On July 11, 2017, our office received a letter from the Appellant indicating she has reached an agreement with the Department and that the Appellant is withdrawing her appeal.

The appeal is accordingly **DISMISSED**, the examiner's jurisdiction over the matter terminated, and the continuance status conference scheduled for July 13, 2017, cancelled.

If for some reason we have misunderstood the situation, by **August 7, 2017**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.
