Based on notification that the parties have mutually agreed to a resolution, the appeal of the County's determination is moot.

The appeal is accordingly DISMISSED.

If for some reason we have misunderstood the situation, by **January 5, 2022**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

*Spanish translation:*

Sobre la base de la notificación de que las partes han acordado mutuamente una resolución, la apelación de la determinación del Condado es discutible.

En consecuencia, se desestima la apelación.

Si por alguna razón hemos entendido mal la situación, para el **5 de enero de 2022**, cualquiera de las partes es libre de presentar, ante el examinador, una moción de reconsideración explicando por qué el examinador no debería desestimar esta apelación. La presentación de una moción de reconsideración oportuna pospone la fecha límite (descrita a continuación de la línea de firma) para presentar una apelación.

DATED December 6, 2021.
