Pursuant to the attached settlement agreement between the complainant and appellant, we DISMISS WITHOUT PREJUDICE violation V21012758. A dismissal without prejudice means that, if conditions deteriorate, there is no bar to the agency later bringing a notice and order for the same underlying events.

If for some reason we have misunderstood the situation, by **April 7, 2022**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be

dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED March 8, 2022.
