7.06.020 City of Kirkland CTR Plan.

The City Council hereby approves and adopts the August 2008 City of Kirkland CTR plan. This Plan may be amended by further action of the City Council.

The goals established for the jurisdiction and affected employers in the City's Commute Trip Reduction Plan set forth in Attachment A are incorporated herein by reference. The City staff is directed to make any corrections for typographical errors, include any graphical materials for information, and complete the Commute Trip Reduction Plan.

7.06.030 Commute Trip Reduction Goals.

a. The City's goals for reductions in the proportions of drive-alone commute trips and vehicle miles traveled per employee by affected employers in the City's jurisdiction, major employment installations, and other areas designated by the City are hereby established by the City's CTR Plan incorporated by Section 7.06.020 above. These goals establish the desired level of performance for the CTR program in its entirety in the City.

b. The City will set the individual worksite goals for affected employers based on how the worksite can contribute to the City's overall goal established in the CTR Plan. The goals will appear as a component of the affected employer's approved implementation plan outlined in Section 7.06.110 below.

7.06.040 CTR Goals for Affected Employers.

a. The drive-alone and VMT goals for affected employers in the City are set forth in the CTR Plan adopted in Section 7.06.020 above.

b. If the goals for an affected employer or newly affected employer are not listed in the CTR Plan, they shall be established by the City at a level designed to achieve the City's overall goals and other areas as designated by the City.

c. The City shall provide written notification of the goals for each affected employer worksite by providing the information when the City reviews the employer's proposed program and incorporating the goals into the program approval issued by the City.

7.06.050 Responsible agency.

The City Public Works Department shall be responsible for implementing this chapter, the CTR plan and the City's CTR program for its own employees. The City Public Works director shall have the authority to issue such rules and administrative procedures and delegate authority to other City departments as may be necessary to implement this chapter.

7.06.060 Applicability.

The provisions of this chapter shall apply to any affected employer at any single worksite within the corporate limits of the City. Employees will only be counted at their primary worksite. The following classifications of employees are excluded from the counts of employees: (1) seasonal agricultural employees, including seasonal employees of processors of agricultural products; and (2) employees of construction worksites when the expected duration of the construction is less than two (2) years.

(a) Notification of Applicability.

(1) In addition to the City's established public notification for adoption of an ordinance, a notice of availability of a summary of this chapter, a notice of the requirements and criteria for affected employers to comply with this chapter, and subsequent revisions shall be published at least once in a newspaper of general circulation in the City within thirty (30) days after adoption of this chapter or revisions.

(2) Within thirty (30) days after adoption of this chapter, the City Public Works Director will issue to known affected employers located in the City a formal written notification by certified mail that they are subject to this chapter.

(3) Affected employers that do not receive notice within thirty (30) days of adoption of this chapter must identify themselves to the City Public Works Director within ninety (90) days of the adoption of this chapter. Upon identifying themselves within said ninety-day period, such employers will be granted ninety (90) days from the date of self-identification within which to develop and submit a CTR program.

(4) Affected employers that have not been identified or do not identify themselves within ninety (90) days of the passage of this chapter and do not perform a baseline measurement consistent with the measurement requirements specified by the City within ninety (90) days from the passage of this chapter are in violation of this chapter.

(5) If an affected employer has already performed a baseline measurement, or an alternative acceptable to the City, previously under this chapter, the employer is not required to perform another baseline measurement.

(6) Any existing employer of seventy-five (75) or more persons who obtains a business license in the City, subsequent to adoption of this chapter, will be required to complete an employer assessment form. The employer assessment form will be used to assist the City Public Works Director to determine whether or not an employer will be deemed affected or non-affected in accordance with the provisions of this chapter.

(b) New Affected Employers. Employers that fall within definition of "affected employer" must identify themselves to the City Public Works Director within ninety (90) days of either moving into the boundaries of the City or growing in employment at a worksite to one hundred (100) or more affected employees. Once they identify themselves, such employers shall submit a complete baseline survey within ninety (90) days and they shall be granted a total of ninety days to develop and submit a CTR program. Employers who do not identify themselves within ninety (90) days are in violation of this chapter.

(1) Newly affected employers identified as such shall be given ninety (90) days to perform a mandatory baseline measurement consistent with the measurement requirements specified by the City. Employers who do not perform a baseline measurement within ninety (90) days of receiving written notification that they are subject to this chapter are in violation of this chapter.

(2) Not more than ninety (90) days after receiving written notification of the results of the baseline measurement, the newly affected employer shall develop and submit a CTR Program to the City. The program will be developed in consultation with the City to be consistent with the goals of the CTR Plan adopted in Section 7.06.020. The program shall be implemented not more

than ninety (90) days after approval by the City. Employers who do not implement an approved CTR Program according to this schedule are in violation of this chapter and subject to the penalties outlined in Section 7.06.120.

