If we understand the parties' resolution:

- Ms. Jaspan is dismissing her appeal of V20010903 (an Animal Services notice and order declaring Lulu vicious and needing to be contained in response to a July 3, 2020, incident), while

- Animal Services is dismissing V20010915 (a viciousness violation related to a July 4, 2020, incident) and V20010916 (Animal Services seeking Lulu's removal from King County).

Under those terms we DISMISS all three pending matters.

If for some reason we have misunderstood the situation, by **April 1, 2022**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED March 2, 2022.
