Based on notification that King County's enforcement has been terminated in this matter, the appeal is moot.

The appeal is accordingly DISMISSED, the examiner's jurisdiction over the matter terminated, and the hearing scheduled for February 20, 2019, cancelled.

If for some reason we have misunderstood the situation, by **March 11, 2019**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not

be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.