(c) Change in Status as an Affected Employer. Any of the following changes in an employer's status will change the employer's CTR program requirements:

(1) If an affected employer can document that it faces an extraordinary circumstance that will change its status as an affected employer, it may apply for a full or partial exemption from CTR program requirements pursuant to Section 7.06.130 of this chapter.

(2) If an employer initially designated as an affected employer no longer employs one hundred (100) or more affected employees and expects not to employ one hundred (100) or more affected employees for the next twelve (12) months, that employer is placed on a 12-month watch and is subject to the same program requirements as other affected employers. At the end of the 12-month watch, if they no longer employ one hundred (100) affected employees, they are no longer an affected employer. It is the responsibility of the employer to provide documentation to the City Public Works Director that it is no longer an affected employer. The burden of proof lies with the employer. The City Public Works Director shall review such documentation to determine whether the employer is no longer an affected employer.

(3) If the same employer returns to the level of one hundred (100) or more affected employees twelve (12) or more months after its change in status to an "unaffected" employer, that employer shall be treated as a new affected employer, and will be subject to the same CTR program requirements as other new affected employers.

13. Provision of a program of parking incentives such as a rebate for employees who do not use the parking facilities;
14. Establishment of a program to permit employees to work part- or full-time at home or at an alternative worksite closer to their homes which reduces commute trips;
15. Establishment of a program of alternative work schedules, such as a compressed work week, which reduces commute trips;
16. Implementation of other measures designed to facilitate the use of high-occupancy vehicles, such as on-site day care facilities, emergency taxi services, or guaranteed ride home programs;
17. Charging employees for parking, and/or the elimination of free parking; and
18. Other measures that the employer believes will reduce the number and length of commute trips made to the site.

7.06.080 CTR Program Report and Description.

- a. Affected employers shall review their program and file a regular progress report with the City in accordance with the format provided by the City.
- b. The CTR Program Report and Description outlines the strategies to be undertaken by an employer to achieve the commute trip reduction goals for the reporting period. Employers are encouraged to consider innovative strategies and combine program elements in a manner that will best suit their location, site characteristics, business type, and employees' commuting needs. Employers are further encouraged to cooperate with each other to implement program elements.
- c. At a minimum, the employer's CTR Program Report and Description must include:
 1. A general description of the employment site location, transportation characteristics, employee parking availability, on-site amenities, and surrounding services;
 2. The number of employees affected by the CTR program and the total number of employees at the site;
 3. Documentation on compliance with the mandatory CTR program elements (as described in *Section 7.06.070*);
 4. Description of any additional elements included in the employer's CTR program (as described in *Section 7.06.070*); and
 5. A statement of organizational commitment to provide appropriate resources to the program to meet the employer's established goals.

7.06.090 Biennial Measure of Employee Commute Behavior.

In addition to the baseline measurement, employers shall conduct a mandatory program evaluation as a means of determining worksite progress toward meeting CTR goals. As part of the program evaluation, the employer shall distribute and collect Commute Trip Reduction Program Employee Questionnaires (surveys) at least once every two (2) years, and strive to achieve at least a 70% response rate from employees at the worksite.

7.06.100 Record keeping.

Affected employers shall maintain a copy of their approved CTR Program Description and Report, their CTR Program Employee Questionnaire results, and all supporting documentation for the descriptions and assertions made in any CTR report to the City for a minimum of forty-eight (48) months. The City and the employer shall agree on the record keeping requirements as part of the accepted CTR program.

7.06.110 Schedule and process for CTR program review and implementation.

a. Document Review. The City shall provide the employer with written notification if a CTR program is deemed unacceptable. The notification must give cause for any rejection. If the employer receives no written notification of extension of the review period of its CTR program or comment on the CTR program or annual report within ninety (90) days of submission, the employer's program or annual report is deemed accepted. The City may extend the review period up to ninety (90) days. The implementation date for the employer's CTR program will be extended an equivalent number of days.

b. Scheduling. Upon review of an employer's initial CTR program, the City shall establish the employer's regular reporting date. This report will be provided in a form provided by the City consistent with Section 7.06.080 above.

c. Modification of CTR Program Elements. Any affected employer may submit a request to the City for modification of CTR requirements. Such request may be granted if one of the following conditions exist:

1. The employer can demonstrate it would be unable to comply with the CTR program elements for reasons beyond the control of the employer, or
2. The employer can demonstrate that compliance with the program elements would constitute an undue hardship.

