Based on the complainant's comments at Monday's conference—that the steps Mr. Zerkel has taken have continued to be fruitful and sufficient to resolve the situation—we DISMISS, without prejudice, violation V23013892. There no longer being anything for Mr. Zerkel to challenge, we dismiss his appeal as moot.

If for some reason we have misunderstood the situation, by **July 14, 2023**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED June 14, 2023.

Hearing Examiner
