A few minutes ago, we received an email from Regional Animal Services that it was dropping its case against Mr. Bullock. Per its email, Mr. Bullock has licensed Mr. Blue Jeans and Animal Services is dropping the vicious violation and confinement order and re-issuing that as a warning. (A warning is not appealable document, but just put someone on notice.)

Because there is no longer a V21011917 for Mr. Bullock to challenge, his appeal is DISMISSED, our jurisdiction over the matter terminated, and the pre-hearing conference scheduled for this morning is cancelled.

If for some reason we have misunderstood the situation, by **August 9, 2021**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED July 9, 2021.

David Spohr
Hearing Examiner

NOTICE OF RIGHT TO APPEAL

King County Code 20.22.040 directs the Examiner to make the County's final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court by *August 9, 2021*. Either party may appeal this decision by applying for a writ of review in superior court in accordance with chapter 7.16 RCW.
