## **Comment Procedure:**

This Determination of Non-significance (DNS) is issued under Washington Administrative Code (WAC) 197-11-340. The Permitting Division has determined after review of the proposed legislation, an environmental checklist and associated documents, that existing State of Washington and King County regulations and codes are sufficient to address potential impacts associated with the proposed legislation. Therefore, An Environmental Impact Statement (EIS) is not required. The issuance of this DNS does NOT constitute approval or adoption of the subject legislation.

You may comment on this DNS by submitting comments to address or email below. Emailed comments are encouraged. Comments must be received no later than **4:00 pm on February 18, 2025**. The King County Council will not act until after the comment period.
