Pursuant to the attached settlement agreement, the parties have mutually agreed to a resolution.

The County's V22013579 violation is dismissed without prejudice. "Without prejudice" simply means it is not a finding on the merits, and there is no bar to Animal Services later re-issuing a violation. But as of today, there is no violation for Mr. Kreutzer to challenge, and thus we DISMISS his appeal.

If for some reason we have misunderstood the situation, by **January 16, 2023**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED December 15, 2022.

David Spohr
Hearing Examiner

NOTICE OF RIGHT TO APPEAL

King County Code 20.22.040 directs the Examiner to make the County's final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court by *January 16, 2023*. Either party may appeal this decision by applying for a writ of review in superior court in accordance with chapter 7.16 RCW.
