At today's conference, Animal Services noted that the complainant had conveyed that the Doppenbergs had completely abated the noise problem, leaving no remaining concerns and plenty of appreciation. Thus, we DISMISS WITHOUT PREJUDICE Animal Services' March 25 notice and order.

If for some reason we have misunderstood the situation, by **June 14, 2021**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be

dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.
