

Eastlake Layover Facility

September 2023

King County
METRO

Moving forward together

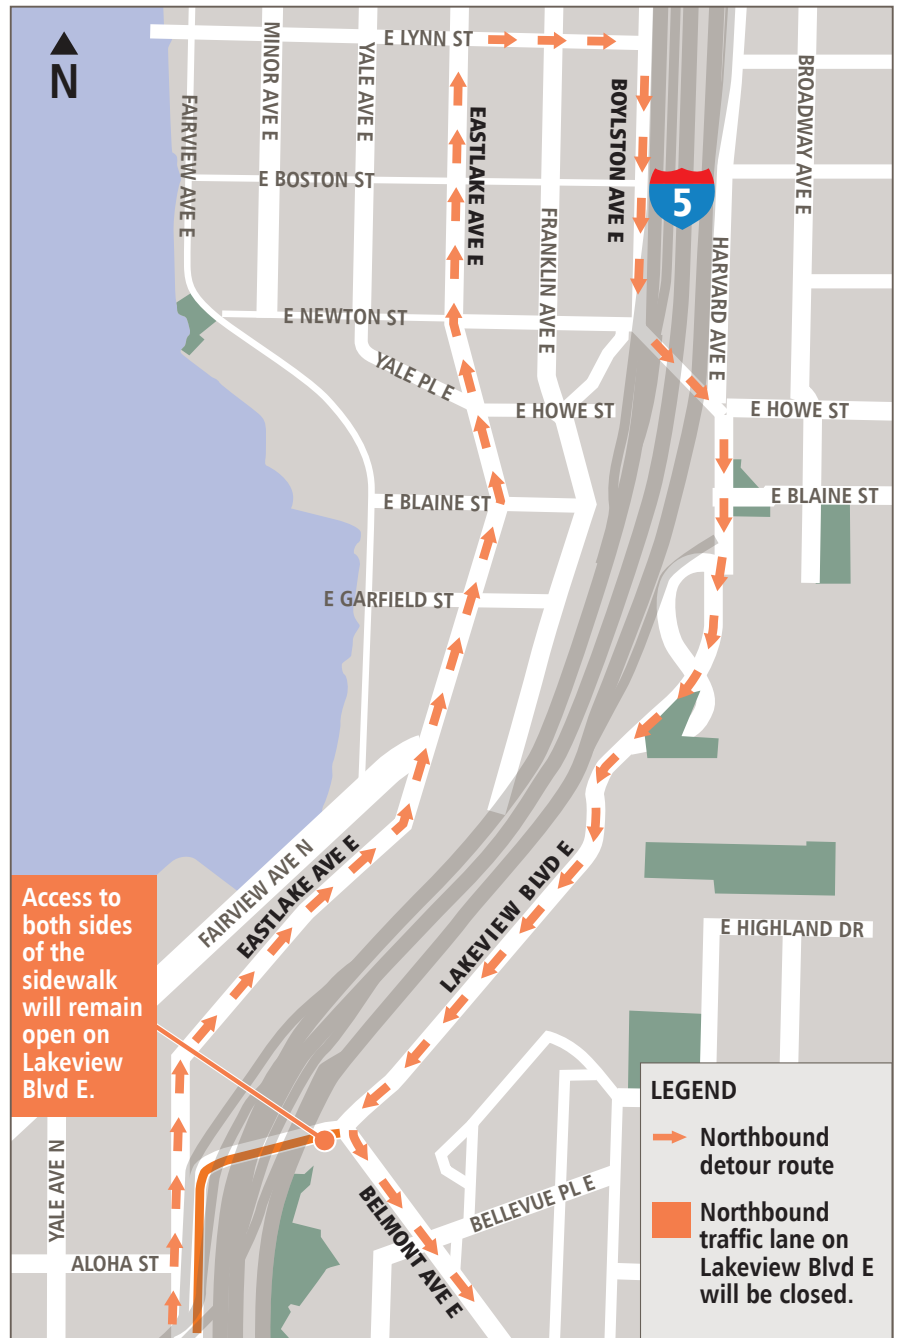

Notice of upcoming construction

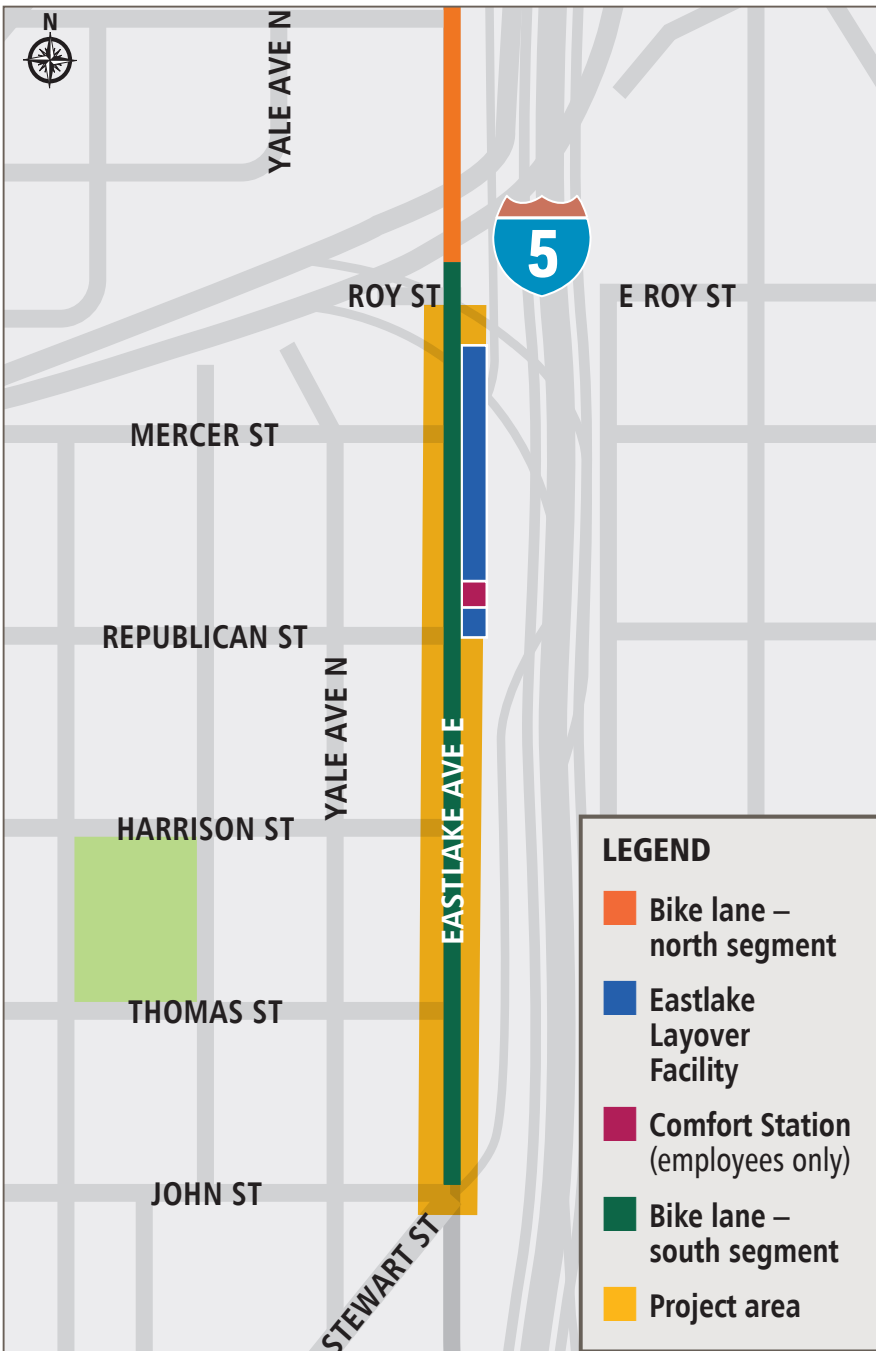

Crews will be closing the northbound traffic lanes of Lakeview Boulevard East to begin work installing underground utilities. This drainage work is part of the Eastlake Layover Facility project and is expected to continue over the weekends through fall 2023. Planned schedule is:

- ▶ Saturday, September 30th from 7 a.m.–5 p.m.
- ▶ Sunday, October 1st from 7 a.m.–5 p.m.
- ▶ Saturday, October 7th from 7 a.m.–5 p.m.
- ▶ Sunday, October 8th from 7 a.m.–5 p.m.
- ▶ Saturday, October 14th from 7 a.m.–5 p.m.
- ▶ Sunday, October 15th from 7 a.m.–5 p.m.

During this work:

- ▶ The northbound traffic lane on Lakeview Boulevard will be closed from 7 a.m. to 5 p.m. The southbound travel lane will remain open.
- ▶ All lanes will reopen after 5 p.m.
- ▶ A detour route will be in place for people driving northbound. See the map below for details.
- ▶ Access for people walking and rolling will be maintained on the west side of Lakeview Boulevard.
- ▶ Access to the northbound and southbound bike lanes will be maintained. People using the northbound bike lane will be provided with a path through the construction zone and then continue on to the existing bike lane. People using the southbound bike lane will shift to the southbound travel lane when traveling through the construction zone.

What to expect

Construction on the Eastlake Layover Facility will continue until summer 2024. Typical work hours are Monday through Friday, 8 a.m. to 5 p.m. Some nighttime and weekend work may be required. You can expect:

- ▶ Temporary parking restrictions
- ▶ Periodic lane closures
- ▶ Flaggers to direct traffic around the work areas
- ▶ Detours for people walking, rolling, and biking
- ▶ Construction staging and parking impacts near the construction site
- ▶ Some sidewalk, intersection and lane closures
- ▶ Typical construction impacts, such as noise, truck activity and dust and debris

Project background

To keep everyone safe on the streets in this location, King County Metro is building a facility on the east side of Eastlake Avenue East, next to Interstate 5 between Roy and Republican streets. When built, the facility will accommodate 11 bus layover spaces and provide a place for bus operators to take breaks and access safe restroom facilities. This is an increasingly busy corridor, where people driving vehicles, walking, or rolling intermix with buses on layover. Please visit the [Eastlake Layover Facility project website](#) to learn more.