The City may ask the employer to substitute a program element of similar trip reduction potential rather than grant the employer's request. Requests to modify the CTR requirement shall be filed in writing at least sixty (60) days prior to the employer's regular reporting date. All requests for modification of CTR program must be made in writing to the City Public Works Director by certified mail or delivery, return receipt.

d. Extensions. An employer may request additional time to submit a CTR Program Description and Report, or to implement or modify a program. Such

requests shall be via written notice at least thirty (30) days before the due date for which the extension is being requested. Extensions not to exceed ninety (90) days shall be considered for reasonable causes. The City shall grant or deny the employer's extension request by written notice within ten (10) working days of its receipt of the extension request. If there is no response issued to the employer, an extension is automatically granted for thirty (30) days. Extensions shall not exempt an employer from any responsibility in meeting program goals. Extensions granted due to delays or difficulties with any program element(s) shall not be cause for discontinuing or failing to implement other program elements. An employer's regular reporting date shall not be adjusted permanently as a result of these extensions. An employer's regular reporting date may be extended at the discretion of the City.

e. Implementation of Employer's CTR Program. Unless extensions are granted, the employer shall implement its approved CTR program, including approved program modifications, not more than ninety (90) days after receiving written notice from the City that the program has been approved or with the expiration of the program review period without receiving notice from the City.

7.06.120 Enforcement.

(a) Compliance. For purposes of this section, compliance shall mean:

1. Fully implementing in good faith all mandatory program elements as well as provisions in the approved CTR Program Description and Report;
2. Providing a complete CTR Program Description and Report on the regular reporting date; and
3. Distributing and collecting the CTR Program Employee Questionnaire during the scheduled survey time period.

(b) Program Modification Criteria. The following criteria for achieving goals for VMT per employee and proportion of drive alone trips shall be applied in determining requirements for employer CTR program modifications:

1. If an employer meets either or both goals, the employer has satisfied the objectives of the CTR plan and will not be required to improve its CTR program;
2. If an employer makes a good faith effort, as defined in RCW 70.94.534(2) and this ordinance, but has not met the applicable drive alone or VMT goal, no additional modifications are required.
3. If an employer fails to make a good faith effort as defined in RCW 70.94.534(2) and this chapter, and fails to meet the applicable drive alone or VMT reduction goal, the City shall direct the employer to revise its program within thirty (30) days to come into compliance with the measures defined by RCW 70.94.534(2), including specific recommended program modifications. In response to the recommended modifications, the employer shall submit a revised CTR Program Description and Report, including the requested modifications or equivalent measures, within thirty (30) days of receiving written notice to revise its program.

4. The City shall review the revisions and notify the employer of acceptance or rejection of the revised program. If a revised program is not accepted, the City will send written notice to that effect to the employer within thirty (30) days and, if necessary, require the employer to attend a conference with program review staff for the purpose of reaching a consensus on the required program. A final decision on the required program will be issued in writing by the City within ten (10) working days of the conference.

(c) Modification of CTR Program Goals.

1. An affected employer may request that the City modify its CTR program goals. Such requests shall be filed in writing at least sixty (60) days prior to the date the worksite is required to submit its program description or annual report. The goal modification request must clearly explain why the worksite is unable to achieve the applicable goal. The worksite must also demonstrate that it has implemented all of the elements contained in its approved CTR program.

2. The City will review and grant or deny requests for goal modifications in accordance with procedures and criteria identified in the CTR Board Guidelines.

3. An employer may not request a modification of the applicable goals until one year after the City approval of its initial program description or biennial report.

(d) Violations.

Violation of a provision of this chapter is a civil infraction for which a monetary penalty may be imposed under this chapter. The following actions shall constitute a violation of this chapter:

1. Failure to self identify as an affected employer;
2. Failure to perform a baseline measurement, including:
 - a. Employers notified or that have identified themselves to the City within ninety (90) days of the chapter being adopted and that do not perform a baseline measurement consistent with the requirements specified by the City within ninety (90) days from the notification or self-identification;
 - b. Employers not identified or self-identified within ninety (90) days of the chapter being adopted and that do not perform a baseline measurement consistent with the requirements specified by the City within ninety (90) days from the adoption of the ordinance;
3. Failure to develop and/or submit on time a complete CTR program;
4. Failure to implement an approved CTR program, unless the program elements that are carried out can be shown through quantifiable evidence to meet or exceed VMT and drive alone goals as specified in this chapter;
5. Submission of false or fraudulent data in response to survey requirements;
6. Failure to make a good faith effort, as defined in RCW 70.94.534 and this chapter; or
7. Failure to revise a CTR program as defined in RCW 70.94.534(4) and this chapter.

(e) Penalties.

