At the November 16 conference, Regional Animal Services of King County stated that, given the lack of a current noise dispute, it is dismissing V22013373 without prejudice. Thus, there is currently no notice and order to appeal.

The appeal is accordingly DISMISSED as moot.

If for some reason we have misunderstood the situation, by **December 21, 2022**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED November 21, 2022.

David Spohr
Hearing Examiner

King County Code 20.22.040 directs the Examiner to make the County's final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court by *December 21, 2022*.
