lucas na wuu yelay.

“Saaxiibkay ayaa ku soo khaldamay.” Emery ayaa sharxay. “Ma jirto xaalad deg-deg ah.” “Taas waa wax iska caadi ah,” ayuu yiri qofkii qabtay “Dhammaanteen waxaan sameynaa qaladaad. Ma hubtaa inaad ficantahiin? “ “Haa waan ladanahay. Mahadsanid.” “Hagaag. Waad ku mahadsantahay maadaama aad khadka kusii jirtay.”

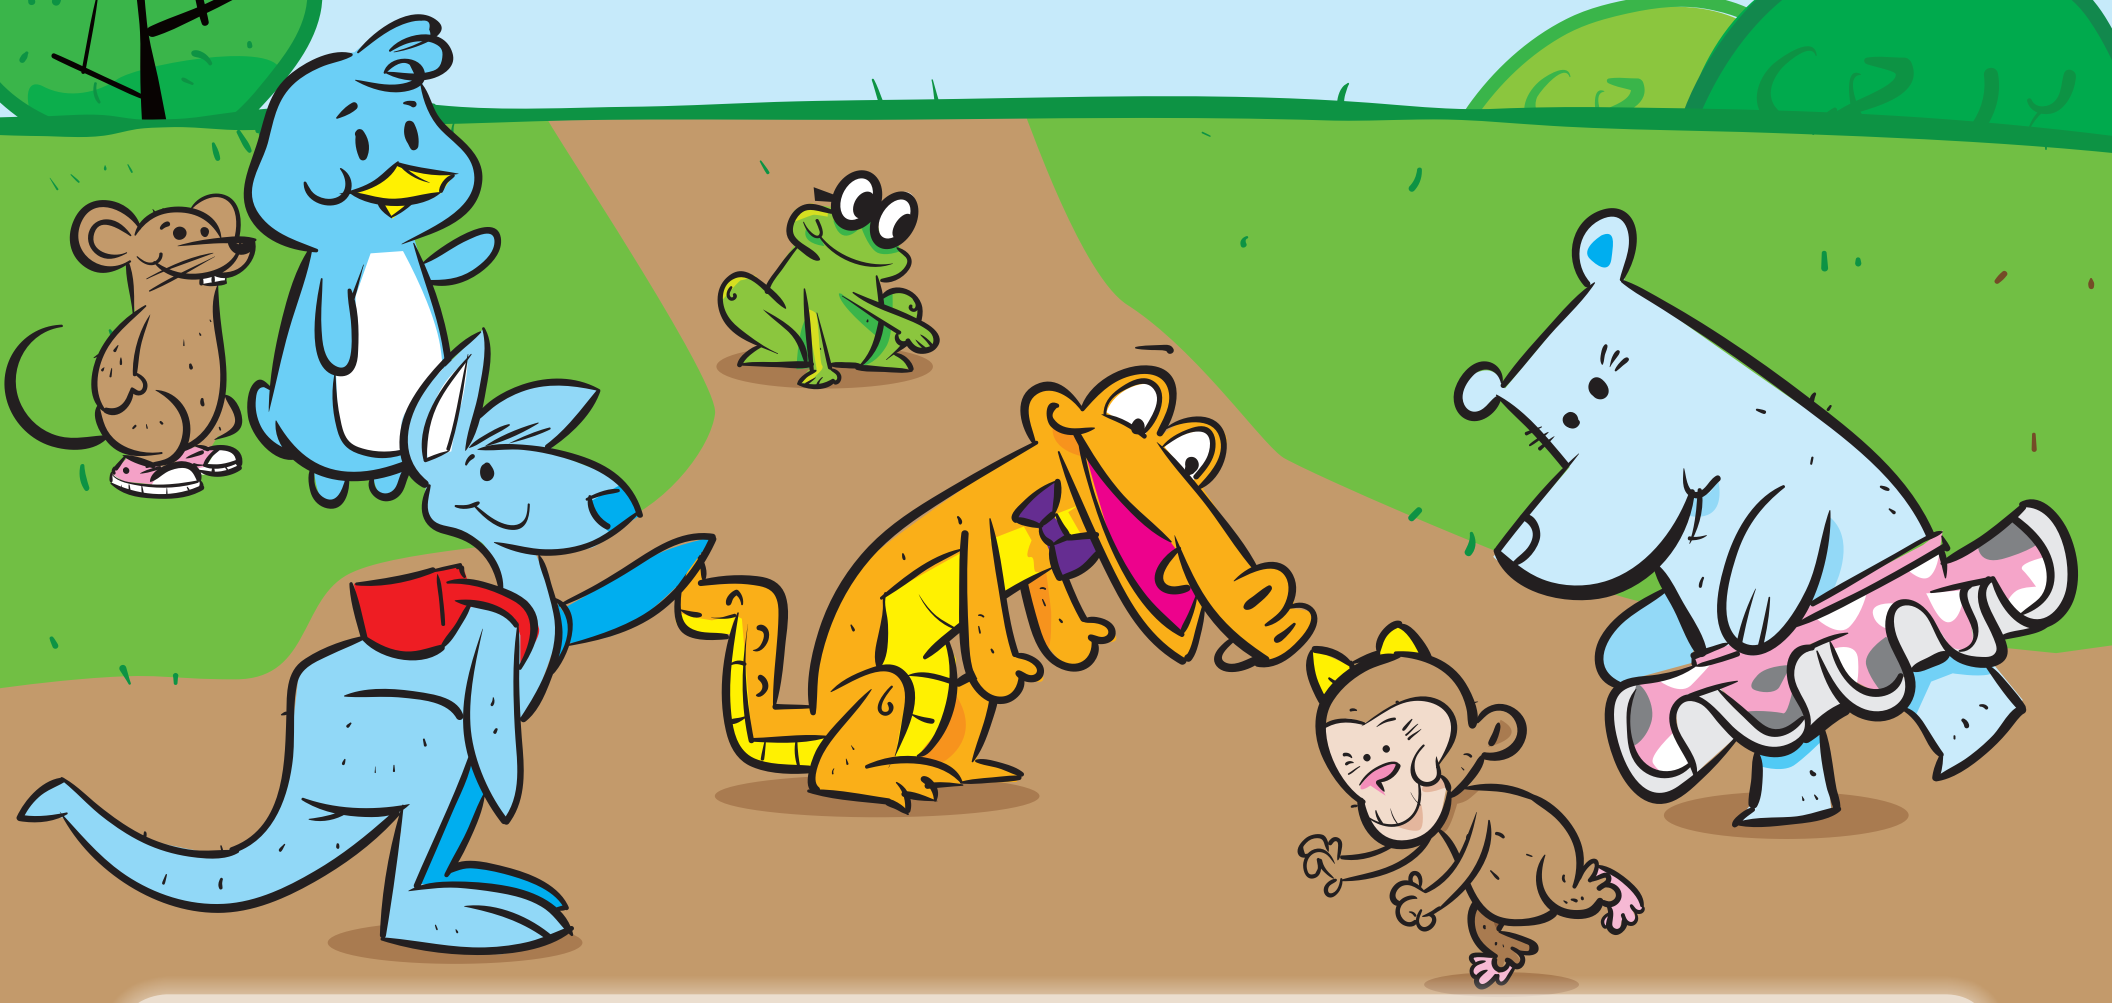
"You see how it's done?" Emery tells his friends. "If you dial 9-1-1 you don't hang up, even if you dialed by mistake. I learned that when my little sister accidently called 9-1-1. The officers came to the door! Everyone was alarmed for no reason at all."

