At yesterday's conference, Animal Services noted that Appellant's efforts at minimizing the noise had continued to be successful, and it was dismissing its V21012490 violation notice. There no longer being a violation notice to challenge, we dismiss the appeal as moot.

If for some reason we have misunderstood the situation, by **February 28, 2022**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should

not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED January 28, 2022.

David Spohr
Hearing Examiner

King County Code 20.22.040 directs the Examiner to make the County’s final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court by *February 28, 2022*. Either party may appeal this decision by applying for a writ of review in superior court in accordance with chapter 7.16 RCW.
