Note to applicants preparing this application form: The burden is on the applicant to provide adequate justification supporting this variance request. In order to approve this application, the responsible official must find that the request meets the criteria for approval as specified in Chapter 21A.44.030 of the King County Code (KCC).

Applicants must answer the following questions accurately and concisely. As necessary, use additional pages for detailed explanations and/or attachments that support this request.

1. What is the proposed use and development of subject property?

6. Will granting the variance be materially detrimental to the public welfare or unduly injurious to the property or improvements in the vicinity? Yes No

Explain:

7. Explain how the variance is the minimum necessary to grant relief.

8. Are there any private covenants established for the subject property? Yes No

If yes, attach a copy of the covenants and explain whether or not the requested variance infringes upon or interferes with covenant rights.

9. Is the property served by sanitary sewers? Yes No

If not, will the request result in the alteration of an existing septic tank and drainfield system or installation of a new septic system? Yes No

Has the Seattle-King County Health Department approval been obtained for an onsite sewage disposal?

Yes No

Explain and provide documentation of health department approval if received with the variance application.

- 10. Have interested community groups or neighboring property owners been notified of the proposed development? Yes No

If yes, who has been contacted and what were their reactions?

Applicants may submit any additional information (sketches, site plans, engineering reports, petitions, photographs, etc.) which may justify, clarify, or assist in the review of the requested Zoning Code Variance. The department of Permitting may, at any time, request further information or studies for these purposes.
