Based on notification that King County has terminated enforcement in this matter, the appeal of that enforcement order is moot.

The appeal is accordingly DISMISSED, the examiner's jurisdiction over the matter terminated, and the hearing scheduled for September 5, 2019, cancelled.

If for some reason we have misunderstood the situation, by **September 9, 2019**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED August 14, 2019.

David Spohr
Hearing Examiner

NOTICE OF RIGHT TO APPEAL

King County Code 20.22.040 directs the Examiner to make the County's final decision for this type of case. This decision shall be final and conclusive unless proceedings for review of the decision are timely and properly commenced in superior court. Appeals are governed by the Land Use Petition Act, Chapter 36.70C RCW.
