

Ames Lake Trestle Bridge Replacement Project

King County
Department of Local Services
Road Services Division

Project overview

King County will replace the 100-year-old **Ames Lake Trestle Bridge** in 2024 and 2025.

The new bridge will not have vehicle weight restrictions and will improve sight distance by widening and straightening the road.

You're Invited: Online Community Meeting

April 24, 2024 from 7 to 8 p.m.

VISIT OUR PROJECT WEBSITE TO PARTICIPATE:

What to expect during construction

- ▶ The work will take approximately eight months. During construction, Ames Lake-Carnation Road NE, between W. Snoqualmie Valley Road NE and NE 52nd Street, will be closed at the bridge location.
- ▶ All traffic, including emergency vehicles and school buses, will follow alternate routes during the eight-month construction period.

Project schedule

King County has completed the design of the replacement bridge, right-of-way acquisitions and environmental permitting. The contractor was selected in February 2024. Utility relocation work at the bridge required temporary lane restrictions and single day full road closures in February and March 2024. Project construction begins in late June 2024 and will last through early March 2025.

ALTERNATE ROUTES DURING CONSTRUCTION

Why is King County replacing this bridge?

Creosote-treated timber piles are decaying.

Bridge timber structure is over 100 years old.

TITLE VI: It is King County's policy to assure that no person shall, on the grounds of race, color, or national origin, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. Any person who believes their Title VI protection has been violated may file a complaint with King County, please contact Lydia Reynolds-Jones at 206-477-8100.

ADA: Materials can be provided in a different language for non-English speakers or in alternative formats such as large print, Braille, or audio for persons with disabilities. Please call Road Services at 206-477-8100. Persons who are deaf or hard of hearing may contact us through the Washington Relay Service at 7-1-1.
