On February 26, 2026, we emailed and mailed our notice for the March 23, 2026, hearing. We received no communication in response that this date or time did not work for the appellant. The department timely appeared at the hearing. We waited the requisite ten minutes, but the appellant did not appear and did not contact our office during that time.

Appellant's failure to appear constitutes abandonment of the appeal. The appeal is accordingly DISMISSED with prejudice.

If we have misunderstood the situation, either party may email us a motion for reconsideration explaining why the appeal should not be dismissed. The motion must be received by **April 22, 2026**, or prior to any appeal deadline for judicial review, if applicable. If no motion is received, this Order of Dismissal shall be final and conclusive.

DATED March 23, 2026.
