

KING COUNTY GROWTH MANAGEMENT PLANNING COUNCIL AGENDA ITEM

AGENDA TITLE: Draft GMPC 2025 Workplan

PRESENTED BY: Interjurisdictional Staff Team (IJT)

Today's Meeting

At today's meeting, the Growth Management Planning Council (GMPC) will discuss its draft workplan for 2025.

Overview

A Draft 2025 Workplan was prepared by the Interjurisdictional Staff Team (IJT) for GMPC discussion. The Draft 2025 Workplan includes standard briefings, follow up work from 2024 topics, and some new topics.

Standard briefings

- Includes recurring topics such as annual annexation updates, annual legislative session updates, and other updates of interest to the GMPC.

Follow-up on 2024 topics:

- **Affordable Housing Committee work:** Updates related to the work of the Affordable Housing Committee (AHC) including the AHC review of Comprehensive Plans as well as AHC charter amendments.
- **Growth Target Reconciliation Process:** Continued work on a potential reconciliation of the adopted growth targets for the City of Carnation and City of Snoqualmie.

Returning topics

- **Countywide and Regional Centers Designations:** IJT receipt of applications for center designation in late 2025, with GMPC review and potential approval in early 2026. The work will include consideration of both *countywide* centers and new *regional* centers that need to first be designated in the CPPs before they can be considered by the Puget Sound Regional Council.
- **Tribal Coordination:** Work with tribes to fulfill state requirements to include tribes in countywide planning. Begin with level setting and understanding work done in other

venues to support coordination between jurisdictions and tribes on countywide growth management topics.

Shown on the following page is a proposed schedule for the 2025 GMPC meetings. The schedule illustrates how the topics will be presented at GMPC. GMPC meetings will continue in a hybrid format. Meeting location is yet to be determined.

Future Activity

The 2025 Workplan will be brought to the GMPC for adoption at its first meeting in 2025.