(1) No affected employer with an approved CTR program which has made a good faith effort may be held liable for failure to reach the applicable drive alone or VMT goal.

(2) Each day of failure by an employer to (a) implement a commute trip reduction program, or (b) modify an unacceptable commute trip reduction program, or (c) fail to perform any activity required by this chapter relating to implementation of or required modification to a CTR program shall constitute a separate violation and shall be considered a civil infraction. The penalty for a violation shall be two hundred fifty dollars (\$250.00) per day.

(3) An affected employer shall not be liable for civil penalties if failure to implement an element of a CTR program was the result of an inability to reach agreement with a certified collective bargaining agent under applicable laws where the issue was raised by the employer and pursued in good faith. Employers having unionized employees shall be presumed to act in good faith compliance if they:

(a) propose to a recognized union any provision of the employer's CTR program that is subject to bargaining as defined by the National Labor Relations Act; and

(b) Advise the union of the existence of the statute and the mandates of the CTR program approved by the City and advise the union that the proposal being made is necessary for compliance with state law (RCW 70.94.531).

(4) Payment of a monetary penalty pursuant to this chapter does not relieve an affected employer of the duty to comply with the activities required by this chapter.

(5) Nothing in this chapter limits the right of the city to pursue other civil or equitable remedies it may have to obtain compliance with the activities required by this chapter.

(6) A notice of violation and imposition of monetary penalties represents a determination that a civil infraction has been committed. The determination is final unless appealed as provided in this chapter.

(7) A notice of violation and imposition of monetary penalties shall be served on the affected employer, either personally or by mailing a copy of the notice by certified mail, postage prepaid, return receipt requested to the affected employer at his/her last known address. The person who effected personal service or service by mail shall make proof of service at the time of service by a written declaration under penalty of perjury declaring the time and date and the manner in which service was made.

7.06.130 Worksite Exemptions.

An affected employer may request the City to grant an exemption from all CTR program requirements or penalties for a particular worksite. The employer must demonstrate that it would experience undue hardship in complying with the requirements of the ordinance as a result of the characteristics of its business, its work force, or its location(s). An exemption may be granted if and only if the affected employer demonstrates that it faces extraordinary circumstances, such as bankruptcy, and is unable to implement any measures that could reduce the proportion of drive alone trips and VMT per employee. Exemptions may be granted by the City at any time based on written notice provided by the affected employer. The notice should clearly explain the conditions for which the affected employer is seeking an exemption from the requirements of the CTR program. The City shall grant or deny the

request within thirty (30) days of receipt of the request. The City shall review annually all employers receiving exemptions, and shall determine whether the exemption will be in effect during the following program year.

7.06.140 Employee Exemptions.

(2) An affected employer may appeal a notice of violation by filing a written notice of appeal with the Department of Public Works within seven (7) calendar days from the date of service of the notice of violation and imposition of monetary penalties.

(3) The monetary penalty for a continuing violation does not accrue during the pendency of the appeal; however, the Hearing Examiner may impose a daily monetary penalty from the date of service of the notice of civil infraction if he or she finds that the appeal is frivolous or intended solely to delay compliance.

(6) The Hearing Examiner shall consider the following in making his/her determination:

- (a) Whether the intent of the appeal was to delay compliance; or
- (b) Whether the appeal is frivolous; or
- (c) Whether the appellant exercised reasonable and timely effort to comply with applicable requirements; or
- (d) Any other relevant factors.

(7) The Hearing Examiner shall mail a copy of his decision to the appellant by certified mail, postage prepaid, return receipt requested.

(8) The decision of the Hearing Examiner may be reviewed for illegal, corrupt or arbitrary or capricious action in King County Superior Court. The petition for review must be filed within thirty calendar days of the final decision of the Hearing Examiner.

(a) The monetary penalty constitutes a personal obligation of the person to whom the civil infraction is directed. Any monetary penalty assessed must be paid to the City Clerk within seven (7) calendar days from the date of service of notice of violation and imposition of monetary penalties or, if an appeal was filed pursuant to this chapter, within seven (7) calendar days of the Hearing Examiner's decision.

(b) The City Attorney, on behalf of the city, is authorized to collect the monetary penalty by use of appropriate legal remedies, the seeking or granting of which shall neither stay nor terminate accrual of additional per diem monetary penalties so long as the violation continues.

(c) In the event of failure to appear at a hearing provided herein, the Hearing Examiner shall assess the monetary penalty prescribed and a penalty of twenty-five dollars (\$25.00).

(d) In the event of a conflict between this chapter and any other City ordinance providing for a civil penalty, this chapter shall control.

(10) A person who willfully fails to pay a monetary penalty as required by provisions of this chapter may be found in civil contempt of court after notice and hearing.
