At today's conference, Animal Services explained that, from the complainant's perspective, Ms. Maxwell's efforts have significantly improved the noise scenario. Animal Services announced that it is withdrawing, without prejudice, the V21012237 notice of violation and order to comply. Animal Services also stated that it would provide the complainant with Ms. Maxwell's contact information and will request that the complainant first try contacting Ms. Maxwell directly, if the situation deteriorates in the future.

The appeal is accordingly DISMISSED AS MOOT.

If for some reason we have misunderstood the situation, by **September 6, 2021**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED August 5, 2021.
