This morning King County informed us that it was terminating its enforcement in this matter. The appeal thus becomes moot, as there is no active notice and order to appeal.

The appeal is accordingly DISMISSED, the examiner's jurisdiction over the matter terminated, and the hearing scheduled for June 9, 2021, cancelled.

If for some reason we have misunderstood the situation, by **June 28, 2021**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED May 27, 2021.

David Spohr
Hearing Examiner

NOTICE OF RIGHT TO APPEAL

King County Code 20.22.040 directs the Examiner to make the County's final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court by *June 28, 2021*. Either party may appeal this decision by applying for a writ of review in superior court in accordance with chapter 7.16 RCW.
