Waste Management has withdrawn its appeal in this matter. Accordingly, the appeal is DISMISSED, the examiner's jurisdiction over the matter terminated, and the pre-hearing conference scheduled for August 30, 2023, cancelled.

If for some reason we have misunderstood the situation, by **September 4, 2023**, either party is free to file, with the examiner, a motion for reconsideration explaining why the examiner should not be dismissing this appeal. Filing a timely motion for reconsideration postpones the deadline (described below the signature line) for lodging an appeal.

DATED August 10, 2023.