"OK. Now we know," says Lucas the frog. "But the phone is still locked!" "Forget about the pictures," says Emery laughing. "Let's find our sand and finish the hunt."

"Ma aragtaa sida loo sameeyo?" Emery wuxuu u sheegay saaxiibadiisa. "Haddii aad wacdo 9-1-1 lama gooyo, xitaa haddii aad khalad u wacday. Waxaan bartay taas mar walaasheyda yar ay si kama ay u wacday. Askartii waxay yimaadeen albaabka! Qof walba wuu ka baqay sabab la'aan. "

"OK. Hadda waan ogaanay, "ayuu yiri Lucas-Rahow. "Laakiin telefoonka ayaa wali xiran!" "Iska ilow sawirada," ayuu yiri Emery isagoo qoslaya. "Aan helno carradanadi si loo dhameystirno ugaadhsiga."

They run to the beach and gather their pinch of sand. Everyone is a winner of the scavenger hunt. Now it is time to head back for lunch. “I am hungry!” says Victoria. “I want my cake and punch,” as she jumps and jumps.



“Waxay u ordeen xeebta waxayna soo ururiyaan cantoobo carro ah. Qof kastaa waa ku guuleystaha ugaadhsiga. Hadda waa wakhti aad dib ugu laabano qadadii. “Waan baahanahay!” Ayeey tidhi Victoria. “Waxaan rabaa doorsho iyo cabitaanki,” iyadoo wada ineey sii boodboodo.

“Manny, will you be our guide on the way back?” asks Emery. “I can try,” says Manny. “I can give it my best shot.” “Everyone follow Manny!” says Emery and off they go. Manny stays focused looking for landmarks. He is a very good guide and in no time at all they get back to the playground.

“Manny, inagu hag dib u noqoshadi?” Ayuu waydiiyay Emery. “Waan isku dayi karaa,” ayuu yiri Manny. “Waxaan siin karaa dadaalkeygi ugu wanaagsan.” “Qof walba ha raaco Manny!” Ayuu yidhi Emery weeyna dhaqaaqeen. Manny wuxuu aad ugu fiirsaday calaamadaha. Waa hage aad u wanaagsan isla wakhti yar guduhiina waxeey dib ugu laabteen goobtii cayaarta.

They run to the table – it is time for the birthday song! Emery blows out the candles while everyone sings along.

The cake is delicious – they could eat it all day long. And Emery is so happy – that was the BEST birthday fun.

Waxeey ku yaaceen miiski – waxaa la gaaray xilligii heesta dhalashada! Emery wuxuu afuufay shamacyada iyadoo qof kasta uu sii heeysayo.

Doorshuhu wuu macaanyahay – maantoo dhan weey cuni karaan. Emery na aad buu u faraxsanyahay-taasi waxeey ahayd dabaaldaggii dhalasho ugu wanaagsanaa.
