Pursuant to the terms of the attached settlement agreement, the complainant and appellant have reached a resolution. When that happens in a noise case, standard practice is to dismiss, without prejudice, the violation notice currently on appeal.

We thus dismiss, without prejudice, violation V22013026.

If for some reason we have misunderstood the situation, by **July 13, 2022**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be

dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED June 13, 2022.

David Spohr
Hearing Examiner

King County Code 20.22.040 directs the Examiner to make the County’s final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court by *July 13, 2022*.
