In closing out this file, we discovered we neglected to send out a dismissal after we received Local Services' April 15 compliance certificate. There no longer being an active notice and order to appeal, we DISMISS AS MOOT Mr. Franzel's appeal. We apologize for the delay.

If for some reason we have misunderstood the situation, by **August 16, 2021**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED July 22, 2021.
