I am the Petitioner Respondent Defendant. I request that the court order the release of the firearms, other dangerous weapons, and any concealed pistol license I surrendered as required by an order requiring surrender of weapons.

The court should order the release of firearms, other dangerous weapons, and concealed pistol license because the protection order/no-contact order/restraining order/decreed that prohibited me from obtaining or possessing a firearm, other dangerous weapon or concealed pistol license is no longer in effect.

I certify under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.
