On December 17, 2024, King County For-Hire Licensing issued a notice and order. As that document stated, any appeal had to be received by King County For-Hire Licensing by January 16, 2025, or the notice and order would become a final determination. This deadline is based on

KCC 20.22.080.B, which requires appeals to be received within 24 days of the date the agency determination is issued.

King County For-Hire Licensing received Vagif Konniev’s appeal, via email, on January 21, 2026. King County For-Hire Licensing filed a motion to dismiss the appeal as untimely.

Per KCC 20.22.080.H. where an appeal is untimely, the examiner “does not have jurisdiction to consider the appeal and the decision of the department ... becomes final and unreviewable.”

The appeal is accordingly **DISMISSED** with prejudice, for lack of jurisdiction.

If we have misunderstood the situation, either party may email us a motion for reconsideration explaining why the appeal should not be dismissed. The motion must be received by **February 24, 2026**, or prior to any appeal deadline for judicial review, if applicable. If no motion is received, this Order of Dismissal shall be final and conclusive.

DATED February 3, 2026.

Hearing Examiner

NOTICE OF RIGHT TO APPEAL

King County Code 20.22.040 directs the Examiner to make the County’s final decision for this type of case. This decision shall be final and conclusive unless appealed to superior court in accordance with Ch. 7.16 RCW. It is the responsibility of the party seeking to appeal the examiner’s decision to determine and meet the legal requirements for filing an appeal.
