Based on notification that the parties have mutually agreed to a resolution, the appeal of the County's determination is moot.

The appeal is accordingly DISMISSED, the examiner's jurisdiction over the matter terminated, and the pre-hearing conference scheduled for January 16, 2019, cancelled.

If for some reason we have misunderstood the situation, by **February 6, 2019**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should

not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED January 7, 2019.

David Spohr
Hearing Examiner

King County Code 20.22.040 directs the Examiner to make the County's final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court by *February 6, 2019*.
