CONTACT PARTICIPATORY BUDGETING Gloria L. Briggs Participatory Budgeting Program Manager Email: gloria.briggs@kingcounty.gov Phone: 206-263-8521

Participatory budgeting is back!

After a successful first round that wrapped up in 2022, Local Services is again leading this innovative approach to community-driven public funding in urban unincorporated areas

Learn more

Check out our community engagement

Participatory budgeting cycle

Design

 $27\,community\,members\,lead\,the\,steering\,committee\,to\,design\,this\,participatory\,budgeting\,process$ and allocate funds to each area.

Idea collection

Community members are asked to submit project proposal ideas in person, online, by phone, or via paper idea submission forms.

Proposal development

November 2023 - April 2024

Community volunteers work with King County staff members to build detailed project proposals that will go on a community ballot for a vote

Voting

May - June 2024

Community members vote on the proposals that best serve the needs of the community.

Funding

July 2024 - ongoing

King County Local Services funds and implements the winning ideas.

Meet your proposal advocates this spring!

PARTNER WITH US!

Meet your proposal advocates this spring!

King County Local Services is now in its second participatory budgeting cycle in the urban unincorporated areas of East Federal Way, East Renton, Fairwood, Skyway/West Hill, and White Center/North Highline. And we need your help!

King County, WA > Participatory Budgeting in Urban Unincorporated King County

This March and April, proposal advocates will be hosting an event in their neighborhood to meet and discuss with community members about how the ideas that were submitted by the public last year were rated and prioritized. This an opportunity for community members to learn about these identified community ideas, next steps in turning these ideas into proposals for community vote, and most importantly, provide feedback to the proposal advocates of the prioritized ideas. We look forward to seeing you at an upcoming spring event in your neighborhood.

- East Renton & Fairwood: Wednesday, March 20, 2024, from 6-7PM at Fairwood Library (17009 140th Ave. SE, Renton, WA 98058)
- Skyway: Wednesday, April 17, 2024, from 6-7PM at Skyway Library (12601 76th Ave. S., Seattle, WA 98178)
- East Federal Way: Monday, April 22, 2024, from 4:30-5:30PM at Federal Way Senior Center (4016 S 352nd St, Auburn, WA 98001)
- White Center: Tuesday, April 30, 2024, from 6-7PM at White Center Library (1409 SW 107th St., Seattle, WA 98146)

There are various opportunities for community members to support your local participatory budgeting process. Please read the position descriptions below:

- Ambassador Support outreach and community engagement to help spread awareness about the participatory budgeting process, activities, and events in the community. (\$25/hour for 2-3 hours/week)
- Proposal Advocate Work during the Proposal Development phase to research, evaluate, and prioritize the project ideas submitted by community members during the Idea Collection phase. Using research, community assessments, and consultation with King County staff members about project feasibility and cost, develop final project proposals for the participatory budgeting ballot. (\$30/hour for 3-4 hours/week)
- Event Volunteer Staff participatory budgeting community events for two hours per event. (No compensation, receives a free volunteer t-shirt)

Participatory Budgeting is currently in the Proposal Development phase. Community members from East Federal Way, East Renton, Fairwood, Skyway/West Hill and White Center/North HIghline are currently serving as proposal advocates to turn ideas that were submitted by the public last year into proposals. In January 2024, we held a proposal development community event at each neighborhood library where the public was invited to see the submitted ideas and learn how these ideas can become proposals to be voted on by YOU this summer!

How Proposal Development Works:

Volunteer Requirements: Must live, work, go to school, worship (attend church, mosque, etc.), and/or demonstrate a strong connection to the community.

Apply Today!

COMPLETE

January - March 2023

Recruiting the 2023-2024 Participatory
Budgeting Program Steering Committee
Members

Applications for this cycle's Participatory Budgeting Program are open for community members to serve as Steering Committee Members.

COMPLETE

April 2023

Establishing the 2023-2024 Participatory Budgeting Steering Committee Members

King County, WA > Participatory Budgeting in Urban Unincorporated King County

alignment with goals/stated values, and identified community need; ensuring a fair and effective decisionmaking process.

Collect community input to inform participatory budgeting proposals, ensuring a collaborative and inclusive approach to decision-making.

BUILD DETAILED PROPOSALS

Create a clear project proposal outlining key aspects such as; cost, project scope, community impact Selected proposals
move to the
community ballot,
allowing residents to
vote and have a direct
say in which projects
will be funded for
implementation

PROPOSAL DEVELOPMENT TIMELINE

*may adjust to community needs

April 2023

Establishing the 2023-2024 Participatory Budgeting Steering Committee Members

Steering Committee Members have been selected for this cycle's Participatory Budgeting Program and will begin working to establish a budgeting process for the five unincorporated areas.

COMPLETE

April - August 2023

Design Phase

Steering Committee Members from each area will work together to design the PB process and allocate funds to the five unincorporated areas.

COMPLETE

September - November 2023

Idea Collection Phase

King County, WA > Participatory Budgeting in Urban Unincorporated King County

*

Community Engagement

Conduct community events to reveal submitted ideas/rating scores. Recieve community input Conduct community events to gain community buy-in of priortization of submitted ideas, and to give input to what proposals will go onto community ballot for vote

Engage community in participating in the BIG PB VOTE

Continue

Idea Collection Phase

Community members and organizations will begin submitting project ideas and proposals for the five unincorporated areas.

LIVE

December 2023 - May 2024

Proposal Development Phase

Community members volunteer as Proposal Advocates to build submitted ideas from the public during the Idea Collection phase into actual project proposals to go on the ballot for communities to vote and decide what projects to fund.

PLANNED

June 2024

Community Vote!

Community members in the five

Community members in the five unincorporated areas vote on projects and/or programs to fund and implement with the Participatory Budgeting funds.

PLANNED

June - December 2025

Funding Winning Programs and Projects

After winning awards have been determined from the community vote, King County staff will start working with those awardees to begin contracting work for the implementation of the winning programs and projects.

News Releases

- King County selects Community Investment
 Committee members to guide \$10 million
 investments in urban unincorporated areas

Accessibility

Equal access for one and all

King County is committed to ensuring equal access to all its programs and services, including its web site. In an effort to ensure equal access, King County established comprehensive guidelines for its web site designers so that information featured on its web site is accessible to all individuals, including individuals with disabilities, as required under the Americans with Disabilities Act of 1990.

While not every need can be anticipated nor every barrier avoided, there are some key issues we've tried to address in an effort to maximize accessibility of our site:

- · Simple, consistent page layout and standard navigation throughout the site to assist people with learning disabilities and others who may have difficulty following less organized presentations.
- · Mandatory white page backgrounds to provide contrast for users with low vision or colorblindness.
- Standard HTML ensuring that site content can be accessed by all browsers.
- · Use of ALT tags making alternative text information available for graphical features.
- . Menu alternatives for image maps to ensure that embedded links are accessible for readers using
- Smart use of tables, ensuring that tables are formatted so as to be accessible by non-standard browsers.
- Limited use of frames.
- · Limited use of applets and plug-ins.

Want to learn more about web access at King County? Contact the Office of Civil Rights at 206-263-2446 TTY or by e-mail at Civil-Rights.OCR@kingcounty.gov or see the Office of Civil Rights web page.
