## THE ROLE OF THE BUS DRIVER

The bus driver's primary job is to operate the bus safely. If problems arise on the bus, the bus driver's first priority is to determine if a passenger's safety is at stake. The driver will assess the severity of the problem and resources available, and respond accordingly. Bus drivers, at their discretion, may choose to talk to the passenger, call for assistance, submit a report on the incident at the end of their shift, or take no immediate action. In the case of minor infractions of the code of conduct, Metro's general guideline for the driver would be to continue on the route rather than inconvenience other riders by delaying service.

Enforcement of the code of conduct is handled through a network of professionals that can be called upon by the bus driver, if and when needed. The role of a bus driver is that of a peacekeeper, not an enforcer.

## Metro Bus Rider CODE OF CONDUCT

Moving forward together

Moving forward together

To help ensure the safety, comfort, and convenience of those who use our services, the King County Council passed an ordinance to regulate conduct on Metro Transit property. In simple terms, it's best described as the way to "ride right." When you ride right, you treat others as you would like to be treated. You show respect for fellow passengers, transit employees, transit vehicles, and facilities you use.

Everyone benefits when passengers ride right. Transit riders enjoy a safe, comfortable and inviting atmosphere, and the overall efficiency of the transportation system improves.

The Code of Conduct applies to activities that occur in or on:

- Metro transit buses and vehicles
- Transit centers
- Park-and-Ride lots
- Bus shelters/stops
- Streetcar platforms
- Tunnel facilities

It only takes one person to ruin a good experience on Metro. That's why we take our Code of Conduct seriously. The rules listed are enforceable by law. Those in violation may be asked to leave the vehicle or facility immediately and lose ridership privileges. In addition, Metro Police and local law enforcement agencies can cite those in violation of this code.

## CIVIL PENALTIES

Infractions can result in a citation and fine up to \$250 (per KCC 28.96.010 and RCWs 35.58.580 and 7.80.060)

1. Allowing any animal to occupy a seat on transit property, to run at large without a leash, to unreasonably disturb others, or obstruct flow of passenger or bus traffic. An animal may occupy a passenger's lap while in a transit vehicle or facility.
2. Allowing his or her animal to leave waste on transit property.
3. Roller-skating, roller-blading or skate-boarding.
4. Riding a bicycle, motorcycle or other vehicle except for the purpose of entering or leaving passenger facilities on roadways designed for that use. In tunnel facilities, bicycles must be walked at all times and may not be transported on escalators. However, nothing in this section shall be construed to apply to commissioned peace officers or county employees engaged in authorized activities in the course of their employment.
5. Eating or drinking. However, eating and drinking nonalcoholic beverages are permitted on the mezzanine and exterior plaza levels of tunnel stations and the exterior areas of other passenger facilities. Also, drinking nonalcoholic beverages from a container designed to prevent spillage is permitted on transit property.
6. Bringing onto a transit passenger vehicle any package or other object which blocks an aisle or stairway or occupies a seat if to do so would, in the operator's sole discretion, cause a danger to, or displace, passengers or expected passengers.
7. Operating, stopping, standing or parking a vehicle in any roadway or location restricted for use only by transit vehicles or otherwise restricted.
8. Engaging in public communications activities or commercial activities except as authorized under K.C.C. 28.96.020 through 28.96.210.
9. Riding transit vehicles or using benches, floors or other areas in tunnel and other passenger facilities for the purpose of sleeping rather than for their intended transportation-related purposes.
10. Camping in or on transit property; storing personal property on benches, floors or other areas of transit property.
11. Entering or crossing the transit tunnel roadway or transit vehicle roadways in and about other passenger facilities, except in marked crosswalks or at the direction of county or public safety personnel.
12. Extending an object or a portion of one's body through the door or window of a transit vehicle while it is in motion.

15. Parking a vehicle in an approved parking area on transit property for more than seventy-two consecutive hours.

17. Performing any non-emergency repairs or cleaning of a vehicle parked on transit property.
18. Conducting driver training on transit property.
19. For those individuals seventeen years of age and under, failing to present a valid, unexpired pass, transfer or ticket or otherwise failing to pay the appropriate fare as required under county ordinance.

### Notes:

"Bus shelter or transit property or properties" means a passenger facility, structure, stop, shelter, bus zone, property or right-of-way of any kind that is owned, leased, held or used by the department for the purpose of providing public transportation services.

"Transit vehicle" means transit passenger vehicles including buses, paratransit vans and other revenue service vehicles and vessels.

## RIDE RIGHT.

Metro's **Code of Conduct** was developed to protect you and those you ride with. Adherence to this code is mandatory and enforceable by law. Violators can be prosecuted and/or fined accordingly. Here are some "ride right" guidelines that summarize the code.

- Pay the right fare.
- Respect other passengers' privacy.
- Do not cause safety problems.
- Use headphones.
- No eating, smoking or littering.
- No alcoholic beverages.
- Do not harass the driver or other riders.
- Do not lie down on the seats.
- Respect transit property.
- Use Metro services and facilities for transportation purposes only.

### HOW YOU CAN HELP

- Report any safety or security problems on the bus to the driver. See "Role of the Bus Driver" on the back for more information on the decision-making process that drivers follow when responding to problems.
- If situations prevent you from alerting the driver, and you see a serious crime being committed or a medical emergency, call 9-1-1 to report the problem when it's safe to do so.
- BE PREPARED to give the route number and direction the bus is traveling. The "coach number" also helps identify the bus. Inside the bus, the coach number appears in the right front corner, opposite the driver. Outside the bus, it appears on the outer bus corners. It is a three or four-digit number.
- We appreciate your help in abiding by these rules, and thank you for doing your part to "ride right."
