Based on notification that King County's enforcement has been terminated in this matter, the appeal is moot.

The appeal is accordingly DISMISSED, the examiner's jurisdiction over the matter terminated, and the pre-hearing conference scheduled for December 19, 2019, cancelled.

If for some reason we have misunderstood the situation, by **January 17, 2020**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.
