Code compliance having been achieved in this matter, Ms. Stone's appeal of a notice and order that has been satisfied is moot. Accordingly, we DISMISS her appeal.

If for some reason we have misunderstood the situation, by **October 29, 2020**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should

not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED October 5, 2020.

David Spohr
Hearing Examiner

NOTICE OF RIGHT TO APPEAL

King County Code 20.22.040 directs the Examiner to make the County’s final decision for this type of case. This decision shall be final and conclusive unless proceedings for review of the decision are timely and properly commenced in superior court.
