LoginKC New User Sign-In Guide

To access the PAO Case Info Application (eLODI), you must have a LoginKC account. For new users, reach out to your police Agency Registrar(s) to request access to the PAO Case Info Application on LoginKC. When making your request, be sure to provide your Name, Title, Badge/Personnel Number, and Contact Information, as these details are necessary for account setup.

1. Once your LoginKC account is set up by your agency registrar, you'll receive an email titled **Login King County Notification** with a link to complete the sign-in process. The link "https://login.kingcounty.gov" will be located at the bottom of the email.

Login King County Notification
